TEENS

Do you have a problem-solving attitude?

Are you industrious by nature?

Do you have an inclination to create and be resourceful?

Do you enjoy the satisfaction of goals accomplished?

Are you willing to sleep and eat in less than comfort?

Are you self-directed and motivated?

Are you concerned about environment?

Do you desire to develop skills and gain new knowledge?

Do you want to make a contribution in art, music, or drama to your community?

Inquire and volunteer your participation in your County Fair Arts-In—You'll be valuable!

RESOURCE PERSON IN THE ARTS

Would you give leadership to an arts program with a proving ground?

Do you want to use the arts as a tool for developing youth potential?

Would you be willing to share your knowledge of design, process, and materials, or your talents in music or drama with the teens of your community?

Volunteer your services. You're a must!
