Gophers Down Hawkeyes In Ten Inning Contest

ANOTHER GAME TODAY

Minnesota Ties Score in Eighth and Wins Out in Tenth—
Dretchko Steady.

In the most spectacular game played on Northrop Field this year Minnesota defeated the Hawkeyes yesterday in a ten-inning game 3 to 2.

Dretchko pitched a fine game altho he loosened up once or twice, but in the first half of the tenth he struck them out one, two, three. Burrell for Iowa pitched a good game being somewhat of a strike-out pitcher, retiring nine men in that way. He was wild at times and let down at critical moments.

Iowa started the scoring in the fifth getting one run. They got another in the sixth. Things looked dark when the last half of the eighth commenced but with two men on bases, Dretchko hit the pitcher who threw wild to first and a little loose work on Iowa's part let in two men and tied the score.

Neither side could connect in the ninth and Dretchko shut Iowa out in the tenth. Ernst opened for Minnesota in the tenth and reached first by a neat bunt along the third base line. Two more clean bunts by Cahaley and Dretchko filled the bases and Ernst scored on Larson's fly to right field.

The Hawkeyes hope to have revenge today. The game will be called at 3:30.

TRACK MEN AT WORK

Dr. Williams, in Spite of Weather, Works Men Hard in Preparation for Next Saturday's Meet.

Track work in preparation for the all-university meet, which will be held one week from today, has been greatly handicapped by the weather. Notwithstanding this impediment, the men have been doing some good work this week.

Just now Dr. Williams has the men running the dashes, the quarter, the longer runs, and the hurdles, and working at the field events. Much interest centers around the selection of the freshmen and sophomore relay teams which will probably be made the fore part of the week.

In the dashes, Smiley, Hill and Woodrich are working hard. Quite a bunch are running the quarter among them being Captain Mortensen, Smiley, Bush, Hill and Haggard. Several are competing for places in the half mile; Bush, Cooley, Haggard and Elliott. Grimes, winner of the indoor meet, is leading the bunch in the mile. In the hurdles, "Peggy" Woodrich and Mortensen are doing good work.

The field events are not being neglected. In the jumps, Haggard, Jacobson and Carmen are doing things. Kirtcher and Ostrand are throwing the weights. Ostegen and Strane are the pole vaulters.

GLEE AND MANDOLIN CLUBS TAPPEAR IN FINAL CONCERT

An Attractive Program Arranged for Monday Evening—Dancing Follows.

Next Monday evening the Glee and Mandolin Clubs will give their last concert. It will assuredly be one of the best concerts ever rendered and the dance to follow will undoubtedly prove a strong drawing card.

Three members of the Glee Club have been chosen as soloists. Arthur Allen, the well-known barytone, is to sing his favorite songs: one, the "Little Irish Girl," is especially taking. "Sounds from Church" will be rendered by Will Simmons; this delightful selection has never been heard here before.

This being the last concert in which Jack Haynes will direct the Mandolin Club, he has consented to render as a violin solo "Simonetti's" (Continued on 3rd page)

CAMPUS PLANS SUBMITTED

Out of the fifty-six architects who expressed intentions of making plans for the "greater campus," only twenty submitted plans.

The set receiving first place gets \$1,000, second gets \$500 and third gets \$250.

The committee will meet to decide the winner as soon as it is convenient for the eastern members to be in the city. The prizes are \$1000 and \$500.

TWO HOURS SATURDAYS.

By order of the commandant, the cadet corps will drill double time Saturdays. Regimental drill and inspection are being rounded off preparatory to the annual government inspection.

PLAN FOR LECTURES

Daily and Y. M. C. A. Seek to Obtain America's Leading Speakers.

At a meeting of the finance committee of the Board of Publishers of the Daily, which was held Thursday afternoon, the following men were chosen as speakers for the Daily-Y. M. C. A. lecture course: Governor Folk, R. H. Conwell, Governor Hanley, Leland Powers and McCutchin. These lecturers are men of national repute and if they can be secured the students will have an opportunity to hear the best lecture course ever offered at the University.

RODENTS INFEST LIBRARY.

The librarians would appreciate the services of a "Pied Piper of Hamelin" just now. Rats and mice are becoming too numerous in the regions given over to books. As yet no serious damages has been done, only a few books having been injured.

FIVE YEAR COURSE FOR ENGINEERS ANNOUNCED

Changes Made in First Year—Language-study and Shop-work Are Increased.

The schedule for the five-year engineering course was submitted to Registrar Pierce late yesterday afternoon.

The chief innovation is an increasing preponderance toward the study of the languages. The main changes are these: for first year, which is the same for all civil, mechanical, and electrical engineers the changes are; three hours shop-work will be substituted for Chemistry I. Three credit hours will be required in some modern language, German I or IV, or French I, III or IV. Qualitative chemistry will be taught in the second year.

The remaining four years will be practically the same as the present course.

CONSTITUTION ADOPTED.

The Constitution of the Minnesota Union was adopted by the organizing council which met in the Library yesterday afternoon. It will be submitted to the student body for ratification in a big mass meeting to be held Tuesday afternoon at 1:30.

In case the constitution is accepted by the students a committee will be appointed to wait upon the Board of Regents which meets Wednesday.

REGENTS MEET THURSDAY.

May 6th is the date set for the executive committee of the Board of Regents. May 7th the full board meets. The board will not act upon the "greater campus" plans until the third member of the Advisory Board is heard from.

DEKES ARE CHAMPIONS

Bowling League Finishes Schedule Alpha Delta and Psi U Second.

The deciding series of the interfraternity bowling league was won by Alpha Delta Phi, who took two out of three games from Sigma Nu last night.

Delta Kappa Epsilons head the league with a percentage of .667. Alpha Delta and Psi U are tied for second honors with .600. The cup donated last year by the Northwestern School Supply Company will now come into possession of the Dekes. The Alpha Deltas held it as the result of last year's tourney.

Following is the standing of the teams:

	Won	Lost	Pct.
D. K. E.	10	5	.667
Alpha Delta	9	6	.600
Psi U	9	6	.600
Chi Psi	6	6	.600

THE GAME.

There was a hair-raising game of baseball on Northrop Field yesterday afternoon and a small crowd out to see it. Today the hawkeyes will seek revenge. No better game will be seen on Northrop Field this year. We have a winning team this year. Let us support it.

DATE OF INSPECTION CHANGED.

The date for the annual government inspection of the University Cadet Corps has been changed to either May 18 or 19 instead of the 15th or 16th, as formally announced. If the weather permits it will be held on the campus and will last all day long.

All varieties of military maneuvers will be gone thru, such as guard mount, line of skirmishers, picket and outpost duty. The crack squad will give an exhibition performance and the battery will go thru a part of the manual.

The inspection will be carried on under the supervision of Captain J. Lenihan of the General Staff of the United States Army.

PIDGEON WINS MEDAL.

The finals in the battery's saber
drill were held in the armory yester-
day noon. Hansen, Roberts, Gilman,
Pidgeon and McGinnis were the con-
testants.

The first trial resulted in a tie for
first place, Pidgeon and McGinnis
each making 104 out of a possible 120.
Roberts was next with 100, and Gil-
man and Hansen made 93 and 88 re-
spectively.

Pidgeon and McGinnis then drilled
for first place, Pidgeon winning and
getting the gold medal, which is two
sabers crossed, subtended by a uni-
versity shield.
