

THE MINNESOTA DAILY

VOL. XII, NUMBER 14

THE UNIVERSITY OF MINNESOTA, FRIDAY, SEPTEMBER 30, 1910

FIVE CENTS THE COPY

WESTERN INTER-COLLEGIAN FEATURES MINNESOTA

"Varsity Athletics" Subject of Article in November Issue of Conference Publication.

Minnesota will be well represented in the November issue of the Western Inter-Collegiate Magazine.

This is a magazine edited by several students at the University of Wisconsin and is representative of all the universities in the western conference, containing material of interest to all. Harold Dane has charge of the correspondence from Minnesota and Joe Perry is in charge of the sales here. "Athletics at Minnesota" will be discussed in the November issue and it is expected that the magazine will be in big demand here.

BLOTTERS BOOM SUFFRAGE

Girls Incensed Over Partiality Shown Men in Distribution of Football Blotters.

Woman's rights have again been trampled upon at the University and as a consequence the membership in the Equal Suffrage club has increased to a surprising extent. The occasion for this was the refusal of the men giving out the football blotters to give any to co-eds.

Several of the fair sex, filled with enthusiasm over the football blotters and attracted by the beautiful pink color of the same, attempted to secure them but were politely informed that this was impossible unless they donned their brothers' apparel. The opinion seems to be unanimous that "men are just horrid, anyway."

CONFERENCE MEET HERE?

Board of Control Decides to Extend An Invitation to Other Colleges.

If the plans of the Board of Control are carried out, one of the greatest athletic events of the year will occur at Minnesota next spring. This is the conference track meet which has been held for the last few years at Urbana, Ill. There is little doubt that the conference, which meets in December, will accept the invitation which the Board of Control has extended. Last year the attendance from other colleges at this meet was between two and three thousand, so that the board is much elated at this opportunity to advertise Minnesota.

* * * * *
 * Roses have been known to bloom around Shevlin in farewell to the senior girls, but never have they been known to bloom in honor of the new freshman girls. Such, however, is the case this year. On the bushes alongside of the Shevlin walk two red roses were seen budding out with all the freshness and fragrance of spring.
 * * * * *

Abiding by the promise made last year, sophomore hazing will be abolished at the University of Wisconsin.

CHIEF REPORTS ACTION; POLICE INVESTIGATING

Corrison Says Gambling Charges Are Being Looked Into by His Men.

Chief of Police Corrison said yesterday: "If the gambling said to be carried on in the stores near the University is as flagrant and wide-open as reported, it will be stopped immediately. The matter has been reported to the East Side police and they are investigating conditions."

At headquarters it was stated that even shaking dice for "smokes" and other articles of trade was contrary to law, and that any such game would make the player liable to the full penalty, provided for violations of the laws against gambling. The presence of a nickel-in-the-slot machine would be sufficient cause for the closing of the place by the police. If, after investigations, conditions warrant it, arrests will be made and the violators prosecuted vigorously.

As yet, the police have made little progress and cannot say whether or not there is any foundation for the charges made.

Those behind the counters at the "smoke-shops" are apparently not disturbed in the least, while those in front of the counters laugh at the charges.

ROUSER TAUGHT STUDES

All Football Fans Requested to Become Familiar With Words of New Song.

Everybody is requested to learn the words of the Rouser before next Saturday. The band will play the Rouser in their concert before the game. An innovation will be a 38-calibre U. S. Colt revolver in the hands of one of the men which will alternate with the bass drum in providing breathing space in the siren yell.

No uniforms will be worn until the Ames game when the band expects to be in old time form. They will have their drill then and Drum-Major Cottingham has promised some new baton movements. New pieces have been added to the repertoire so the band expects to be better than ever.

ORGANIZE ROOTERS' CLUB

Mass Meeting to Be Held Tuesday at 4 O'Clock—Juniors and Seniors Eligible.

A mass meeting will be held in chapel on Tuesday, September 4, at 4 p. m., for the purpose of organizing a rooters club.

Yesterday the senior engineers from all four colleges met and decided to take the initiative in this movement. All junior and senior men in the University will be eligible.

GIRL MUSICIANS NOTICE.

The Girls' Mandolin club is in need of a cello and a flute. Any girls playing either of these instruments please notify box 1713 immediately.

UNIVERSITY SUFFRAGETTES VOTE AT RECENT ELECTIONS

Many Women Take Advantage of Opportunity—President of Association Interviewed.

It is not generally known that the Equal Suffrage association of the University, of which there are over a hundred members, took part in the primary elections this fall.

"Only a few of the more timid members," says Frances Parsons, president of the association, "failed to appear at the polls. But it is hoped that all will take advantage of their newly acquired rights in the years to come."

ACADEMIC CLASSES EXCUSED

Prexy Dismisses Third and Fourth Hour for Cane-Rush on Saturday.

"I will be very glad to excuse third and fourth hour classes next Saturday in honor of the cane-rush," said President Northrop Wednesday. This was in reply to a request made by Allan McBean and Adolph Holmer, acting as a committee of the Student Council. This applies only to classes in the academic department but it is hoped that steps will be taken to secure the dismissal of classes in the other departments as well.

FRESHMEN CONSTITUTE HALF OF ENROLLMENT AT FARM.

Increasing Enrollment in College of Agriculture Shows New Students in Lead.

Freshmen in the agricultural college this year constitute more than half the student body, there being 218 freshmen and 189 students in the other three classes.

In the school of agriculture, which opens October 3, registration is not as yet complete. About 700 have registered, but as a great number of students have registered but as a great number of students are busy on the farm until the second term, this number will be greatly increased. The enrollment for the year is expected to reach the one thousand mark.

The new dormitory, which is almost completed, will furnish room for 50 pupils. Seventy applications have already been received from freshmen girls in addition to the upperclass co-eds who want rooms.

No new courses have been added to the curriculum this year, but the courses in agriculture and home economics have been made considerably stronger.

Interest in agricultural education is increasing throughout the state, one hundred students are enrolled in the Agricultural High School at Morris and over two hundred and fifty in the school at Crookston.

MANUSCRIPTS WANTED.

Manuscripts, especially stories and essays, will be received by the Magazine up till Thursday noon. Place them in box 1669.

LOCKED CHAPEL DOORS AGAIN MENAGE STUDENTS

Fire Chief Canterbury to Take Action to Prevent Casualties in Case of Fire.

Because the chapel doors are still kept locked during chapel time in opposition to the city ordinance governing the exits of public places of gathering, Chief Canterbury aver that he is going to take more drastic measures.

He said: "I have spoken to them enough over there. I will go after them again and this time in a different manner."

He asserts that this practice has been continued despite repeated warnings and that the time for action has come. When the doors are locked, often from the outside, there remains only the two small exits which enter onto the platform. The chapel is not strictly fireproof because the floor platform and furnishings are all of wood which is very dry and inflammable.

STUDENTS' STORES SUCCESS

Say Backers of Co-Operative Supply House at Minnesota—Investigation On.

Communications with other colleges where co-operative book stores are in operation are still being made by the backers of the movement to establish such a store at Minnesota. Various plans are being considered and after more thorough investigation has been made, the plans will be presented to the student body for further discussion. Many of the colleges now have such stores in operation and they have invariably proved successful. In those places the schools are owned by students purchasing shares, and in that way the books are obtained practically at cost.

SOPHOMORES ARE READY FOR FRAY WITH FRESH.

Preparations to Defeat First Year Men Are Completed—Impatient for the Struggle.

Fifty, belligerent sophomores, determined to retain their laurels won in last year's cane-rush, met in chapel yesterday and devised ways and means to defeat the freshmen tomorrow. A committee of three was appointed to look up all the boxers and wrestlers in the class and insure their presence at the tryouts at 4 o'clock in the wrestling room in the Armory. If any are overlooked they are requested to put their names in box 2201.

Nelson was appointed leader of the sophomore forces and he delegated a man from each college to secure the names of all the sophomore in their respective colleges from the registrar. There will be a roll call held just before the rush and a list of the absentees will be kept. These will be dealt with summarily.

Dr. Richardson addressed a Y. W. C. A. meeting yesterday on the subject "Definiteness of Religion." He urged the girls to take up the work for the coming year with the idea of bettering campus conditions.

For being the best red-blooded,
whole-souled yellers and boosters, the
engineers must be given
credit. When they, once
get behind anything it
usually goes, despite ob-
stacles of fire, water, or
other conceivable materials. Now the
senior engineers have started a root-
ers' club.
They want all junior and senior
men from all departments to join
them in making the club a success.
They want all the help they can get
and they ought to have it. There is
nothing that is needed at Minnesota
right now more than a real, live root-
er's club, composed of men who will
follow a leader and when they get
their cue will stand by the cheering
until the last spectator has left North-
rop field.
This is to boost the rooter's club,
not the engineers, who have their
faults and virtues as well as the other
colleges.
But the engineers have started
something. Let's all get in on it.

**EWALD TO SPEAK AT
NOON Y. M. C. A. TODAY.**

"The Students of South America"
will be the subject of a talk by Mr.
C. J. Ewald, at the Y. M. C. A. at
1:10 today. Mr. Ewald is student
secretary of the Y. M. C. A. at
Buenos Ayres, Argentine Republic,
which is one of the largest student
centers in the world. The university
there is under the control of the na-
tional government, and ranks very
high from an educational point of
view. The medical college is the
only one of any standing in South
America, and is the largest medical
school in the world, supplying as it
does the demands of a whole contin-
ent.
Mr. Ewald graduated from the
University of Michigan in 1903, and
was picked by John R. Mott to be-
come the first student Y. M. C. A.
secretary in this South American
field.

UNIVERSITY CALENDAR.
Friday, September 30th.
1 P. M.—Cap and Gown election,
Shevlin.

C. A. building.
Saturday, October 7th.
10:30-12:30.—Freshman-Sophomore
Cane Rush.
3 P. M.—South Dakota-Minnesota.

Battery will drill Saturday at 1:45
this week.

EUTERPEAN TRIALS YESTERDAY
New Members Elected and Plans
Discussed for Coming Year
—Outside Trips.

The Euterpean club held its initial
meeting in Shevlin yesterday at 4
o'clock. Officers were elected and
plans discussed for this year.
Helen Rogers was re-elected pres-
ident; Lillian Houson, treasurer; Mil-
dred Langtry, secretary; Della Gould,
librarian.
A regular meeting of the whole
club will be held next Thursday af-
ternoon at 4 o'clock for both old and
new members. Every old member of
the club is so enthusiastic over plans
for the winter work that they are all
taking hold of affairs with a vim.
The first thing to be given this
year will be the Japanese operetta,
"O-han O-san," and work will be be-
gun on that Thursday. The Euter-
peans wish to get in their good work
before other musical organizations
get the start of them.
Trips will be taken to Faribault,
Eau Claire and Chippewa Falls be-
side other smaller towns.
The following are the successful
candidates: Ella Oie, Francis Mur-
phy, Lydia Cox, Jessie Phillips, Flor-
ence Elwell, Hazel Larsen, Ester
Larsen, Margaret Menzal, Marion
Gaylord, Grace Leck, Ebba Norman,
Theodora Stark, Nettie Larsen, Edith
Nootnagle, Hazel Emerson, Andri-
ne Warner, Sadie Boyson, Francis
Works, Mildred Borom, Arline
Peachey.

After a stormy session yesterday
the second-year day laws elected a
president and secretary. De Forest
Sias of Madison won the presidency.
F. S. McCargor was chosen vice-
president. No other officers were
elected.

The H. W. WILSON COMPANY
OPPOSITE THE GATEWAY

ADDRESSED LIBERAL ASS'N

Rev. Backus Spoke to Large Meeting of Association Yesterday
—Next Speaker Hutchinson.

Rev. Wilson Backus of the First Unitarian church addressed the University Liberal association yesterday in the Library. The audience, a good sized one for the second meeting, evinced great enthusiasm on Dr. Wilson's subject, "Liberalism as a Working bases," and the meeting in general indicated a spirit of inquiry into the specific problems of university religion.

The members of the association have high hopes for the coming year and expect to have addresses given before them by professors of the University, prominent men from over town and eminent visitors interested in their work. At the next meeting the subject of "Verbal Inspiration of the Bible" will be treated by Professor Hutchinson of the Greek department.

TICKETS ON SALE TODAY.

The exact hour when the season football tickets go on sale is 9 o'clock today. Tickets for Saturday's game will not be in the book. By filling out the required application card each student can obtain more than one ticket for the \$2, but no student can obtain more than one ticket nor can he sign the application card for any one else.

RECEIPTS HEAVY IN TREASURER'S OFFICE.

So far the indications in the treasurer's office are that the University will have a bumper receipt of fees. So far, \$70,000 has been taken in, and the way in which receipts are coming points to a much larger figure. Last year a total of \$148,000 was passed into the treasury. This year, Treasurer Bren expects the amount to reach the \$160,000 mark.

EXCHANGES.

A. Kovarik, former instructor in physics at the University, who studied the last year at the University of Manchester under Professor E. Rutherford, noted scientist and winner of the Nobel prize for his work in radio-activity, has been awarded the most important fellowship in the Manchester school of science. The fellowship was given for valuable research work in radio-activity. The regents have given him another year's leave in consequence.

Peter M. Gideon, a pioneer in the development of new fruit, and the originator of the Wealthy apple, has given \$500 to the regents, the income to be used in prizes for the best three essays on horticulture. All papers must be in by October 1.

A Phi Beta Kappa charter has been granted the University of Indiana.

Wednesday evening the members of the students' meeting committee of which Miss Eva Lam is chairman, gave a spread on the river bank. Twenty-three girls attended and very enthusiastic reports were given. College songs were sung in Shevlin afterwards.

The Best Candy that Money can buy

We've met many good fellows every year. We would like to meet you.
Drop in, introduce yourself, and meet our friends.

A cigar store run by some of the boys. **College Mens Headquarters**
"Bill" Howes, "Shanty" Norton, "Bunnie" Rathbun. 321 14th Ave. S. E.

"CAVEAT EMPTOR" is an admonition as old as old Rome, and it's a business idea just as antiquated.

When the Roman tradesman said "Let the buyer beware," he epitomized the conditions of that time; when we say, "Money Cheerfully Refunded," we crystalize the best feature of the commercial spirit of today.

We want you to know that we intend to give you complete satisfaction with every purchase, or, failing that, to give you back the purchase price of the goods. You will find that it pays to buy everything that you wear from head to foot here. It's something to know that any mistake is made at the expense of the seller and not of the buyer.

You'll take a real pleasure in buying goods that way; you'll take a pleasure in having them, knowing that your money is claimable should you change your mind. You'll take the greatest pleasure of all in wearing them because the goods that we sell are thoroughly in keeping with the way that we sell them.

Maurice L. Rothchild's Hart Schaffner & Marx Shape-maker suits and overcoats are for the youthful proportions of the college man, and "L-System" models are designed for just such chaps as you. \$18 to \$50. They cost enough to be good and they are good.

The same thing applies to M-L-R Stetson hats, \$3.50 to \$12; M-L-R Manhattan shirts, \$1.50 to \$3.50; M-L-R shoes, \$2 to \$7.

And another point;—because we mention the above specialized lines don't let it escape you that we have good hats from \$2 up, good suits beginning at \$10, good shoes as low as \$2.50, good shirts as low as \$1, should you feel that your price limit is such.

One parting word,—Gym suits \$2 each.
And,—have you seen us for your uniform?

**STIFF WORKOUT FOR TEAM;
MEN SHOW GOOD SPIRIT**

Coaches Put Squad Through Hard Practice—The "Dope" on Saturday's Contest.

Coach Williams put all football men through a hard practice yesterday. The early part of the afternoon was spent in falling on the ball and punting. Pickering, especially, got off some elegant punts and they soared down the field for a good distance. The men were then taken aside and given a lecture on "Football Sense." Later in the afternoon a short scrimmage was held between the first and second teams. A very spirited battle ensued between the teams and the way they tore things up was nothing slow. Each man had lots of spirit and jumped into the fray as hard as he could. Bob Marshall was shouting good advice to the ends and telling them the tricks of the trade. Earl Luce gave several valuable suggestions to the backfield men which ought to aid them a great deal in rounding into shape.

Bandelin and Shucknecht kept their freshman team in a continued scrimmage. Plugges through the line and end runs were resorted to by both teams and one would think there was a championship at stake the way they tore into each other.

Last Saturday was the first time the University of South Dakota team has been seen in action. They played a game with the Sioux City High School team and defeated them 22-0. They made a touchdown in each quarter but failed to kick goal twice. Rinchart, one of South Dakota's

strongest players, who would have held down the center position, wrenched his knee in the latter part of the game and probably will not be able to play Saturday. Several of their old men are back and they expect to give Minnesota a good run on Saturday. Many men have been trying for line positions and who will be selected to play has not yet been decided.

However, a good delegation is coming down and an excellent game is expected.

**TENNIS TOURNAMENT
IS WELL ADVANCED.**

Tennis Sharks Prey Upon Lester Men—Second Round Reached

Many of the first-round matches in the fall tennis tourney were finished today and by tomorrow the tournament will be well advanced into the second round.

Armstrong keeps on playing his steady, sure game that has won him so many honors and easily defeated Hodgman by a score of 6-1, 6-2.

Bellows defeated Farnum by a score of 6-1, 6-4. Farnum pulled up strong in the second set but was unable to overcome his opponent.

Wilder defeated Bleness 6-3, 6-0. Bleness got three games in the first set failed to break up Wilder's play at all in the second.

C. O. Gordon won from J. Thomas by default.

Twenty men will be publicly initiated into the Si Mu honorary freshman fraternity of the University of Iowa between the four quarters of the Drake-Iowa game.

Watch the Caps You Meet.

You wont need an introduction to our cap. It is not a mere head covering. There is no other like it. It bristles with style. Made of exclusive English cloth. It has American lines and "Kick."

STEP IN. TRY THEM ON. See how one will improve your appearance. You will be so pleased you will buy one.
