My dear Sweetheart -

The street car I took was due at Fifth Av. West at 4⁵⁸ & arrived on time. This gave me two minutes to get to the depot, & before I got there the Conductor had cried "all aboard" but Mr. Cole had checked my trunk & was holding the train for me, so that I got started all right - It seemed as if the road was

Very rough, so I did
not sleep very well.
We met here Mr Jas.
Hanson who is Mrs
Leah's brother, & who
first got hold of the
copper property at
Bisbee - He is going
with us to Bisbee!
They ate breakfast
with me at the
Auditorium, & are
to lunch with me
at the Club - University
Club. I am going to
have Mr Dyche there
if I can get him.
Tomorrow, Tuesday,
at 8³² am, we
leave over the Rock
Island in Mr Oliver's
car Tyron for El Paso,
& expect to arrive
there Thursday
morning 7³⁰ -
This is the same

took

It is just about as
cold here as it was
in Duluth yesterday,
but not so cold
but what I still
love you, lots.

Yours

Chister

write to me at Bisbee
