

# TEACH-IN ON CJS

Air your views about the mass action at the Department of Criminal Justice Studies.

WED., MARCH 11, 10:00 - 1:00, COFFMAN MAIN LOUNGE

We will be discussing CJS and its relationship to:

Spiro T. Agnew  
The no-knock law  
John Mitchell and the Justice Department  
Fascism in Greece and growing fascism in America

Find out how our CJS is part of a national computerized police network.  
Find out the truth about police community relations programs in our neighborhoods and schools.

We will also discuss tactics for defending people against the indictments by building larger militant actions against CJS and against the courts.

The teach-in will be followed by a rally at Morrill Hall to confront President Moos about CJS and about those files which he succeeded in having removed before we arrived.
