## TRACK TEAM DUE TO BEAT IOWA

**Coach Temple Says Our Men Will Win Out Next Saturday**

The Iowa trackmen and the Varsity athletes will have it out Saturday on Northrop Field.

**Temple Confident.**

In Coach Temple's opinion the Minnesota men are due to win. They have been working hard the last few weeks and have made good progress.

The track is being gradually improved and with a few more days careful tending will be in very fair condition.

**Iowa Strong in Weights.**

Just what sort of a team the Iowans will send is not exactly known. Their track men as a whole are not thought to be stars, but among their weight men there are said to be some exceptionally hard propositions.

**Team Not All Picked.**

Coach Temple has not yet picked the men who will compete, but the entries will be selected from the following:

100 yard dash: Shedd, Hunter, Redman. 220 yard dash: Hunter, Redman. (Continued on page 4).

## JUNIOR CO-EDS FEEL JEALOUS

**Advent of Junior Men's Hats Creates Mild Stir Among Girl Classmates**

Yesterday the sight of the '05 numerals surmounting the proud faces of Junior men stirred a depth of envy in the hearts of the '05 co-eds who had dreamed of tan sombreros.

At the meeting of the junior girls called several weeks ago it was decided to purchase tan sombreros with price limit at one dollar.

The committee in charge was not able to get the hats at this price and as there was not even a sample of the much coveted sombrero genus about which to call another class meeting, the matter was dropped. A majority of the girls were unwilling to order under the circumstances.

Then one day a beautiful \$3 tan sombrero appeared on the campus.

There was a flutter of excitement and much "trying on." Since then the committee has been busy writing notes, giving price statistics and Roberts rules of order.

**DIRECTORS MEET.**

**Four Associate Editors Elected and Reporters Re-elected for Six Weeks.**

The Board of Directors of the Minnesota Daily Corporation met yesterday afternoon.

Catherine McPartlin, M. W. Halloran and J. P. DeVaney were re-elected associate editors to serve through the coming year.

William Dawson was the only new associate editor elected.

The reportorial staff was re-elected to serve till next fall.

## CONTRACT GIVEN WOMAN'S LEAGUE

**Athletic Board Accepts League Bid for Football Program Privilege**

The Women's League was given the contract for next fall's football programs at the meeting of the Board of Athletic Control held yesterday afternoon.

A training table for fifteen members of the track team was established at the College Inn beginning with today.

A contract for a football game with Shattuck to be played at Northrop Field on September 23rd was ratified. Contracts with North Dakota for Oct. 8, Carleton for Oct. 1, and St. Paul and Central High schools for Sept. 17 were referred to the committee on contracts.

It was decided to sod the space around the baseball diamond and to resod and grade a portion of the gridiron this summer.

**'09 MEDICS GET CAPS.**

The dark blue hats of the six year medics, surmounted by the letters "S. Y. M." in gold, about a white skull and crossbones, have made their appearance quietly and without commotion.

The white ensign on the hats must have proved too suggestive of what would happen to an aggressor.

A consignment of head gear is daily expected by the freshmen Laws.

## '05 ANNUAL WILL HAVE A PURPOSE

**Gopher Board Expects Publication to Accomplish at Least Four Things**

The 1905 Gopher, which makes its appearance for a certainty next Tuesday, May 17th, resembles McClure's Magazine in so far as it is a publication with a purpose.

**"Corrupt and Contented."**

Therein may be found all the facts concerning the great body of students, "corrupt and contented," and the hard working faculty, "half free and fighting on."

The annual this year has four purposes, as outlined by the managing editor. It will expose graft, political, military and social; it flays yellow journalism; shatters popular idols, and relegates the faculty to its proper place in the universe.

**Largest Ever.**

Considering the breadth of its aim, it is no wonder that it takes five hundred pages to accommodate the contents, making it the largest annual ever gotten out by any college in the country.

**Caught in Chapel.**

The art work has reached the climax of perfection, one of the most prominent pieces of work being a cut of a prominent pair of fusers in chapel. The picture was taken under

## INFORMATION FOR UNIVERSITY FANS

**What is Doing on the Diamond—Notre Dame Today—Costing Too Much**

The first of the series of games with Notre Dame will be played today on Northrop Field. Tomorrow the second game will be played and on May 21 the third contest will take place at South Bend.

**Fast Aggregation.**

The Notre Dame men are a fast aggregation and have the benefit of considerable experience already this season. They have met teams from Nebraska, Illinois and Wisconsin, defeating the latter under the redoubtable Cy Young by a score of 4 to 2.

In the opinion of Huff of the Illinois team Notre Dame is second in Western baseball to Illinois alone.

**Beat Us in 1902.**

The last time Minnesota played Notre Dame was in 1902 when we lost two out of three games, splitting even at home and losing the deciding contest at South Bend.

**Changes in Line Up.**

Monte Brown who has done exceptional pitching so far this season will be in the box for the Varsity and Linneman will take care of his twisters behind the plate.

The game will be called sharply at 3:30 p. m. Tickets are 25c. and 35c.

BOARD OF EDITORS OF THE '05 GOPHER

**CENTER OF ATTRACTION.**

**Chafing Dish Booth will be a Drawing Card at May Festival Friday.**

Among all the novel and beautiful booths at the Carnival, the most marvelous will be the chafing dish booth.

All sorts of things, unhinted at in any University tradition, will be served here.

Wienerwursts with hot rolls and horse-radish will be the principal drawing card.

The booth will be stationed against the front of the library on the left side. It will be artistically draped with American flags and bunting.

Miss Bessie Healy has entire charge of this booth.

Hot lunch will be served from six to eight.

**MIDDLE LAW SICK.**

H. D. Peterson, law '05, is at St. Barnabas Hospital with a severe attack of pneumonia.

difficulties at 10 p. m. by means of a flashlight.

**Everything It Could Get.**

The Gopher Board considers that it has the inalienable right to publish everything it can procure, whatever it may be, thus assuring a very interesting Annual.

**FORUM-MINERVA.**

**Forums Entertain at Lake Como.**

One of the most delightful of the spring's jollifications was the picnic which the Forums gave to the Minervas at Como last Saturday.

Although the first of the afternoon was not of the pleasantest, the time was spent most pleasantly and a sumptuous banquet was held in the pavilion, after which many toasts were responded to.

The evening was spent in a boating party upon the lake and the fun did not cease until the last couple had left the car.

**Losing Money.**

In a financial way the baseball season has proved woefully unsuccessful. The team is now \$150 behind, not including Coach Ferguson's salary. The management has lost money steadily on the home games. It is not expected that the team will lose heavily on the trip.

**Umpires Hard to Get.**

Great difficulty has been experienced in obtaining good umpires. Frank Force proved eminently satisfactory, but his time could not be spared from his newspaper work. An effort has been made to secure players and pitchers from the professional teams, but they are unwilling to officiate.

**LECTURE ON MILTON.**

Mrs. Potter will lecture to the history students at the 4th hour Saturday, on "Milton and Puritanism." This lecture is especially for history students, but all others are welcome. It will be in Dr. McClumpha's room.

'03 Vine Causes Joy Among Its Plant-  
ers.

A large number of prominent mem-  
bers of the class of '03 were seen  
standing in an excited circle at one  
corner of the Main Building yesterday  
afternoon.

Nothing could be observed to ac-  
count for their agitated demeanor and  
enthusiastic gestures. But after they  
had dispersed, a Freshman reporter  
ventured to the scene of their tryst,  
and discovered the cause of the jollif-  
ication.

A microscope revealed the fact that  
a diminutive shoot from the woodbine  
planted by the seniors last year, was  
poking its way up through the ground  
with the double purpose of reaching  
the sunshine and bringing glory to its  
planters.

HARVARD'S HARD LUCK.

On account of their poor showing in  
the track games at Philadelphia, Har-  
vard is considering the advisability  
of staying out of them hereafter. They  
claim they do not have sufficient time  
to train and make a creditable show-  
ing.

DEBATING BOARD TO MEET.

Will Choose Side to be Upheld at Chi-  
cago Debate.

The Debating Board will meet Tues-  
day, May 17, at 5 p. m. in the Library  
to consider the choice of sides of the  
question submitted by Chicago: "Re-  
solved, That the U. S. should continue  
its present policy of opposition to the  
combination of railroads."

All those who are interested are in-  
vited to investigate the subject and to  
be present at the meeting to express  
their views.
