GIRLS INTER CLASS BASKET BALL TOURNEY TONIGHT IN ARMORY

**All Teams Are in Good Shape—Many
Straight Tips Have Been
Received.**

Tonight the annual basketball tournament will be held at the armory. After weeks of practice four winning teams have been turned out.

The freshman team is the sure winner.

The sophomores can't lose. The juniors have a "lead pipe." The seniors have done it before. These are all "straight tips." Pick the winner.

With a loving cup from Hudson, five Minnesota banners from Thoen, and a midnight feed on the Varsity Lunch, as incentives, the tournament should be keenly contested.

The band will "keep things doing" before the games and between the halves.

Manager Day Oakes reports that the tickets are selling rapidly. Floor seats are reserved for college people and friends of the team.

Will Deering will referee both the preliminaries and the finals.

PHI CHI HAILS DELEGATES

**Fourteen Chapters Represented—
Many Social Functions
Are Arranged.**

The local chapter of Phi Chi, a national fraternity of pharmacists, will entertain delegates to the annual convention to be held in Minneapolis February 20, 21, 22.

Many affairs are being planned for entertaining the visitors, among them a theater party in St. Paul Thursday evening and a banquet at the West Hotel Saturday evening.

Business meetings will be held at the local chapter's lodge, 718 Fourteenth avenue SE.

Phi Chi has fourteen chapters in the leading colleges of pharmacy in the United States and delegates from each chapter will attend the convention this week.

PROF. BLANCHARD ON WESTERN IRRIGATION.

**Illustrative Lantern Slides to Be Used
—The Lecture Is Open to
Everyone.**

Next Tuesday at 4 p. m. Prof. C. J. Blanchard will lecture in the Physical Laboratory on "The Irrigation and Reclamation of Arid Lands in the West."

Mr. Blanchard is personally connected with the United States Reclamation Service and is an authority on this subject. Great interest is added to the lecture by the lantern slides illustrating the work as it is now being carried on in our Western states.

Faculty Responds Nobly With Building Pledges

**Faculty Day Proves Successful—Mass Meeting Next Tuesday at four
O'Clock—Every Student and Professor Expected
to Attend.**

Many new developments in the Men's building campaign came out yesterday.

As the Daily goes to press the total has now reached \$14,450, and the fund is steadily swelling.

Next Tuesday at four o'clock a monstrous mass meeting is to be held in chapel. All men in college and all the faculty should be present. "The Minnesota Union" is going to be formed. This will be an absolutely democratic organization, corresponding somewhat with the Harvard Union.

Every man is asked by the committee to attend the meeting.

The faculty campaign was started yesterday and proved very successful. It will be continued the rest of the week.

Classes from all the departments are holding special meetings. The middle laws yesterday subscribed \$800.

Other meetings will be held today.

ONLY FIVE DAYS MORE.

ELABORATE ENTERTAINMENT FOR VISITING ALPHA DELTS

**Three Days of Pleasure Arranged for
the Delegates—Business Ses-
sions in Morning.**

The Alpha Delta Phi fraternity announces the following program for their national convention which is in progress today, Friday and Saturday.

Thursday morning and afternoon will be devoted to business. Later part of the afternoon the delegates will go out to the Town and Country Club, where they will have their picture taken. From there they will visit the Minikahda Club to see some of the winter sports and enjoy a smoker.

Friday morning and afternoon will be taken up with business sessions with a reception at the fraternity house in the afternoon. In the evening they will banquet at the West Hotel.

Saturday morning will conclude business and the afternoon amusement will be furnished by a theater party.

Saturday night the delegates who remain will attend the basketball game.

DR. GAUNSAULUS IN CHAPEL

**"Studies" To Hear Great Orator
To-morrow—Seats Selling
Rapidly.**

Dr. Gausaulus will deliver his lecture "Savonarola" in chapel to-morrow night. The students will be given an opportunity to hear one of the best addresses that is offered to the American Public of today.

Dr. Gausaulus has been recognized both in America and abroad as one of the greatest living orators. While in London he spoke in Temple Court to an audience of seven thousand. Everywhere in this country he has been received with the greatest enthusiasm.

There are still good seats on sale at Wilson's and the Northwestern. General admission will be fifty cents.

Illinois was defeated in basketball by the Iowa team. The final score was 36 to 46.

PROGRAM FOR JUNIOR BALL OUT TOMORROW

**Great Excitement Anticipated—Deco-
ration Contract Given to
Dayton's.**

Friday is program day for the junior ball. A full list of the dances will be announced in the Daily and the downtown papers. This means that for an hour or so, property as well as foresight demand that those going get busy and fill out their programs before attending classes or anything else. So if you see dignified upper classmen rushing about Friday morning, totally oblivious of classes and professors, you may be sure they are racking their brains trying to discover how they can arrange a dance with "that girl" the other fellow got. The contract for the decorations has been awarded to The Dayton Dry Goods Company.

GYM TEAM WELCOMES FOSTER

**Gym Team Shows Form—Evening
Work Begins—Foster Out
in.**

The University gym team has been asked to take part in a contest to be given at the Y. M. C. A. gymnasium early in March.

Last Saturday's Exhibition evinced a marked improvement in the work of the gym team. Evening work has now commenced and Dr. Cooke is training the men in their individual stunts. Every effort is being put forth to prepare the squad for the intercollegiate tournament of April 1.

Next Saturday night at the Minnesota-Chicago game an exhibition of club swinging will be given by Herb Nelson and Tom Uzzell.

Foster who was seriously injured last year, will appear again with the squad.

**BE LOYAL
MASS MEETING NEXT THURSDAY
AFTERNOON**

THREE HUNDRED AND FIFTY STRONG FILL BANQUET ROOMS

**E. B. Johnson Reports—Enthusiastic
Gathering—Important Busi-
ness Transacted.**

The most successful annual banquet ever given by the Minnesota Alumni Association was held Tuesday evening in Donaldson's tea rooms.

Three hundred and fifteen alumni were present, many of whom were representatives of alumni organizations in the state.

Under the regular order of business, Secretary E. B. Johnson submitted his annual report which was approved and accepted. The treasurer's report will be published in the next issue of the Alumni Weekly.

D. P. Jones was elected Alumni representative on the University Council.

L. A. Page, captain of the Minnesota football team for 1900, proposed that the functions of the Alumni Athletic Association be turned over to the General Alumni Association, a committee appointed by the latter to elect the representative on the board of control.

Resolutions from the Northern Minnesota Association asking for a representative on the Board of Regents were read.

Messrs. Owen, Olson, and Lind of the Board of Regents were in attendance and the latter gave a short address in which he expressed his sympathy with the interests of the University and his purpose as a member of the Board.

Selections by the Y. M. C. A. quartet were interspersed thruout the evening and were enthusiastically received.

The Alumni adjourned at 11 p. m. after closing the most important meeting in the history of the Association.

PEAVY ORATORS OUT

**Preliminaries Next Tuesday—Ten
Orators Have Entered
The Contest.**

All orations for the Dunwoody-Peavey Oratorical Contest are due. The freshmen entered yesterday and the sophomores must present their orations to Prof. McDermott today.

On next Tuesday afternoon, the preliminaries in delivery will be held. Four members will be selected from the freshman and sophomore classes to enter the finals which take place on March 8, 1908 in chapel.

Ten orators have signified their intention of entering the contest:—G. G. Chapin, John Priebe, A. E. Bengelson, A. J. Ronning, E. F. Achley, W. S. Erwin, Edward Wentland, E. W. McKeene, Haddon Ostlund, and Theodore Thomson.

The Daily Californian has resumed its publication, having overcome the financial difficulties which threatened to end its career.

COMMITTEE'S ATTITUDE.

There seems to have grown up during the past two days some misunderstanding in the faculty circles regarding the faculty subscriptions. It is not now and has not been the policy of the Men's Building Committee to fix any definite minimum which the faculty members are expected to contribute. It is the aim of the committee, however, to secure \$10,000 in contributions from the faculty, and in order to do this the men in charge of this Men's building campaign felt that by securing as many faculty men as possible to give a \$100 pledge or more, this amount can be raised. The committee hope that the faculty will look at this matter in this light, and that when they are solicited for subscriptions they will respond generously and gladly, always keeping this fact in mind: that the faculty will have as many privileges in this building as the student body. The student body is doing its part and it is hoped that the faculty will do theirs.

Hockey Boom Again.

Petition to Be Circulated Among Students and Presented to Board.

Hockey is again clamoring for admission into the family of sports at Minnesota. Many times before it has raised a feeble cry but has never yet been able to gain the attention of the Athletic Association. There is a wealth of material for a good team here but the periodic enthusiasm which has broken out at various times has always been short lived.

Several skaters met early this year and elected Dartt Lyford president. A petition is now going to be circulated among the students and presented to the board to the effect that they "support and manage" a team for competing with similar teams from other universities in 1908-1909.

THEATRICAL

METROPOLITAN.

James O'Neill, supported by a strong company playing "Julius Caesar," "Monte Cristo" and "Virginius," is the bill at the Metropolitan the last part of this week.

Norman Hackett, who is at the Metropolitan supporting Jas. O'Neill this week, is a graduate of Michigan and was here last season with Louis James.

BIJOU.

"Strongheart" is packing the house at the Bijou and proving itself one of the best plays of the season. The play is drawing largely from those who seldom visit a popular-priced play-house. Friday night is football night and the Minnesota team will occupy the boxes. Ralph Stuart and Evelyn Vaughn are being warmly received by their many local friends.

LYCEUM

"At the White Horse Tavern," which is the offering at the Lyceum this week, is easily the best thing put on by the stock company since its reorganization. It is a comedy which is genuinely funny, and clean at the same time.

ORPHEUM.

The Orpheum continues with its "near all-star" bills. This week the Seventh street play-house has Anna Eva Fay, who all by herself is a big enough attraction to fill any play-house. But Anna isn't all by herself this week. She is surrounded by five big vaudeville acts, every one of which is the "real thing" as far as entertainment goes. Of Miss Fay's performance it need only be said that it is mystifying and pleasing; something that defies analysis.

WAKE UP, GIRLS.

All out-of-town girls who have received notices from the Woman's League regarding the dormitory question and who have not answered them will please do so at once. Put answers in box 2036.

Henry Dikkers, a German student who has studied at Hanover University under Professor E. Arnold, one of the world's greatest designers, is a new student in the Electrical Engineering college.

J. P. Calmeyer, electrical engineering '06, who has been with the Westinghouse Company, has secured a position in the mechanical department of the Twin City Rapid Transit company.
