Current information available from University of Minnesota Extension: <http://www.extension.umn.edu>

-Do you like young people?

-Do you feel there are many more "good" ones,
than "bad" ones?

-Do you like sharing what you know?

as we learn

Self-Management

Unit I—You're the Boss!

Who is on this team?

In home:

Parents and other adults responsible for youth.

Project meetings:

A county project chairperson works with county extension staff to recruit, train and help project leader.

You, the project leader:

You will present project lessons and provide a warm smile.

Learn the following essential skills:

- Make a simple meal for myself.
- Make my home, especially my room, a safer place to live.
- Do my personal laundry.
- Talk to others. Listen to others.
- Make some containers that better organize my things so I can find them more quickly and can get the jobs done more easily.
- Make **TIME** plans that work.
- Make simple repairs on my clothes and belongings.

EMENT PROJECT

Learn Management Concepts:

Values

Goals

Standards

Organization

Resources

To Make Decisions

When done intentionally results in:

MANAGEMENT

Management is directing your life.

It is feeling good about yourself.

Who you are!

What you can do!

Self-Management—You're the Boss!

- a new 4-H project that talks about the basic concepts needed to decide what you want to do with your life

Decision Making:

- facing a problem
- looking at all possible solutions
- considering their consequences
- making the decision
- evaluating the results

Values:

- discovering what is important
- using values to help make decisions
- respecting what makes each person unique

Organization:

- placing things where you can find them
- working in the best sequence
- matching jobs and people
- planning ahead, thinking ahead

Goals:

- working toward a long-range objective
- accomplishing planned tasks
- making a wish a reality

Standards:

- finding all the possibilities
- deciding how to distribute your resources
- challenging yourself by new goals
- describing a goal by a quality, quantity, performance or achievement

Resources:

- using money, time, and energy wisely
- discovering buried talents and skills
- increasing knowledge and ability by doing new projects
- caring for limited natural resources
