## SYRACUSE CALLS OFF GAME WITH GOPHERS

Western Trip Given Up by Eastern Team—Minnesota Tied for First Place.

Syracuse will not play Minnesota's basket-shooters Friday evening, as scheduled. The eastern institution has given up its western trip.

This leaves the schedule open until the team leaves on its trip next week, which includes Purdue on the 28th, Illinois on the 1st, and Chicago on the 2nd of next month; a shorter trip a week later includes Stout Normal, at Menominee, Wis., on the 8th and a return game with Wisconsin on the 9th.

### Gophers and Maroons Lead.

Minnesota and Chicago lead in the Western Association, with a percentage of 1,000 each; Minnesota having defeated both Wisconsin and Illinois one game each, the only association games Minnesota has played so far, while the Maroons have defeated Purdue, Illinois and Wisconsin. Wisconsin stands next, having won four games out of six, two each from Purdue and Illinois and lost one to both Chicago and Minnesota. Purdue has lost three out of five, one each to the Badgers and the Maroons, and defeated the Illini twice. This leaves Illinois with three zeros, at the bottom of the list.

## PRES. NORTHROP BEFORE THE REGENTS.

President Northrop will introduce a resolution at today's meeting of the board of regents with a recommendation for its passage, providing that all professors and instructors prepare lists of the books to be used in their course a sufficient time before the beginning of each semester to allow all bookstores to get them in stock. The resolution is intended merely as a matter of convenience for the bookstores and students.

## VARSAITY "QUINT" TO TRAVEL.

The Athletic Board of Control yesterday authorized the basketball team to take a trip.

## MORE TRACK MEN WANTED

Dr. Williams Says New Men Must Get Out to Make a Winning Team.

"I want more track men," said Dr. Williams yesterday. "The old men who are back are showing a lively interest, but we need a big bunch of new material, especially freshmen. The winter meet ought to bring out all the husky lads in the freshmen class.

"This early work is very important as laying the foundations for the spring practise later on, and should not be slighted by anyone."

The indoor meet will be held in the armory in about a month. Preliminary work, which has been going on for about a week, is progressing favorably under Dr. Williams' direction, but more men are wanted for the development of a first-class team. There is a dearth of candidates for the field events, and especially for the weights.

The new track will probably be ready before the meet.

## METROPOLITAN MANAGEMENT WOULD TAKE ON "PINAFORE"

Want Opera Produced Half Week in Both Minneapolis and St. Paul.

The fame of the "Pinafore" is spreading. Already its production by University talent has attracted more than local attention. The management of the Metropolitan Opera House has made an offer to have "Pinafore" produced in Minneapolis three nights and a matinee, and also in St. Paul. The Metropolitan management was to receive a certain percentage of the proceeds.

The proposition was rejected by the Woman's League, however, after consideration. Being an amateur affair, it was thought that the production would not appeal strongly enough to the people at large to warrant such an undertaking as was proposed.

The armory is a central place as regards the Twin Cities, and being a college, production, the play would draw most largely from the college part of town. The stage at the armory will be enlarged for the opera.

## LAWS DISAPPROVE.

Anonymous Writer's "Philistine Valentine Not Sanctioned.

The senior and middle night law classes have adopted a resolution disapproving the action of the unknown person or persons who were the authors of the recent "Philistine Valentine."

## DR. BURTON WILL LECTURE.

Course on Great Masterpieces and Authors Planned.

An interesting lecture course on the great masterpieces and authors has been planned by Dr. Burton and his associates at the request of the members of his classes. Fifth hour of every Thursday is the hour appointed for these lectures.

The course will open Thursday, February 28, when Dr. Burton will discuss the Rubiyat by Omar Kyam. Carduce, the Italian poet, who died the 14th of this month, will be the subject of the second discourse the following Thursday, also by Dr. Burton.

## GRUBSTAKE FOR SENIOR MEN

Will Hold Second Banquet of the Year at East Side Commercial Club.

The senior men will gather round the festive board Thursday evening, February 21, at 9 o'clock sharp, in the St. Anthony Commercial Club rooms, 305 Central avenue southeast for the second of a series of banquets given by the senior academics, the chemists and the six-year medics.

The following toasts will be given: "How I Earned My First Dollar," Floyd Loomis.

"The Man in the Gown," Fred Reed.

"The Medics' Opinion of the Co-eds," Clarence Perry.

"The College Grafter," Nathan Blackburn.

"The Cold, Cold World," Will Hubbard.

"Alice Shevlin Hall," Monte Brown.

## UNIVERSITY'S NEEDS URGED BY ALUMNI ASSOCIATION

Enthusiastic Meeting Held in Alice Shevlin Hall Last Monday Night.

Over three hundred exuberant alumni got together in Shevlin Hall Monday evening for the annual meeting of the General Alumni Association.

Resolutions were introduced and adopted indorsing the board's action in securing a secretary to devote his whole time to the association work. The alumni were urged, as well, to take out life memberships and thus increase the endowment fund. It was resolved that the regents be asked for money to be used to increase salaries, improve the library and extend the campus. The movement to secure a college of education building was also approved.

The famous old "Campus" quartet of '93 appeared and rendered several pleasing selections. Dr. Folwell spoke of old times and present needs.

A lunch was served and informal dancing followed. "Emphatically the best meeting we have ever had," said E. B. Johnson, secretary of the association, at the close of the meeting.

## ORATORS WIN PLACES.

Freshmen and Sophomores Chosen to Represent Their Classes.

Trials for places on both sophomore and freshmen oratorical teams were completed last evening. Nine sophomores Monday afternoon and the same number of freshmen yesterday, contested for places. Those selected for the teams are: Freshmen, Wm. Ervin, Fred R. Johnson, H. W. Lauderdale and K. J. Knutson; sophomores, Miss Dagny Knutson, Max Lowenthal, Sigurd Peterson and Zenas Potter. A final contest between the classes will be held in chapel on the evening of March 6.

## MORE BLUE SLIPS COMING

Delinquent Students Meet Their Fate—Twenty-five Are Already "Canned."

Sixty-four students have fallen below the standard and will be obliged to show cause why they should not enjoy an enforced vacation. This is the number of prospective "funks" drawn from the reports so far received, and more are coming. Dean Downey announces that, contrary to general belief, the fateful blue slips are by no means exhausted. There are still a number of sections yet to report.

The number of failures will probably considerably exceed that of last year. Only a small percentage of the delinquents can hope to be reinstated, as only in exceptional cases are excuses accepted. Of the three who were pardoned and allowed to resume their places last year, two had been ill in hospital for a considerable period, and the other was disabled in a railroad wreck.

So far about twenty-five names have been sent to the registrar as having failed, and action on the remainder was taken at a meeting of the committee on students' work held yesterday afternoon.

## BILL IN LEGISLATURE FOR CAMPUS ENLARGEMENT

Senator J. T. Ellwell Introduces Measure Providing for Special Tax Levy.

Enlargement of the university campus along the lines favored by the Alumni Association is provided for in the bill introduced in the legislature Monday by Senator J. T. Ellwell.

The bill provides for a special tax levy of three-tenths of a mill on all listed property in the state, to be collected for 1907 and then three succeeding years. The board of regents is authorized to anticipate the receipts from this levy by issuing certificates of indebtedness, and with the proceeds, to acquire such lands for the campus and other purposes as the needs of the university require. The buildings standing on the land may also be purchased and handled according to the best judgment of the regents.

### \$1,000,000 Expected.

No sum of money is named in the bill, but the levies provided will raise something over \$1,000,000. On the basis of the present valuation, a levy of three-tenths of a mill would bring a little over \$250,000 each year and the bill extends the levy for four years. This amount, it is believed, would be sufficient to acquire the tract desired by the alumni for the greater campus. The land includes all from Harvard street back to the river bank at the Washington avenue bridge, and from the present limits of the campus south to the river bank, giving a scenic river view across from Riverside Park. It is also proposed to acquire the strip between University avenue and Fourth street, from Fourteenth avenue southeast to Oak street.

## WILT BANK TO LECTURE.

The Rev. R. T. Wiltbank will continue his series of lectures today on the subject, "Human Immortality," this series is given weekly at 1 o'clock, on Wednesdays, in Dr. Burton's lecture room.

## ALUMNUS WILL SPEAK.

Rev. Mr. Powell of Duluth, a graduate of Minnesota, will speak in the First Congregational church Sunday evening at 7:30. All alumni and students invited.

## WOMAN'S DORMITORY URGED

Women of Daughters of Revolution to Ask Legislature for Money.

The chapters in Minnesota of the "Daughters of the American Revolution" met last week at the residence of Mrs. D. C. Bell, the state regent, to form a committee to present to the state legislature the request for an appropriation for a Girls' Dormitory at the State University. The need of such a building for the out-of-town girls has been felt for some time, and it is possible that such an appropriation will be granted.

The ladies who are interested in this movement are: Mrs. D. C. Bell, Mrs. E. J. Edwards, Mrs. C. W. Schneider, Mrs. Luther Ford, Mrs. S. R. Childs, Mrs. E. D. Buffington, Mrs. J. A. Crosby and Miss Olive Brooks.

**FRESHIES BEREFT, WAX  
EXCEEDINGLY WROTH.**

Issue Burning Challenge to Second-Year Men.

The freshmen are up in arms over the loss of their constitution. Their wrath has reached a fever pitch and they are out for revenge. Yesterday an indignation committee met and drew up a proclamation challenging the hated sophomores. It reads:

"We, the freshmen, accustomed to snubs and insults, have learned to bear them with patience and fortitude, but there is a limit to human endurance and the worm will turn. We are filled with righteous indignation against \* \* \* (obnoxious epithets) sophomores, who basely sneaked up under the protection of a girl and stole our constitution, and we hereby challenge them to a MANLY combat for the possession of the constitution. We will meet them in a free fight or let them select any number of their champions to represent them. We hope that the sophs will not be slow to accept this opportunity to gain honor and glory. To the victor belongs the spoils."

**LAWS GET HOLIDAY.**

No Classes Friday and Saturday of This Week.

No classes will be held in the law school Friday and Saturday. Friday is a legal holiday, and Saturday classes were dismissed on petition of the middlemen and juniors.

**SHAKESPERE FUND**

Will Be Started With Proceeds of Saturday's Play.

The proceeds of the play presented Saturday by Miss Peck's class in Modern Drama will be used as a Shakespere fund, the income of which will go for lectures and other culture purposes.

Other classes in English will cooperate by giving other plays and thus enlarge the fund.

**JUNIOR CIVILS TO FEED.**

The junior civil engineers will give their annual banquet Thursday evening at the Opera Cafe.

An interesting program has been prepared. C. W. Mowery, class president, will act as toastmaster.

**ACANTHUS TO GIVE PARTY.**

Acanthus Literary Society will hold a Washington's birthday party Thursday evening in Alice Shevlin Hall. Professor Maria Sanford will address the society on "Art."

**EPIDEMIC ON CAMPUS.**

Practical Joker Brings "Sneez-o" to Class.

Paroxysms of sneezing, coughing, weeping and laughing seized Dean Downey's calculus class yesterday. The trouble was also noticeable in Frau Wilkin's German class and Prof. Sanford's class in Shakespeare reading. In Dr. Burton's class at the third hour the trouble became apparent. A man with a little black bottle labelled "sneez-o" made a hasty exit from the room, leaving a trail of sneezes in his wake.

Last Saturday was like the good old Summer time with me. I took lots of orders for Spring clothes, and I want to tell you right now that there are six weeks to Easter and you'll oblige me if you will get your order in now while my tailors are not so very busy.

It won't be necessary to pay for the clothes until you want them delivered. Just a small deposit with the order will do.

Another pointer I want to make public: If you want medium or heavy weight materials, I'll give you the best BARGAIN in a suit made to order you can possibly conceive of.

I am overstocked on heavy weight goods; that's all. Yours truly,

**PASS RHODES EXAMINATION**

Both of This Year's Candidates for Oxford Scholarship are Successful.

President Northrop has received official notification from Oxford that both candidates for the Rhodes scholarship, who took the examinations in January, were successful.

They are Arnold Frye, senior academic, and Theodore Buenger, formerly a university student.

This makes the list of eligible candidates in Minnesota five in number, two university students having been successful in previous years, and one Carleton student.

The committee composed of the presidents of all colleges in Minnesota, will meet in March to bestow the scholarship on one of those five men.

**CIVIL SERVICE EXAMS

Inquiries may be addressed to W. C. Sabine, 17 University Hall, Cambridge, Mass.

**The Harvard Medical School**  
 Boston, Mass.

With the completion of the new buildings, which were dedicated September 25th, 1906, this school now has facilities and equipment for teaching and research in the various branches of medicine probably unsurpassed in this country. Of the five buildings, four are devoted entirely to laboratory teaching and research. The numerous hospitals of Boston afford abundant opportunities for clinical instruction in medicine and surgery.

**Course for the Degree of M. D.**  
 A four years' course, open to bachelors of art, literature, philosophy and science, and to persons of equivalent standing, leads to the degree of M. D. The studies of the fourth year are wholly elective; they include laboratory subjects, general medicine, general surgery and the special clinical branches.

The next school year extends from September 26, 1907 to June 29, 1908.

**NO SECOND PERFORMANCE.**

"Knight of Burning Pestle" Declines to Make Second Appearance.

Miss Peck's Modern Drama class has decided not to repeat "The Knight of the Burning Pestle." The Daughters of the American Revolution had offered to furnish a good audience at the Church of the Redeemer and to divide the proceeds equally, but it was thought impracticable.
