### STUDENT FRIENDSHIP FUND

All members of the Staff and others who still have contribution envelopes are asked to turn them in at Window 10, Registrar's Office. Additional contributions may also be left there.

### SPRING QUARTER FEES

1. Spring quarter fee statements are being mailed to all students now registered at the University. March 18 is the last date on which payment will be accepted without penalty. The penalty for late payment is \$2.00 until March 29, and on that date increases at the rate of \$1.00 per day until fees are paid. Students who must write home for money or make loans are urged to complete such arrangements within the specified time.

2. All checks, drafts and money orders should be made payable to The University of Minnesota, and should be accompanied by all three sections of the fee statement. In remitting by mail, the Bursar's envelope received with the fee statement should be used.

3. Remittances must be for the exact amount of the fee statement. The Bursar cannot accept checks, drafts or money orders for an amount in excess of the fee statement. Insufficient remittances will be returned to the student at his own risk. The student's registration will remain incomplete until his fees are paid in full.

4. Failure to receive a fee statement cannot be accepted as sufficient reason for late payment or non-payment of fees. Any student who does not receive a fee statement in his University post-office box within a reasonable time after March 1 may secure a duplicate fee statement at the Registrar's office. Students whose work takes them from the campus must inform the Registrar's office promptly of change of address.

5. Students using "War Service" tuition, trainees of the U. S. Veterans' Bureau, and of the State Division of Re-education, Foreign Government students, and beneficiaries of the scholarship funds of miscellaneous wartime agencies must secure the written approval of the Assistant Registrar on their fee statements and present them to the Bursar within the above time limit in order to avoid penalty for late payment.
