

GOPHER DANCERS GET EARLY COPIES OF 1922 ANNUAL

500 Finished Books Secured from Printer—Distribution Day May 11

DANCE BY STAFF IS TRADITIONAL AFFAIR

Players Will Present Humorous Sketch, "The Man Who Married a Dumb Wife"

Promptly at 10 p. m. tomorrow night, dancing at the Gopher hop in the Armory will be halted and the banner event of the college year—the "coming out" of the 1922 Gophers—will take place.

Only through a special arrangement with the printers was it possible to secure 500 finished copies of the annual for the night of the dance, according to Ray Hartz, business manager. The remaining 2500 subscribers will have to wait until "Gopher Day," May 11, when the rest of the Gophers will be distributed. The dance is a traditional affair given by each Gopher staff at the completion of their task.

Tickets Now on Sale
Tickets for the dance which are now on sale at the Gopher Hole in the Dentistry building, the Co-Op, and the Y. M. C. A. offices have been limited to 300 couples to insure a Gopher for every subscriber who attends, Mr. Hartz said. Mulholland's orchestra will provide the musical acceleration.

As a special feature, the Players have consented to present the humorous sketch, "The Man Who Married a Dumb Wife," which took second place in the Cosmopolitan club's recent play contest. David Bronson and Catherine Coffman will play the leads. The price of admission will be \$1.25.

Union Will Have Trophies in Future

Committees Now on Lookout For Old Time Records and Pictures of Old Time Athletes

E. B. Pierce was re-elected president of the Minnesota Union Board of Governors at a meeting of the board yesterday. Leighton Smith was elected vice president; James McRae, secretary; and J. C. Sanderson, of the School of Mines, was re-elected to the office of treasurer.

A committee on University records and trophies was established by the board for the purpose of collecting old pictures and records of the University to be framed and hung on the walls in the Union, or placed in trophy cases. William Kelley was made chairman of the committee, with William Reppeto as his associate member.

The committee is now on the lookout for old-time records, pictures, or trophies won by Minnesota athletes in the past. An appeal is made to all students and members of the alumni for the giving or loaning to the Union of such records or trophies of the World War. Due acknowledgment will be made for any donated or loaned record exhibited in the Union. War trophies are especially desirable, as there is not a single record of the war in the University today, to the knowledge of the committee.

A. J. Lobb Leaves for Business Convention

A. J. Lobb, comptroller of the University, left last night for the University of Iowa, where he will attend a meeting of secretaries, treasurers, and business managers of colleges and universities in the United States.

This meeting is to take place today and tomorrow and will constitute the eleventh annual convention of the business managers. Here matters of policy, methods of finance and accounting will be discussed and voted upon.

William H. Bates, secretary of the University of Iowa, is completing his fourth year as secretary of the national organization. U. H. Smith of the University of Indiana is president of the association. Mid-west institutions originally composed the association, but has grown to take in the major portion of the Universities in the United States, and is truly national in every respect.

Phi Beta Kappa's To be Named on Cap and Gown Day

Exercises to Be Held May 12 in Armory—Open to All Students Desiring to Attend—Program Opened By All-Senior Pres.

Admission to the Cap and Gown Day exercises of the class of 1921, to be held Thursday, May 12, in the Armory, will be open to all students, and others who desire to attend, according to announcement yesterday from the committee in charge of arrangements.

"We are anxious that the University-public turn out in full force," said Clara Cross, chairman of the committee on Cap and Gown Day. "The exercises are an important part of the series of events which will close with graduation of the senior class in June, and a large audience of students will be a tribute to the graduating class."

Honors to be Announced
The feature of the program will be announcement of the honors gained by the seniors, including elections to Phi Beta Kappa, and the winners of the various scholarships offered. The program will be opened by presentation of the class to President Coffman by Vernon Williams, all-senior president. A reply will be made by the president.

The senior classes will march into the Armory in order, the oldest college leading. The parade will be led by Vernon Williams and Helen Hauser, president of Cap and Gown. They will be followed by Mortar Board, honorary senior girls' organization, and by the various men's honorary organizations. Officers of the various senior classes will be next in line. Next in order will be Mortar Board, honorary senior girls' organization, and the various 'honorary men's' organizations.

Doty, Speaker Tonight, Army Camp Builder

Paul Doty, veteran builder of cantonment camps during the war, has been secured as the chief speaker at the All-Engineers Pre-election banquet and get-together in the Union tonight. Mr. Doty is highly recommended as a speaker by all who have heard him. Charles L. Pillsbury, valuation expert, says of Mr. Doty, "He is the best man that could be obtained anywhere in the Twin Cities for your banquet." A prominent professor in the Engineering College declared, "You never want him to stop."

Mr. Doty is an outstanding example of the successful engineer. A graduate of the Stevens Institute, of Technology, he worked his way up to the vice-presidency of the St. Paul Gas Light company. At present he has retired from active engineering work, and is connected with the St. Paul Trust and Savings bank. During the war he was appointed lieutenant colonel of Engineers in charge of cantonment construction, which enables him to speak with authority tonight on the subject, "War Emergency Construction."

W.S.G.A. Presidents Attend Convention

Isobel Rising, Catherine Sweet and Dorothy Shaddock left last night for Madison, Wis., to attend the annual conference of Women's Self Government associations of the middle west, Thursday, Friday, and Saturday of this week. The retiring president and the newly elected one are sent from each college belonging to the Mid-Western association.

Problems and plans for student government will be discussed at the session. Miss Rising, who has been secretary for the past year, will make an address before the association. Last year she attended with Elizabeth Forsell, president of the W. S. G. A. during 1919-20.

Cadets Initiate One Major, Four Captains

Scabbard and Blade initiated five new members May 3, with their famous red hot treatment. The cadets are Cadet Major George D. Reed, Captains Victor E. Young, Leslie Buck, Stanley D. Travis, and Rudolph Kuhlman.

The annual Scabbard and Blade banquet and formal will be held at the Town and Country club May 12.

BADGERS ARREST CAMPUS "GOOFS"

Madison, Wisconsin, May 2.—A student police court to administer quick justice to all violators of University traditions has been established by the Student Senate. Any member of the faculty or any student who is found guilty of violating Wisconsin traditions or the Badger code may be brought before the court by anyone who wishes to make the "arrest." The police court holds sessions each day from noon until 1:30, and student magistrates, elected by their classmates, deal out punishment as the occasion demands.

Women's 'U' Club Discuss College Apartment House

Annual Meeting to Be Tonight—Organization Formed to Provide Comfortable Living Quarters for Members

The annual meeting of the Women's University club will be held today at 7 p. m. in Shevlin hall. Reports of officers and committee chairmen will be given. Reservations for dinner should be made before 6 p. m. with Mrs. Sarah Van Dusen in the General Extension division.

The club was organized in the fall of 1919 and has been a dynamic organization ever since. Its object is to aid in providing comfortable living conditions for its members and give them an opportunity for social and professional contacts. There are general meetings held every six weeks and the Tuesday informal luncheon is a weekly occurrence. At present a University apartment house is the project under consideration. Questionnaires have been sent out to 400 women in teaching and administrative positions to obtain definite information about the need of an apartment house that will be open to both men and women.

At present there are 62 members representing at least 36 different departments. Membership is open to any member of the teaching staff, library or office department, who has a college degree. The meetings have proved to be worthwhile get-togethers. June 4 and 5 the annual house party will be given at Lyman Lodge.

Dean Jessie S. Ladd, chairman of the nominating committee, will announce the nominees at the meeting tonight. The present officers are: president, Hermione Dealey; vice president, Marion Weller; secretary, Alice Biester; treasurer, Esther Greisheimer.

Electricians to Fry Eggs on Ice at Show

Weird Phenomena, Ventriloquist Act, Beauty Parlor, Dancing, on Program

Arrangements for the Electrical show, to be given on the nights of March 13 and 14 by the electrical students, are rapidly nearing completion. Surprises and shocks will be plentiful.

Many exhibits of weird phenomena will be demonstrated. The "hard-boiled engineers" will actually fry eggs on ice. All guests will be invited to visit the "Krazy House," where samples of the "latest in hair-tonics" will be distributed. "An original ventriloquist act will be performed, and a first-class beauty parlor will be available for venturesome co-eds. The real attraction, however, will be kept secret. There will be appropriate souvenirs for the ladies.

Guests who survive the ordeal will dance in the auditorium of the Main Engineering building. The entire electrical department, under the direction of Basil Maine and Ray Sweet, is hard at work on the show. Admission will be by invitation only.

Frosh Engineers to Have Meeting Today

The freshmen engineers will meet in the Engineering auditorium today, at 1:10 for a business meeting. Plans for a dance to be held one week from Friday will be discussed, and a rouser for the support of the engineer ball team will take place.

Noted Law Expert Is Convocation Lecturer Today

Speaker Well Known as Authority on Subject of International Relations—Versailles' Problems Form Subject of Address.

"Some Problems of the Versailles Conference" will be the subject of the speech of David Hunter Miller at convocation today. He has made a very careful study of American international relations, and is one of the foremost authorities in this field.

Articles written by Mr. Miller have appeared in many of the leading publications. He is also noted as a lecturer, and has spoken at most of the universities throughout the country. Before coming to Minnesota, Mr. Miller delivered several addresses at the University of Indiana, dealing with the international situation at the present time.

Mr. Miller has held many positions of prominence and his opinion has often been sought when problems arise. He was legal advisor to the house, and later became advisor for the American Peace Commission. In this capacity, he aided in drawing up the final copy of the covenant of the League of Nations.

Sophomores Decide On Class Boat Trip

Dancing Features Meeting Which Combine Business and Pleasure

Demonstrating that business can be combined with pleasure, 80 sophomores from all colleges at luncheon yesterday completed plans for an All-Sophomore boat trip to be held the latter part of this month, and then danced during the time that remained.

According to the committee appointed to secure information on the proposed trip, the Red Wing Navigation company has barges available which will accommodate 1,000 people. The barges may be secured for an afternoon and evening for \$150. Dean Mickelson, an enthusiastic supporter of the project, has promised that sophomores who secure tickets will be excused from classes for part of the afternoon. In view of this, there should be no difficulty in selling the required number of tickets.

Sophomores manifested much enthusiasm for the trip, as it will be the only All-Sophomore event this year. Because the traditional sophomore vaudeville has been prohibited, Leroy Grettum, all-sophomore president, presided at the luncheon. About 30 cadets attended the luncheon. A novel method of introduction was used at the meeting. The men and women were lined up and paired off, and then took their places at the table.

Courses Completed By Correspondence

Incomplete Work Is Made Up Under University Department in the Summer

The University Correspondence courses offers the University student an opportunity to make up incomplete work during the summer months, according to Mrs. Van Dusen of the Correspondence department of the General Extension division. In this way students can work during the summer vacation and still take up University courses, she added. The number of people taking correspondence courses are continually increasing. Most of these people are Minnesotans. The others are scattered throughout practically every state in the Union. Courses are offered to the older people as well as the younger. The most popular of these courses are economics, rhetoric, history, and business subjects. At the present time the Extension division is trying to arrange a plan whereby laboratory courses may be offered to correspondent students.

Beside these University courses and courses for older people, the Extension division is offering a regular high school course. Subjects taken in this course count toward University entrance requirements. Regular examinations are given under the supervision of the local high school board.

Engineers Gather Tonight For Annual A. E. S. Banquet

STUDENTS FILL PRINTERS' JOBS

Lafayette, Indiana, May 2.—Student editors of the Purdue Exponent, daily newspaper of Purdue University, have sent out an emergency call for student printers and newspaper men. An unannounced strike of local printers curtailed publication of the Exponent for several days and students on the campus are volunteering their services in the printing shop. More than 100 students already have responded, among them several co-eds who can operate linotype machines. The emergency is expected to result in the administration of Purdue granting an appropriation for a campus printing shop for the publication of all University periodicals and bulletins.

Candidates For Engineer Election Chosen Tomorrow

Officers of A. E. S., Members of Book Store Board of Directors, and Engineering Student Councilors Are to Be Picked

All-engineering election takes place Friday, 8:30 to 2:45, when officers of the A. E. S., members of the board of directors of the book store, and representatives to the Engineering Student council will be elected.

Candidates for offices in the A. E. S. are as follows: President, W. O. Forsell, Ed Mikesh, Glen Westgard, P. H. Williams; vice-president, Douglas Manuel, Clifford Swanson; secretary, Richard Hennessey, Hibbert Hill, Merle Tuve; treasurer, E. F. Carlson, Robert Murray, John Wilde.

Candidates for board of directors of the book store are: Electricals: L. A. Grettum, M. F. Wichman; Civils, A. E. Horskotte, Earl Lund, Clifford Nyval; Mechanicals, Chet Bros, George Foltz, C. M. Glidden; Chemists, R. Scandling, R. Paulson; Architecture, Donald Graff, N. R. Moore, Frank Moorman.

Representatives to Engineering Student council: Junior electricals: H. Dahl, R. Heidelberg, T. H. Williams; junior mechanicals, C. E. Hemsey, C. F. Olmstad; junior civils, Geo. Bailey, C. K. Palda, L. E. Teberg, Paul Koob; junior architects, Paul Damburg, William Wilmer; sophomores, Merle DeForrest, George Foltz, H. Peckham, A. Perlman, Chas. Skarold; freshmen, George Bestor, W. E. Kendall, Joseph Meagher, H. D. Beck, John Daly.

Amendments to the Constitution of the Guard of St. Patrick to be voted on are: (1) The substance of the amendment is such as to permit schools to celebrate on days other than St. Patrick's Day, and also to broaden activities not at present provided for. N. B. This does not interfere in any way with Minnesota's present method of celebration. (2) The petition of the Engineers of the University of Colorado for admission into the Association of Collegiate Engineers is favorably accepted.

Kregal Speaks in Contest Tonight

Minnesota will be represented in the Northern Oratorical contest at Iowa City tonight by Harry Kregal, winner of first place in the annual Pillsbury Oratorical contest held Tuesday, April 12. Kregal will speak on "The Problem of the Immigrant—The Problem of America," the same speech he used in the Pillsbury contest.

The Northern Oratorical contest is an annual affair and is the biggest forensic event of the year in this part of the country. Six midwestern universities, including Wisconsin, Michigan, Illinois, Iowa, Northwestern, and Minnesota will compete for the prizes. The winners of first and second places receive prizes of \$100 and \$50 respectively.

Minnesota's representative is decided after the annual Pillsbury contest; the winner of first place in that contest automatically earns the honor of speaking for Minnesota in the inter-collegiate meet at Iowa City.

Student Office Candidates to Be Presented—Platforms to Be Outlined

PAUL DOTY PRINCIPAL SPEAKER OF EVENING

Program Will Be Run Off on Schedule—Affair Will Be Given at Union

"A regular engineers' banquet, in regular engineer's style," is the promise of the committee in charge of the annual A. E. S. banquet to be held in the Union ballroom tonight at 6:00 p. m. Final preparations were completed yesterday, and everything is in readiness for the evening's entertainment and business.

This is the biggest get-together, good for all engineers, architects and chemists.

Candidates for Platforms
All candidates for student offices will be presented at the meeting. Candidates for president of the A. E. S. will outline their platforms.

Paul Doty, who has been highly recommended by Charles Pillsbury, will speak on "War Emergency Construction." Mr. Doty was formerly vice president of the St. Paul Gas and Light Works and also served as superintendent of war emergency and cantonment construction.

Many Events on Program
Each part of the program will be run off on time and the meeting will close at 8:30 sharp. Following is the schedule of events:

- Banquet 6:00-6:45
 - Doug. Manuel's Orchestra 6:00-6:20
 - Timekeeper 6:20-6:21
 - George Lindsay, toastmaster 6:21-6:23
 - Candidates
 - W. O. Forsell 6:23-6:28
 - E. Mikesh 6:28-6:33
 - P. H. Williams 6:33-6:38
 - Glen Westgard 6:38-6:43
 - Toastmaster 6:43-6:45
 - Engineer's Quartet 6:45-6:50
 - Debate, "Resolved, That the engineering curriculum should contain a pre-engineering course embracing two years of academic work"
 - C. G. Eubank, Affirmative 6:50-6:57
 - S. A. Berg, Negative 6:57-7:07
 - C. G. Eubank, Rebuttal 7:07-7:10
 - Dean Leland, "The Engineer's First Job" 7:10-7:20
 - Dr. Holman, "Fundamentals" 7:20-7:25
 - Dean Nicholson 7:25-7:35
 - Carlos Del Plaine, Editor-in-chief Technologist 7:35-7:42
 - H. W. Jacobson, Manager of Bookstore 7:42-7:50
 - Engineer's Quartet 7:50-7:55
 - Mr. Paul Doty, "War Emergency Construction" 7:55-8:25
 - George Lindsay, "Goodbye" 8:25-8:30
- Tickets may be purchased for 70 cents at the book store. They will not be sold at the door. Freshmen are especially urged to attend.

Girl Killed in Fall From Runaway Horse

Inexperienced Rider Unable to Control Animal—Was S. L. A. Sophomore

Thrown from her horse when it bolted on Lake of the Isles Boulevard, Katherine Nolan, sophomore in the S. L. A. college, died Tuesday evening in Eitel hospital from her injuries.

Miss Nolan was an inexperienced rider, having attempted riding only once previously, and was unable to control the animal when it became frightened, and started on a mad dash down the boulevard. She clung to the pommel of her saddle, screaming for help, till the animal threw her as it rounded a corner.

Dr. J. B. Shalett, Plaza hotel, saw the accident, and removed her to the hospital, where it was found that she had suffered a fractured skull.

Miss Nolan, whose home is at 557 Rondo street, St. Paul, was riding in company with Marguerite Matthews. Her companion, a more experienced horsewoman, was instructing her when the accident occurred. Despite Miss Matthews' efforts to catch the runaway horse, it got beyond control, and she was unable to reach it. On the campus Miss Nolan was prominent in athletic activities, having taken several prizes in swimming contests. She was 22 years old.

EAST AND WEST!

The following editorial was printed recently in the New York World.

"The mass meeting of the protest in which 4,000 students of the University of Minnesota took part seems to have been a unique academic demonstration. The aggrieved undergraduates did not gather to denounce their faculty for interfering with athletics or restricting personal liberty. They met 'not as University students but as citizens of the Commonwealth of Minnesota,' to exhortate the State Legislature for cutting the University budget. The spectacle of Minnesota students rallying to the defense of their college against the curtailment of its educational resources is interesting. Is student life taken more seriously in the West? There have been student revolts and rebellions of all sorts, but a political demonstration on the campus to overawe a legislature has a novel aspect. It may be said to reflect in the best sense a sober purpose and the possession of convictions which are not always associated with undergraduate ideals."

The above statements explain themselves. It took the east, with its sense of fairness and discrimination to see what those immediately about us failed to observe. Twin City newspapers, like their smaller sisters throughout the state, grasped upon the situation as a sensation of sensations. In their zeal to see it appear as a really good story, they lost the point of view.

The idea went out into the state, therefore, that Minnesota students defied their President, met as revolutionists, and as a mob of headstrong, irresponsible students, conducted a disgraceful meeting for which the students responsible should be expelled from the campus.

Sectional loyalty is an admirable thing, but sometimes there are occasions when one must feel a bit embarrassed at the stand of one's neighbors. This is such a case. While Minnesota newspapers saw the entire meeting as a riot of disorder and printed white-hot editorials deploring conditions at Minnesota, it took far off New York to see through the right end of the telescope. Local newspapers well could profit by the example set by their larger metropolitan sister.

Teacher Shortage In State Serious

Report of Department of Education Expresses Need For Additional Instructors

That Minnesota faces a serious shortage of teachers for the session of 1921-22 is apparent from the report made by the Department of Education following a careful survey of the teacher and salary situation in the state. According to this statement, there are only a few schools of any size in the state which do not need more teachers in both elementary and high school departments.

E. C. Selke of the bureau of appointments in the College of Education, when interviewed today about this shortage of fully qualified teachers, expressed the belief that the shortage would continue to be a menace to the welfare of the schools as unqualified teachers would have to be secured to fill the vacancies with the result that educational efficiency will be lowered. Mr. Selke believes that it isn't the question of salaries which accounts for the fact that there are only 1,650 teachers in training when there is a demand for over 2,000. "It's just because," concluded Mr. Selke at the end of the interview, "we are not getting enough students in our schools of education."

Newspaper Sorority Admits Six Members

Nu chapter of Theta Sigma Phi, honorary journalistic sorority, admitted six new members on Tuesday, May 3, at the Curtis hotel.

Initiation services for Alice Townsend, Marjorie Bonney, Ethel Wink, Helen Gilbert, Hazel Moren, and Olga Andersen were conducted by Opal Cannon, national grand treasurer of Theta Sigma Phi. Miss Cannon, who was graduated from the University of Illinois last year, was guest of honor at the formal dinner given for the initiates following the services. Mildred Hogan, toastmistress, introduced Alice Townsend, Hazel Moren, Marjorie Bonney, and Olga Andersen.

Fifty Students Are Tau Beta Members

Tau Beta Pi association is the outstanding honorary society in the technical field. It bears the same relation to engineering and similar studies as Phi Beta Kappa does to literary scholarship.

The mother chapter of the national organization of Tau Beta Pi was established at Lehigh University in 1855 as a result of the rapid increase of activity and interest in the study of engineering. Its object was "to foster a spirit of liberal culture in the technical and scientific schools of America," and to mark in a fitting manner those who have conferred honor upon their Alma Mater, either by a high grade of scholarship during the course of their undergraduate work, or by attainments as alumni.

There are about 35 chapters of the association in the United States, with a total membership of about 8,000. The badge is a watch charm or scarf pin of gold, shaped like a trestle.

Ascension Festival at St. Matthew's Church

University of Minnesota students are especially invited to attend the Ascension Festival at St. Matthew's church, Carter and Chelmsford avenues, St. Anthony Park, on Thursday, May 5, at 8 p. m. The choir of St. Mark's church, under the leadership of Stanley R. Avery, will take part. The program of music:

The Homeland, Sullivan; The Lord is My Shepherd, Koschat, male chorus; Hosannah, Granier, Dr. Moorhouse and chorus; Seek Ye the Lord, Roberts, Mr. Jaffray and chorus; Lift Up Your Voices Now, S. R. Avery, Mrs. Gertsen and chorus; Unfold Ye Portals, Gounod.

Delta Sigma Rho to Elect at Banquet

Honorary Forensic Fraternity to Vote on 5 Candidates at Annual Dinner

Election of those eligible to membership will be the feature of the annual banquet of the Delta Sigma Rho, honorary forensic fraternity, in the banquet room of the Minnesota Union Friday, 6 p. m.

Participation in intercollegiate forensics qualifies a candidate for membership. Those who will be voted upon Friday night are: John P. Dalzell, academic '23, David Goldstein, academic '23, Lea T. Todd, academic '23, Morris Greenberg, law '23, and Harry Kregal, law '23.

Professor F. M. Rarig, of the public speaking department, will act as toastmaster. The list of speakers includes W. I. Norton, state representative, who led the recent University budget fight in the House; Stanley Houck, a Minneapolis attorney; A. W. Olmstead, secretary of the University extension division; Claire Wilkert, law alumnae, and Haldor B. Gislason, former faculty member.

For the first time in the history of the Minnesota chapter, formal initiation will be a requirement for admission. This will take place later in the spring. The Delta Sigma Rho takes in, on the average, six new members at Minnesota each year.

Thirty alumni, faculty, and student members of the fraternity will be at the banquet. Fred Ossanna is president of the local chapter. The national chapter of the Delta Sigma Rho was formed in 1906. At the present time there are 25 chapters, one in each of the leading Universities of the United States.

Student Composers Sell Comedy Skits

Kitzman and Gallagher Place Three Dramatic Pieces With Eastern Booking Agency

"Nowadays," a playlet, "Just Imagine," a musical skit, and "The Kasha Road," a one act play, all written by Francis R. Kitzman and Thomas Gallagher, students at the University, have recently been sold to the Dwight Beaucamp-Lester agency of Philadelphia. Bookings have been made for eastern and southern vaudeville circuits.

The authors of these plays have been associated as collaborators for various university publications, including the Minnehaha and the Foolscap. They have also composed and written several musical skits, including "Tut Tut! Henrietta" of the Tri Delta Frivolite last year.

Mr. Kitzman is a senior in the academic college, while Mr. Gallagher is a senior in the Law college. They have agreed to submit acts and playlets of a similar nature to the same agency for the coming season.

Music Club to Give Program This Noon

The Music club will meet at 1:30 today in the Music building. The program is: Sonata for piano and violin, Op. 8, Grieg, 2nd and 3rd movements, Marguerite Boege and Mr. Pepinsky; piano prelude and Rigaudon from Holberg Suite, Grieg, Hazel Catur; voice, Lovely Night, Ronald, The Star, Rogers, Wilma Loomis; piano, Norse Sonata, MacDowell, 1st movement, Helen Caulfield.

New Lunch Room to Occupy Place of Old Tobacco Store

Wandering alumni of the University to view the old familiar surroundings, will miss one of the most prominent landmarks.

The old "College Man's Headquarters," a small building at 25 Fourteenth avenue southeast, which long housed the students' cigar store, is being razed by wreckers to make room for a lunch room.

The building has been empty since 1917 when Art Glegee, last of the student proprietors, locked up the place to enlist. Since then several attempts have been made to restore the place to its former popularity but it finally was leased to a downtown dealer who allowed it to stand idle rather than provide competition to his own store.

"The College Man's Headquarters" once had a reputation as a betting center, especially on conference football games, and delegations of sporting men from downtown Minneapolis often came over to study the bets being posted by the students.

CAMPUS CONTRIBUTORS COLUMN

"STOP THIEF"

"Stop Thief," the recent movie success, will be presented Saturday, May 7th, by members of the senior class of the University High school.

The play is clean comedy built on an interrupted wedding, the misfortunes of a kleptomaniac-by-suggestion, and on the daring chance taken by a young burglar and his fiancee on their last "job" which is to rob an absent-minded New Yorker's mansion. To escape, the pair involves the proposed son-in-law with his fiancee's family, and the entire household is accused of a "collective mania" attempt to burglarize themselves. The production has been coached by Miss Rewey Belle Inglis, and the play, under observation at a recent rehearsal rapidly is assuming the desired finesse.

Results from the High School Dramatic club are noticeable in the play. The club has contributed to the interests of the University, and hopes to prove a growing and fruitful source of training for pre-University material. The publicity committee, and the attractive work of the Senior Vaudeville has gained recognition sufficient from the alumni and general public to dispose of practically all of the tickets.

—Robert Reynolds.

BOOK OF RUTH

A woman stands in the path of Time, Patient, with seeing eyes, In the far-off land of another clime, Where the House of David lies.

Gleaning in sufferance of soul, She follows the reapers' moil, And I read my Hebrew scroll, Stained with the same dark soil.

In the parchment I laughed to scorn, I can see her wistful face, Through the vista of years long born That the Hebrew letters trace.

She calls to me through the dust Of the ages that lie between— In her eyes is the faith-wrapped trust Of the things I have never seen. —John Girault.

Frosh Get Campus View by Orientation

Orientation, under the general supervision of Professor J. I. Parcel, is a part of the freshman Engineer's curriculum this year.

The course consists of a series of lectures by the heads of the various departments in the College of Engineering.

Once each week the Frosh assemble to hear a treatise on the work done by the different departments of the college. Thus he gains a birds-eye view of the different phases of engineering work.

Interesting Versions of the Summer Hat

Many's the different type of summer hat,—or sports hat, one might rightly name it for this day and age. There's the trig little hat for true sports wear, tennis, motoring and so on. Then there are the graceful straw and silk creations, and the hats bedecked with flowers with just the right amount of feminine element combined with the sports features. Prices from \$5.00 to \$25.00.

Ribbon Hats

Hold unusual charm and afford wonderful service for almost every type of summer activities. And they are shown in such a variety of colors, that one hardly knows which to choose and which can't resist.

Garden Flowers Adorn Smart Hats

And of all the flowers, lilies of the valley and daisies, lead—they are used in great heavy wreaths about the straight brim or drooping straw hats and bring with them an air of summer one can't resist.

Sport Hats Are Many and Dashing

Yedda braids and novelty chain stitch braids have been developed into clever feminine models—embroidered in wool yarns or chenille, or trimmed with hand-made Georgette or Organdie flowers.

The Newest Note in Millinery is a hand enamel band of patent leather for sports hats—introducing stunning color schemes in new designs.

Millinery Section—Second Floor.

Dentists Have 7423 Patients in Half Year

The Dentistry college has treated 7,423 patients since October 1, 1920. Students are treating on an average of 30 persons daily. During the winter quarter 60 patients were treated in one day.

A definite course of procedure has been established because of the large number of people desiring dental work at the college. All patients are registered and then examined by students. The work to be done is prescribed by the students, and then passed upon by a doctor. All work is overseen by an instructor. Patients are charged only for the materials used.

The majority of those desiring treatment come from Minneapolis and St. Paul, although many come from adjoining towns.

What's Happening On The Campus

Thursday, May 5, 1921
 11:30 a. m. Special convocation in the Armory. Mr. David Hunter Miller of New York is the speaker. Special music.
 4:30 p. m. Rev. C. W. Wendell speaks, Bible class, room 200, Minnesota Union.
 8:00 p. m. Ascension festival at St. Mathews church. All University students are especially invited.

Friday, May 6, 1921
 5:30 p. m. Gopher hop in the Armory. Gophers will be distributed at that time.
 7:30 p. m. Ye Scribblers gather in Shevlin to make merry. All would-be Scribblers as well as those already in the work are invited to attend. 35 cents admission.

Sunday, May 8, 1921
THIS IS MOTHER'S DAY. DON'T FORGET YOUR REMEMBRANCES.

Senator Stresses Need of Chemists

Speaker Addresses Convention at Which Minnesota is Represented

"Chemical Warfare As a Means of National Defence," was the topic on which Senator Wadsworth of New York spoke at the annual convention of the American Chemical society at which Professors A. D. Hirshfelder and G. B. Frankforter were delegates from Minnesota.

Senator Wadsworth's speech was the most impressive one which was given at the convention. He highly favored the use of chemicals in warfare and was in favor of continuing the plants used for the making of gases and the like. He said, "I cannot believe that this country will never again be involved in war and I do not think that any sensible man can truthfully say he has such a conviction."

He announced the fact that the Edgewood Arsenal located at Edgewood, Md., would be maintained for the purpose of making chemicals to be used in war. There is a demand for chemists at this institution and salaries ranging from \$3,000 to \$5,000 will be paid for chemists, \$2,000-\$3,000 for associate chemists and \$1,400-\$2,000 for junior chemists. Further information and application blanks can be obtained from Secretary Rosenhagen at the Edgewood post office.

Representative Longworth of Ohio who is a member of the tariff committee, assured the men at this meeting that there would be a tariff on foreign dyes and encouraged the dye industry of the country.

There was a probable discovery of an anti-neurotic vitamin mentioned at the meeting.

Ags to Take Trip On Mississippi

May 26 to Be Half Holiday for Other Campus—Steamers Chartered

May 26 has been set as the date for the annual Agricultural College boat trip which is open to the students and faculty of the department of agriculture, forestry and home economics.

Thursday afternoon, May 26, has been declared a half holiday for Agricultural students. Lewis Crosby is in charge of general arrangements and has the following men working on special features of the affair: Tickets, Don Fletcher; publicity, Victor Christgau; chaplains, Charles Carney; entertainment, Roger Harris; and music, Hale Manuel.

Tickets will be one dollar each and dancing will be the main attraction outside of the boat ride itself. Dancing will be from two to five and eight to eleven. Students are urged to come by ones, twos, threes or more. It has been customary for the boys to furnish the tickets while the girls demonstrate their home economics ability by preparing a basket lunch.

The steamer "Red Wing" and the barge "Manitou" which is the largest combination of this kind on the upper Mississippi have been chartered for the event and will leave the foot of Jackson street at 1:30 p. m. and proceed down the river to or past Hastings; and return, possibly landing at Grey Island for the picnic supper, where games and races will be held if time permits. The return trip will be made in the evening.

Shakopean Discusses Tobacco Amendment

Roy C. Frank Suggests Possibilities of Federal Amendment—Two Members Elected

"The Possibilities of a Federal Tobacco Amendment," was the subject of a discussion by Roy C. Frank at the regular meeting of the Shakopean Literary Society Tuesday evening.

A debate on the question "Resolved That Minnesota should adopt a State Police System similar to that of the Pennsylvania State Police," was won by Alexander Miller and Walter Erickson, for the negative. The affirmative was represented by Alvin Johanson, and Rollo T. Crowell. "Psychology of Salesmanship" was discussed by Earl Bergh. William Bennett spoke on "The Law and the Legislature."

Two new members of the society, Carl Munck and Thomas McCabe, were elected to membership.

Maxine Miller, Lillian Borreson, and Elsie Ober were elected to membership in the Kappa Rho Literary society at a meeting of the organization yesterday.

Academic Council Elections May 11

Elections to the Academic Student council will take place Wednesday, May 11. Nominations should be given to Kenneth Owen, with a filing fee of 25 cents, and 25 signatures, before Monday noon, May 9.

The council is composed of the following members: Senior, three men, three women; junior, two men, two women; sophomore, one man, one woman. No one who has received a condition or flunk is eligible to run for membership.

Some arrangements have been made with the faculty as to the disposition of the honor cases, but plans have not been perfected as yet.

Frosh Girls Start Membership Drive

Campaign Starts Today and Is To Continue For One Week—Headquarters in Shevlin

Starting today, Bib and Tucker, freshman girls' organization, will institute a final campaign of the year to raise its membership on both the Academic and Ag campuses. Freshman girls in all colleges will be solicited to become members.

The campaign, under the direction of Helen Baldwin, president of Bib and Tucker, will continue for one week. Headquarters are in Shevlin Hall. Girls who are not reached by the committee are asked to communicate with P. O. box 2697. A membership fee of 25 cents quarterly will be payable on application. Plans for a Weiner roast will be completed at the conclusion of the campaign.

The object of the organization is to inculcate good spirit, friendship, and better organization among the girls of the class of '24. Other officers of the organization are Julia Patty, vice president; Mildred Tingdale, secretary, and Lyra Tyra, treasurer.

'23 Club Amendment Increases Membership

Two constitutional amendments affecting membership were adopted by the '23 club Tuesday evening. The club plans to take in more members this spring in order to have a full quota to begin activities next year.

Ray Cunningham, the first of several speakers prominent in "U" affairs, outlined a program of activity for the club. Ernest Hedlund was elected treasurer to fill the vacancy caused by the resignation of Tom Phelps. The following men were elected to membership: Henry Niles, Vernon Miller, Dwight Lyman, and Richard Sullivan.

S'More Sports

Varsity Net Team To Be Picked Soon

Successful Contestants in Peg Tournament to Oppose Former Team

A round-robin tournament which is to determine the members of the Varsity Tennis team will start this afternoon on the Minnesota courts. The peg tournament has been closed, and the four successful contestants in order of their rank are Holtzermann, Pidgeon, Simms and Kuhlman.

These men have won the right to compete with former members of the team, and those proving the most successful will compose the team of this year. Norton, Bros and Lewis are the men who formerly captured places on the team.

A schedule for the matches has been made up by Dr. Cooke and are as follows:

Pidgeon-Holtzermann, Friday.
 Simms-Kuhlman, Friday.
 Bros-Lewis, Saturday.
 Norton-Holtzermann, Thursday, May 5.
 Holtzermann-Lewis, Monday.
 Holtzermann-Bros, Thursday.
 Holtzermann-Kuhlman, Saturday.
 Simms-Holtzermann, Tuesday.
 Pidgeon-Norton, Monday.
 Pidgeon-Lewis, Tuesday.
 Pidgeon-Bros, Friday.
 Pidgeon-Kuhlman, Thursday.
 Pidgeon-Simms, Saturday.
 Simms-Norton, Wednesday.
 Simms-Lewis, Tuesday.
 Simms-Bros, Monday.

Y.W. Conducts Series Of Noon Meetings

The first of a series of noon meetings to be held by the Y. W. C. A. will take place Friday at 12:40 in the assembly room of Shevlin hall. Dr. John Sundwall, director of the University Health Service, will speak on "Mental Adaptability."

These meetings will be held at intervals during the month of May, and will be open to everybody.

Scribblers Give Party At Shevlin Friday

Scribblers' club will give a party Friday night at Shevlin hall. A short program will be given from 7:30 to 8:30 o'clock, after which dancing will occupy the Scribblers' attention.

Several surprises are due for this party. The nature of these surprises is not known, but according to William Abramowitz, chairman of the program committee, they are to be interesting.

All Scribblers, whether notified or not, are asked to be present, also any others who are interested in the club. A charge of 35 cents will be made.

When You Get Down to Work—
 on that theme or batch of lecture notes—you will save much time if you will let Corona help you.
 If you can't buy now, rent for a month and your rental will apply on purchase price.

Dr. Crawford of India Addresses Volunteers

Dr. Crawford, professor of English and rhetoric in Pangoon University, India, will address the Student Volunteers in room 104, Folwell, today at 4:30.

His subject will be "Need of America's Best-Trained Minds In Educational Work In Foreign Lands." The public is invited.

Chemists' Society Meets at Dunwoody

The Minnesota section of the American Chemical society held its regular meeting last evening at 6:15 at the Dunwoody Industrial institute.

Professors G. B. Frankforter and A. D. Hirshfelder gave valuable and interesting reports upon papers given and heard at annual convention of the American Chemical society which was held at Rochester, New York.

Fitting Our Orchestra To Your Dance

For example: did you ever stop to think about selecting the instruments to fit the acoustics of the hall. A cornet would be almost a necessity in a place as large as the armory, while at a fraternity house dance it would blow out too much.

Then there is the matter of novelty combinations: saxophone trios, two pianos, banjo orchestras and other unusual combinations that can be made a drawing card for your party. Too much of this thing however becomes monotonous.

However, there is more to arranging for an orchestra than saying, send me up five pieces. Talk it over with us. No obligations and you'll always find us glad to cooperate with you in planning your dance.

WINTERS RETURNS TO RUN HALF-MILE AGAINST AMES MEN

Coach Frank is Confident That Team Will Finish Well—Urges Student Attendance

SWEITZER, ANDERSON EXPECTED TO COUNT

Dawson, Arntson, Larson, Agrell and Canfield Will Run the 100 and 220

M. T. Winters, crack half miler, will be here to compete against the Ames sharks in this event, it was announced today. After some hesitation, the athletic board decided at its meeting to bring him back from the Range where he is studying with the school of mines department.

Fast Field

"Spike" is a corking good runner, and Coach Frank says that it will be up to him to "crack the Ames cracks." Ames, with all four of the members of their two mile relay team able to negotiate the half in less than two minutes, expects to clean up in this event, but Winters is a very capable half miler, and will dispute every inch of the distance with them. The fact that they are bringing him clear back from the range, shows what the athletic authorities think of his ability and his chances. Sweitzer may also run the half with Winters, but this is extremely doubtful as he is already entered in the mile, and the relay.

Sweitzer Running Mate

If Sweitzer and Winters both enter this event, Minnesota will be very ably represented. Winters is a big, tall, rangy runner, with a good burst of speed, and lots of endurance. He is in extremely good condition, and barring accidents, should be able to run a whale of a race. We are all familiar with what Sweitzer can do, provided he is in good condition, and from the way he has been going in tryouts, he seems to be in top form.

Anderson Ready

In the hurdles Minnesota appears to have more than an even chance of copying honors. Carl Anderson is going better than ever, and is clearing the sticks in superb style. "Andy" already holds one victory over the Ames stick-hoppers, and looks like a certain repeater. He will be ably assisted in this event by "Hank" Niles who is coming fast. "Hank" out for his first year in Varsity competition, has been showing excellent form, and lots of speed, and looks like a certain place winner. Minnesota should get, at least, a first and third, in this event.

Dawson, Arntson, Larson, Agrell, and Canfield will uphold Minnesota's end in the dashes. These men, while new and untried in Varsity competition, have been working hard, and showing lots of speed in their tryouts. They may be expected to grab off their share of the honors in the sprints and short dashes.

Team Needs Support

Coach Frank says that if the student body will get behind the team, they will give a good account of themselves. The boys have been working hard and are in excellent shape for the meet. If they lost it is because they are up against a better team.

Faculty, Students Clash in Ag Meet

Misses Anderson and Goldstein and Professors Lansing and Rayburn Compete

Students and faculty in the college of agriculture are offered an opportunity to show their skill at tennis in the tennis tournament which is to be held soon.

Miss Anderson, Miss Goldstein and other instructors in the home economics college will represent the women, while R. C. Lansing and A. B. Rayburn will uphold the honors for the men on the faculty.

Those desiring to participate in the tournament should sign up on the bulletin boards in the library and in the Home Economics building.

University of Michigan—Students at the U. of M. receive free medical attention from the University Health Service, which is supported by a portion of the annual students' fee. A staff of five physicians, two nurses and assistants devote their whole time to student health.—Industrial Collegian

ENTRIES ARE OPEN IN TENNIS TOURNAMENT

Dr. Cooke says that all men wishing to enter the All-University tennis tournament are notified to sign up at the office in the men's gymnasium before Saturday, May 7.—All men entering must report at this office Monday at 5 o'clock for the drawings. No names of men will be considered in the drawings who are not present at this meet.

Theta Delt, Kappa Sig Diamond Winners

McLaughlin Strikes Out 13 Batters in 5 Innings, and Scores Pair of Runs

Two loosely played games featured the third division battle in the interfraternity baseball league yesterday.

The Kappa Sigs won by a 3-2 score over the Chi Sigs. The Theta Delt came out on the long end of a 7-6 count by taking advantage of Acacia errors.

Kappa Sig's 3-Chi Sig's 2
McLaughlin was responsible for the Kappa Sig win, striking out 13 men in five innings, and coming through with a three base hit. However, the Chi Sig's presented a weakened lineup, and it was necessary to use Johnny Dobner, Phi U pitcher. Dobner pitched good ball, and cracked out two hits, but his support was erratic.

Batteries—Kappa Sig's, McLaughlin and Rudy; Chi Sig's—Dobner and Langford.

Theta Delt 7-Acacia 6

Not until the last man was retired could the winner be picked. Theta Delt took the lead in the fourth inning, when Morse hit a homer, giving his team 4 to their opponents 3. The Acacias came back and took the lead. However, by taking advantage of Acacia errors, the Theta Delt added three more counters. Boran of the Acacias hit a homer which tied the score, but the Theta Delt scored one more in the final inning and won.

Batteries—Theta Delt, Foster and Kueshner; Acacia, Walstrom and Keane.

Football Men Show Spirit in Practice

Early Morning Training Draws Large Number of Men to Northrop

Minnesota is due to possess a 1921 championship football team if half the pep and hard work now being put in by the spring squad can be turned into football ability. It takes real Gopher spirit to pull a tired college man out of a warm, comfortable bed at 6 a. m. in the cold morning and make him get out and wrestle an oval around a muddy field.

A good many of the men however, have shown this spirit. It was reported that the number is now around forty. These men have been receiving some real practice and it is probable that the team will be picked from the best of their number. Doc Williams has been putting them through some pretty stiff practice and he states that they are coming along in good shape.

Any other men who think they have any semblance of football ability in them are urgently asked to turn out. There is always room at the top for a good man, and it surely isn't going to hurt anyone even though it may be a bit more comfortable to be amid the feathers.

Map Company Jobs at Employment Bureau

The representative of the National Map company will be at the office of the Employment bureau from 2:00 to 4:00 o'clock today, for the purpose of interviewing any students who are interested in selling the new Minnesota State map during the coming summer.

This company gives a minimum guarantee of seven dollars per day to students who stay in the field for a period of sixty days or over.

Persons of the University of Ohio who wish to make a request for building appropriation have a chance to air their opinions in the Ohio State Lantern. Thus far pleas have been made for a new chemistry building, a new home for commerce and journalism.

'U' MITT ARTISTS SHOW WELL IN BIG SOCIETY SWAT-FEST

Horwitz Enters Finals by Thrilling Four Round Victory Over Davidson

MEETS FABEO FOR CHAMPION'S CROWN

Roberts and De Booy Put Up Great Battles—Show is Big Success

Fighting of the real red-blooded type marked the society mitt show given at the Kenwood Armory by the Theodore Peterson Post of the American Legion. University entries fared very well considering the class of competition they were in.

Horwitz Wins

Sol Horwitz was the first Minnesota man to make his appearance, and after four rounds of the hardest battling, was returned a winner. His opponent was Bill Davidson, a tall, rangy fighter, who carried a wicked punch. As a result of his victory, Horwitz enters the finals.

Horwitz started off well and took the first round by a neat margin. He landed several stinging punches, and had Davidson in trouble. In the second stanza, the going was not so smooth, however, and Sol was held even. The third round, Davidson won by a shade. By the judges calling the bout a draw, a fourth round was necessary. Horwitz took this by a neat margin. He landed much oftener and was the aggressor throughout, although Davidson landed the cleaner blows.

Roberts Fights Well

Dan Roberts, the second University entry, found the going a little stiffer. Although he lost the decision, the fight was so close that again four rounds were necessary. The first three rounds were nip and tuck affairs. Better condition was all that won for "Smiles" Fredrickson. Roberts lost the fourth round by the closest kind of a shade.

De Booy Loses

De Booy, the last Minnesota entry to make his appearance, did not fare so well. He was matched against Gilman, who fought a whale of a battle. Although De Booy lost the decision it was a close fight all the way. Gilman took a shade in every round.

but at no time was his advantage at all decisive. De Booy continually came up for more and was going just as strong at the finish as at the start. With coaching and experience, he ought to make a crack scrapper.

Barton Referees

The show was run off in A1 order. It started on time and every bout was run off as scheduled. George Barton refereed all bouts in his usual high class manner. Orren Safford, former "U" football star, served as announcer. Ed Walker and Carl Johnson acted as judges, and performed duties to the satisfaction of all.

Riding Club Meeting Is Open to All Girls

A meeting of the Riding club will take place today at 12:30 in the hygienic lecture room of the Women's gymnasium. All girls interested in riding are invited to attend, and join either the beginning or advanced class.
