EXPLANATION OF MAP SYMBOLS

- **Roadway**: Indicates a paved or unpaved road.
- **Railroad**: Represents a railroad track.
- **River**: Denotes a major river.
- **Lake**: Marks a lake.
- **Forest**: Shows forested areas.
- **Soil borings**: Indicate borings carried out for construction aggregate.
- **Engineering test boring**: Represents an engineering test boring.
- **Record of water-well construction**: Indicates a record of water-well construction.

**DATA-BASE MAP**

- **Scale**: 1:100,000
- **Compiled by**: Gary N. Meyer and John H. Mossler
- **Issued**: 1999

**SOURCES OF CONSTRUCTION AGGREGATE IN THE SEVEN-COUNTY METROPOLITAN AREA, MINNESOTA**

- **Primary sources** include both references listed and information on file at the offices of the Minnesota Geological Survey in St. Paul.
- **Every reasonable effort** has been made to ensure the accuracy of the factual data on which this map interpretation is based; however, the Minnesota Geological Survey does not warrant or guarantee that there are no errors. Users may wish to verify critical information.
- **Users** are encouraged to consult site-specific verification, although the interpretation shown is rigorously correct, it should not be used to guide engineering-scale decisions without site-specific verification.
