## OFFICIAL DAILY BULLETIN

Vol. VIII

FRIDAY, JUNE 18, 1926

1926 No. 151

### CALENDAR FOR THE WEEK

#### Monday, June 21

All classes hold first sessions, as scheduled. All registration must be completed before this date, to avoid late registration penalty.

#### Tuesday, June 22

4 p.m. Lecture, by Professor W. D. Reeve, Teachers College, Columbia University. Subject, "The new Curriculum in Mathematics." Old Library Auditorium.

7 p.m. Motion picture showing. "The Freshman," with Harold Lloyd. Admission to Summer Session members only, on presentation of ticket. Restricted event number 1.

#### Wednesday, June 23

4 p.m. Lecture, Professor W. D. Reeve, Teachers College, Columbia University. Subject, "How the New Curriculum in Mathematics Is to Be Determined." Old Library Auditorium.

8 p.m. "Richelieu," historic drama by Bulwer Lytton, presented by the University Masquers. Music Auditorium. Admission at reduced rate upon presentation of Member's Ticket. Restricted event number 2.

#### Thursday, June 24

10:00 a.m. Convocation. Address by President L. D. Coffman. Armory. (All classes omitted this hour.)

4:00 p.m. Recital, by the Cecilian (Operatic) Quartet of Minneapolis: Meta Birnbach, soprano; Mabel Pelletier, contralto; Carl E. Olson, tenor; Edward Hermann, bass; Helen Bates Olson, accompanist. Music Auditorium. (Program in Thursday's Bulletin.)

7:00 p.m. Motion picture showing. Music Auditorium. Admission on Member's Ticket. Restricted event number 3.

#### Friday, June 25

4:00 p.m. First Book Review Hour. Professor Louis R. Gottschalk, University of Louisville, will review "The Genesis of the World War" by Barnes. Old Library Auditorium.

### THE TENNIS COURTS

Pursuant to a regulation now operative during the University year, all persons making use of the tennis courts must be provided with tickets. Regular students in the Summer Session may secure these tickets free of charge, by presenting their Bursar's receipt at Room 106 in the Armory. The ticket will be issued and the receipt stamped with the ticket number. Non-students may, up to a limited number, secure these tickets on payment of \$1.

Players must always have their tickets with them when going to the courts, for otherwise they will not be permitted to play. Nets are furnished, and are in place for early playing. The courts are constantly kept in good surface condition, making them the best in this vicinity.

Reservations for a court may be made by application to the Athletic Department (phone) any time during the forenoon. During the afternoon arrangements should be made with the custodian on the courts. The reservations are made for periods of one and one-half hours, beginning at 9:00 a.m., any of which may be specified. They may not be made in advance of the day in which they are desired.

### RICHELIEU WEDNESDAY NIGHT

The first dramatic event of the Summer Session will be on Wednesday evening, June 23, at 8 o'clock in the Music Auditorium, when Sir Edward Bulwer-Lytton's historic drama, "Richelieu" will be produced by Minnesota Masquers, university dramatic society. This production was first presented in April of this year, and was later requested for the Mothers' Day play in May. It proved to be one of the outstanding performances of a big year, of one of the great pieces of dramatic literature.

Tickets for "Richelieu" will go on sale at the Music Auditorium box office on Tuesday morning. The price to holders of Summer Session Member's Tickets will be 25 cents. It is restricted event number 2. Admission to non-members 50 cents. The capacity of the Auditorium is limited and tickets should be purchased early.

### GREETING TO STUDENTS

The Summer Session bids you a hearty welcome to the campus of the University of Minnesota, to its academic halls, and to the various recreational activities that are provided for you. It hopes that your stay will be both pleasant and profitable, and that you will make an intensive use of every facility afforded. In particular it expresses a hope that you will not find anything amiss in the preparations made for you; but that if you do, you will consider it as conferring a favor on the administration if you will kindly report such matters to the Director's office.

### THE DAILY BULLETIN AND WHAT IT MEANS

This Bulletin is issued daily, or every other day, during the Summer Session, as a source of information for students and faculty. All official notices of an administrative character are published in it, and when so published no further responsibility rests with the administration. All students and faculty members are held responsible for knowing whatever is stated in such publication.

In addition, the Bulletin carries news or information regarding all recreational or other activities in which students may have an interest. In this respect it takes the place of the daily newspaper. For this reason as well as for the one mentioned above, all students should read each issue of the Bulletin as it appears. It is placed in each post-office box on the morning of issue.

### MEMBERS' TICKETS

Every member of the Summer Session should secure a Member's Ticket, to which he is entitled when fees have been paid. Provision is made for their issue during registration hours, in the lobby of the main floor of the Administration Building, and at the Registrar's office on the Farm Campus. At other times they will be issued from the office of the Director of the Summer Session, 235 Administration Building. Present Bursar's receipt as a credential.

The ticket is necessary because of the fact that certain of the events of the Session are limited as to attendance strictly to members of the Session. The presentation of the ticket is the only condition of admission. Every such restricted event is so designated in the calendar and is given a number. The corresponding number will be punched when admission is given to the event.

### REEVE TALKS ON MATHEMATICS CURRICULUM

Professor W. D. Reeve, of the Mathematics Department of Teachers' College, Columbia University, will speak in the Old Library Auditorium on Tuesday and Wednesday at 4:00 o'clock. His subjects will be "The New Curriculum in Mathematics," and "How the New Curriculum in Mathematics is to Be Determined." Professor Reeve will be remembered as the former principal of the University High School, well known nationally for his work on texts in unified mathematics. All teachers, and others interested in the status of mathematics in the high school, should hear these lectures.

### COFFMAN AT CONVOCATION

The first summer convocation will be held Thursday morning at 10 o'clock in the Armory. The address will be by President L. D. Coffman, his first appearance at a summer convocation for three years.

The Thursday morning hour is reserved throughout the first term for these convocations.

### MOTION PICTURES

Showings of motion pictures of current popularity, combined with some educational features, will be made twice weekly, in the Music Auditorium, on Tuesday and Thursday at 7 p.m. These events are strictly limited to members of the Summer Session, and admission will be by member's ticket. Guests cannot be admitted.

The first attraction will be "The Freshman," with Harold Lloyd. This is restricted event number 1.

## CHANGES IN SUMMER SESSION BULLETIN

### COLLEGE OF SCIENCE, LITERATURE AND THE ARTS

**English**  
 Anthropology 110su.—Cancelled, to be substituted by  
 Anthropology 53su—Cultural Anthropology—Technology.  
 3 cr., jr., sr.; prereq. 51. MTWThFS 1, 12F.  
 Maurice G. Smith, Instructor.  
 English 6su—To be given by Miss Lambert instead of Miss Armstrong.  
 English 45su—Is a course in 19th Century Literature rather than in 17th  
 and 18th Century Literature.  
 English 152su—To be given by Mr. Hessler.  
 Composition 67su—To be given by Miss Lambert instead of Miss Arm-  
 strong.

#### Latin

Latin 73su—Will be given the III hour instead of the VI.

#### Music

Harmony 1su and 3su—Will be given by Mr. Scott instead of by Mr.  
 Ferguson.

#### Romance Languages

Spanish 1su—Will meet on Monday as well as the other days listed in  
 the bulletin.

### COLLEGE OF AGRICULTURE, FORESTRY, AND HOME ECONOMICS

Course 3su—Types of Carbon Compounds, will be given by Mr.  
 Charles G. Ferrari instead of Mr. Haag.

### COLLEGE OF EDUCATION

73su—Teachers Course in Latin will be scheduled in Room 112 Educa-  
 tion, instead of 202.

F. J. Kelly, Director of Summer Session.

### COLLEGE SCIENCE, LITERATURE, AND THE ARTS

#### Scientific French

The examination in Scientific French for admission to the  
 Medical School will be given on Tuesday, June 15th, at 9:00  
 a.m., in Room 201 Folwell. Open to those who have com-  
 pleted 15 credits in French with an average grade of C.

F. B. Barton

**Political Science**—The final examination in State Gov-  
 ernment will be held in the Old Library Auditorium at 1:30,  
 Saturday, June 12th, instead of 4:00 p.m., as previously an-  
 nounced.

Morris B. Lambie

### SCHOOL OF CHEMISTRY

All students who have desk equipment in the School of  
 Chemistry are required to check out their apparatus by noon,  
 June 12th. A charge of at least \$1.00 will be made against  
 students checking out after this date.

H. H. Barber,  
 Superintendent of Supply

### MISCELLANEOUS

Graduate dentists at the College of Dentistry to demon-  
 strate their ability to 150 patients on June 17 to 21.

The public will have an opportunity to take advantage of  
 the offer of free dental work to be done, June 17, 18, and 21  
 at 8:00 a.m., when the dentists take their State Board examina-  
 tion. Those who are interested should put in their applica-  
 tion Thursday morning, at 8:30, June 17.

## THE MEDICAL SCHOOL

### Student Notice

I. Beginning with the Fall Quarter 1927, a general ex-  
 amination on the work of the Medical Course will be given in  
 the Medical School, the passing of which will be essential for  
 the M. B. degree. This examination may be taken in the early  
 part of the twelfth quarter of Medical School attendance by  
 any student whose record at that time in accordance with the  
 scholarship rules is satisfactory. The examination will be of-  
 fered each quarter when there are candidates.

II. This examination as applied to the classes of De-  
 cember, 1927, March and June, 1928, will be set entirely by  
 the clinical departments, as applied to the classes of December,  
 1928, March and June, 1929, it may include in addition, ques-  
 tions set by the Department of Bacteriology (special Bacteri-  
 ology), Anatomy (Nervous Anatomy), Physiology (not in-  
 cluding Physiological Chemistry), Pathology and Pharmacol-  
 ogy. After June, 1929, it may include questions set by any de-  
 partment and on any part of the medical course.

III. This examination will in no way affect marks received  
 by students in individual courses nor require the repetition of  
 courses, nor affect the requirements for the B.S. or A.B. de-  
 gree; but failure in this examination or parts thereof may re-  
 quire further preparation by students in any subject or sub-  
 jects in the medical curriculum.

E. P. Lyon, Dean

### MILITARY DEPARTMENT

Checks for Advanced Course R.O.T.C. students will be  
 available at the office of the Military Department during of-  
 fice hours on Monday, June 14th and for three days thereafter.

William F. Rehm, Captain, Infantry,  
 Supply and Finance Officer

### R.O.T.C. Uniforms

According to our records a number of students have not  
 returned their uniforms. These uniforms should be turned  
 in at once. This applies to those men who have completed  
 their drill for this year.

W. F. Rehm, Capt. Inf.  
 Supply Officer

### DEPARTMENT OF AGRICULTURE

Notice—The Students' Book Store at University Farm  
 will be closed June 17, 18, and 19 for cleaning and decorating.

Treasurers books of all student organizations should be  
 balanced and left of Cashier's Office, University Farm, before  
 end of quarter.

L. A. Lindstrom, Cashier

### GENERAL EXTENSION DIVISION

Registrations for Correspondence Study, to be pursued during the summer,  
 are now being received. Students wishing this service should consult the  
 bulletin of courses offered for credit, procurable at Registrar's office, at Room  
 102, Administration Building, or at the Correspondence Study Department  
 office, 420 Administration. Registration should be completed at the latter  
 office.

## THE SUMMER DRAMATIC PROGRAM

Following the plan adopted last year, with great satisfaction to the students of the Summer Session, Minnesota Masquers will present an entire summer series of plays, with weekly performances during the first term. These plays are offered at the cost price of 25 cents a performance, to members of the Summer Session; and if they prove as successful as last summer the house will be sold out in advance. Provision is made in some cases for second performances on succeeding nights, when the demand for the first performance greatly exceeds the capacity of the auditorium.

Four of the offerings are now programmed. The first is Bulwey-Lytton's historical drama "Richelieu," on Wednesday, June 23; second, "The Second Mrs. Tanqueray," by A. W. Pinero, Wednesday, June 30; third, "Paolo and Francesco," a romantic tragedy by Stephen Phillips, Wednesday, July 7; and fourth, "Emperor Jones," by Eugene O'Neill, Wednesday, July 14. The remaining plays will be selected later, but will be such as to make a varied series, representing the best in standard and recent drama.

Summer Session students interested in acting are requested to call at 18 Music Hall, from 9 to 12 on Saturday, and 9 to 4 on Monday, and apply for acting parts. There are a few vacancies in some of the casts which will be filled by capable summer students.

## NOTICE TO DEPARTMENTS

Departments desiring any glassblowing for the first Summer Session should have the work done before July 1.

W. T. Middlebrook, Comptroller

## CHANGES IN SUMMER SESSION BULLETIN COLLEGE OF SCIENCE, LITERATURE AND THE ARTS

English  
Anthropology 110su.—Cancelled, to be substituted by  
Anthropology 53su.—Cultural Anthropology—Technology.  
3 cr., Jr., sr.; prereq. 51. MTWThFS I, 12F.

Maurice G. Smith, Instructor.

English 6su.—To be given by Miss Lambert instead of Miss Armstrong.  
English 45su.—Is a course in 19th Century Literature rather than in 17th and 18th Century Literature.  
English 152su.—To be given by Mr. Hessler.  
Composition 67su.—To be given by Miss Lambert instead of Miss Armstrong.

### Latin

Latin 73su.—Will be given the III hour instead of the VI.

### Music

Harmony 12u and 3su.—Will be given by Mr. Scott instead of by Mr. Ferguson.  
Education 64su. 8:00 TThS. (Orchestra conducting)  
Music 49su. 3:00 MWF. (Historical Appreciation of Music)

### Romance Languages

Spanish 4su.—Will meet on Monday as well as the other days listed in the bulletin.

## COLLEGE OF AGRICULTURE, FORESTRY, AND HOME ECONOMICS

Course 3su.—Types of Carbon Compounds, will be given by Mr. Charles G. Ferrari instead of Mr. Haag.

### MEDICAL SCHOOL

The course Path. 108su, Diagnosis of Tumors, will be offered 3-5 on Tuesdays, 2 cr., instead of the three-hour course on Tuesday and Saturday published in the Bulletin.

## COLLEGE OF EDUCATION

73su.—Teachers Course in Latin will be scheduled in Room 112 Education, instead of 202.

F. J. Kelly, Director of Summer Session.

## PHYSICAL RECREATION

The plans for physical recreation during the summer have been much enlarged over previous summers. Increased facilities are available; and in addition Mr. Walter Ray Smith, director of intra-mural athletics of the university, will devote his entire time during the first term at least to organizing plays and games. Students working under the stress of the heated term need play more than at other times; those students now in residence who are engaged in other work during the rest of the year, particularly teachers, are also in need of play, and a good deal of it. These plans are made with the serious purpose of serving these needs. All students should avail themselves of the opportunity.

Some of the items provided are:

GOLF TOURNAMENTS—One for women and one for men.

TENNIS TOURNAMENTS—Similarly for women and for men.

Lists open for signatures for each of these events will be found posted on the athletic board in the post-office. Signatures should be affixed before Thursday, June 24, when the lists will be taken down and drawings for play made. These drawings will be posted the following day, Friday, June 25. All play is to be completed before July 31, hence there can be no delay. Some calls are usually received after the lists are closed; do not be one of these late ones.

There are eight public golf courses open to students. A list of them with directions for reaching them (all by street car) will be posted on the post-office athletic board.

HORSESHOE TOURNAMENT—For men presumably. Six courts are now provided, at the back of the Electrical Engineering Building, and shoes for pitching are supplied. Signatures should be made on the posted lists, as for the other tournaments.

Winners in each of these tournaments will be given an intra-mural athletic medal.

### VOLLEY BALL TEAMS AND LEAGUE—

DIAMOND BALL TEAMS AND LEAGUE—Both designed for faculty as well as students. Teams representing any sort of unit will be listed, a playing schedule arranged, equipment furnished, and perhaps a bit of instruction and coaching, if needed.

HAND BALL AND SQUASH—In the new courts in the Stadium building. Squash is designated the best indoor individual game known, and our courts are the best in the northwest. The building is always cool. Balls and racquets are supplied.

### SWIMMING—

### GYMNASTICS—

TRACK AND FIELD SPORTS—for which all facilities are freely open. All the gymnasium equipment of the university, together with advice and leadership, will be furnished to all applicants. Hours will be found convenient to all study schedules.

LOCKER AND TOWEL SERVICE—as needed. Application should be made at the Gymnasium for this service.

## "How to Learn to Know the Mushrooms"

A series of meetings on "How to Learn to Know the Mushrooms" will be held at University Farm, Plant Pathology Building, Room 41, beginning Monday, June 21, at 7:00 p.m.

These meetings will be held in co-operation with the Minnesota Mushroom Club and will be open to any one interested. There will be no fee or charge. If interested, collect as many kinds of mushrooms as possible and bring them to the meeting. Members of the Mycology staff of the Division of Plant Pathology and Botany will be present to assist and direct the work.

E. M. Freeman,

Chief, Division of Plant Pathology and Botany
