3. That this Board believes that an agreement can be reached upon rules heretofore adopted by the Western Conference, and that these rules, and all subsequent rules, before enforcement and adoption respectively, should be ap-

Mr. Snyder offered the following resolution:

Whereas the State of Minnesota in the month of August, 1912, purchased from the Greysolon Farms Company, a corporation, a certain tract of land in Section 25, Township 51,

Range 13, St. Louis County, Minnesota, to be used as a demonstration farm in connection with the University of Minnesota, and

Whereas, subsequent to the purchase, the Board of Regents entered into negotiations with the Greysolon Farms Company to purchase an additional tract of land contiguous to the tract bought in August, 1912, extending to the center line of Amity Creek and deemed to be, by reason of its bordering on running waters, of great value to the Farm as a whole, and

Whereas the Board have obtained an option upon said additional tract of land for the price of three thousand (\$3,000.00) dollars and desire to consummate the deal, now therefore,

Be it resolved that the proper officers are hereby authorized to purchase the following tract of land to-wit: All parts of out lots "E" and "F" lying north of the center line of Amity Creek, Greysolon Farms' first division, St. Louis County, State of Minnesota, and that the State of Minnesota as consideration therefor pay the sum of three thousand (\$3,000) dollars.

Said resolution being under discussion, Regent John G. Williams stated that at the time the Greysolon Farms Company sold the first tract of land to the State of Minnesota, he was and ever since has been and now is, a stock holder in the Greysolon Farms Company; that the purchase of the first tract of land was consummated and negotiations for the second tract were begun prior to the time he became a member of the Board of Regents; that since he became a member of the Board of Regents he had not participated in any of the negotiations looking to the purchase of the tract of land, the purchase of which is now under consideration, and that by reason of his being a stockholder in the Farms Company and a member of the Board of Regents he would not vote on the resolution.

The vote being taken, the resolution was adopted as follows: Ayes, Mayo, Nelson, Rice, Schulz, Snyder, Sommers, Vincent, Williams, M. M. Noes, none. J. G. Williams declined to vote.
