

Goal Area 6: Assessment

Part One

Incorporate program evaluation and the UMD Student Learning Outcomes into divisional assessment efforts.

Link assessment efforts to the Student Life and UMD Strategic Plans.

Provide leadership and professional development opportunities to staff to foster a culture of assessment and continuous improvement.

Each Student Life unit and committee developed an assessment plan as part of their strategic planning process.

Below is a sampling of a goal, outcome/objective, measure and results for each unit.

For more details, view the unit annual reports on the Departmental Plans page of the Student Life Strategic Planning site.
