INDOOR MEET A GREAT SUCCESS

Two Records Smashed--Large, Enthusiastic Crowd in Attendance

The first annual winter indoor meet is a thing of the past, but it has left a mark on the history of athletics in the University of Minnesota.

All the events were hotly contested, and run off in good order.

Ten high schools of the state were represented.

Bockman was the star for the University, winning three first places, and Myrick, of the South Side High, won the 60-yard dash and 60-yard low hurdle. The meet brought into prominence two new men, Harris, who won the quarter, and Boeckmann, who took the 220-yard dash.

Pierce broke the pole vault record, doing 9 feet 11½ inches, and Tate went 5 feet 10 inches in the high jump.

The 60-yard dash was the first University event, and the following men qualified for the finals, Crossett, Stone, McPherson, Bockman, Newman, Richards and Rieboth. Bockman won, with Crossett second; time 64.5 sec.

The 60-yard low hurdle was won by Bockman, Lewis second; time, 71.5 sec.

The 60-yard high hurdle was won by Bockman, Tate second; time 82.5 sec.

Only three men entered for the mile run. Caine won, with Nelson second; time, 5:17.2-5. min.

Half-mile run was won by Caine, Bass second; time, 2:13.1-5.

Quarter mile, won by Harris, Nelson second; time, 57 sec.

220-yard dash, won by Boeckmann, with Tibbetts second; time 32.4-5 sec.

High jump, Tate won, McPherson second; height 5 feet 10 inches, breaking record.

Pole vault, Pierce won, Smith second; height, 9 ft. 11½ in., breaking record.

Shot put, Knowlton won, Friedman second, distance 34 ft. 10 in.

Only three teams were represented in the inter-fraternity relay race, Sigma

Chi, Apha Delta Phi and Phi Gamma Delta. Sigma Chi won, with Phi Gamma Delta second; time 2 min. 35.1-5 sec. Winning team consisted of Knowlton, Kiefer, Gallagher and Crossette.

The relay race, made up of teams of basket ball and foot ball team men was won by the football men; time 3 min. 21 sec. The football team was made up of Knowlton, Harris, Mueller and Kienholz.

The relay race between Freshies and Sophs was won by the latter; time, 3 min. 30 sec.

Boxing exhibitions were given by following: Flynn vs. Current, Scott vs. Nelson, McDowell vs. Tweet.

Three events were run off by the High Schools. In 60-yard dash the finals were won by Myrick, South Side, first, O'Brien, St. Paul Central, second; time, 6.3 sec.

60-yard low hurdle, Myrick first, O'Brien, second; time, 7.1 sec.

The relay race was won by St. Paul Central, Minneapolis Central second; time, 3 min. 39.1-5 sec. A foul was allowed in first quarter and Jones and O'Brien ran it over again. St. Paul won this again.

Other high schools entered were Pillsbury academy, Sauk Centre High, New Paynesville High, Stillwater High, Mechanic Arts (St. Paul), and Humboldt High, St. Paul.

The following officers had charge of the meet: Referee, Col. Frank M. Joyce; judges of track events, Judge E. A. Jaggard, Professors Burton, Woodbridge, Westbrook, Jones; judges of field events, Rev. Dr. Hardin, Professors McMillan, Nicholson, Nachtrieb; measures, Professors John Zeleny, Springer; timers, Dr. Cooke, Dr. Harding, Prof. Appleby; clerk of course, Dr. J. C. Litzenberg; starter, Harry Loomis; announcer, Mr. Buck.

Freshmen Debaters

In the contest among the freshman debaters for places on the team that is to debate the sophomores, Messrs. Hammond, Choate and Schwarz were successful, and will constitute the freshman team. Mr. A. B. Gislason was chosen alternate. The debate between the classes will take place about the 15th of May. The Peavey prize of \$100 will be offered on the occasion: \$75 will be given to the winning team, and \$25 to the winning orator in an oratorical contest held at the same time.

Dr. Wilde, of the department of philosophy, addressed a large number of men at the Y. M. C. A. building Sunday afternoon. He discussed the "Nature of Eternal Life." The male quartet furnished some special musical numbers.

PRACTICE LAST NIGHT

About 35 men were in the diamond last night trying-out for the nine. Capt. Freeman had the men working hard, throwing, batting and fielding, and some fine playing is evidenced. A large number of the new men are showing themselves experts at the game, especially Varvo, '04, who bats and fields an in-field position like a veteran. The squad will probably be cut down shortly, after the men have been tried out in the games with the St. Paul league nine this week and next.

Jack Zalusky and "Spike" Anderson, who were out for practice, received a hearty welcome from the fans. "Jack" will play with Louisville this year, and "Spike" at Omaha, probably.

Miss Douglas, '04, is ill at her home in Winona.

A NEW STRONG MAN

Dr. Cooke makes a "Find" among the Members of His Strong Men's Class

Another strong man has been discovered at the institution. About the time that Allis made his wonderful record of 1885 kilos O. L. Novig, '03, Eng., astonished the gymnasium directors by a record of 1431.8, which is ahead of any record made at the university with the exception of Allis' big scores.

Mr. Novig has not been working systematically in the gymnasium during his stay at the university, which makes his high score more remarkable. He took his first test in December and made a total record of 1,040.6 kilos. His second test was taken March 12, showing an increase in strength up to 1276.6 kilos. A short time afterwards he took his last test, which resulted in his high score of 1431.8 kilos. These records show a gradual increase in strength, and also indicate a promise of vast increase of Mr. Novig takes up faithful and systematic training.

Some of the measurements of Mr. Novig taken at his last test are as follows: Weight (stripped) 160 lbs., height, 6 ft. 4-5 inches., strength of back muscles, 361 kilos, strength of leg muscles, 580 kilos, strength of forearm 110 kilos, strength of lungs 28 kilos, strength of upper arm 352.8 kilos, push up, 25 times, pull up, 24 times.

When the fact is noted that Mr. Catlin, with a record of 1411.6 kilos, took fourth place last year in the American Intercollegiate contest, it is probable that Mr. Novig will take a very high rank this year in the same contest, if he keeps up his physical development by constant systematic work in the gymnasium. The case of Mr. Catlin, one of last year's strong men may suggest a word to the wise and emphasize the value of constant systematic training. As before stated, his record of last year was 1411.5 kilos and it was very evident that he had by no means reached his high water mark. However, the test which he took recently showed that he had lost in total strength over 200 kilos, due to lack of constant training. Mr. Catlin intends, however, to train up to May 1, and enter the American Intercollegiate contest.

Minnesota this year has a greater number of strong men than ever before. Following is the record in order of ten of the strongest men at the institution:

Allis, 1885 kilograms.
Novig 1431.8 kilograms.
Nelson, 1283.1 kilograms.
Alexander, 1213.2 kilograms.
Catlin, 1201.5.
O'Keefe, 1179.5 kilograms.
Knowlton, 1168.7 kilograms.
Smith, 1101. kilograms.
Francis, 1100.7 kilograms.
Korning 1077 kilograms.

Aside from these about 20 men who did especially well last year and were

PURCHASE a baseball ticket at once. The season opens this week, and admission without a ticket will cost money. It can hardly be said that the ticket costs money, the amount that it does cost being so slight. Think of it in this light, if you will: Eighteen baseball games for the same price as a reserved seat ticket to one football game last fall. When that thought sinks into your grey matter, put your name down for a ticket—and pay for it.

MICHIGAN, by winning from Chicago Friday night in the final contest of the Central Debating League, has won ten straight inter-collegiate debates, a record which has been approached by no other University or College in the land. It is a magnificent record of which she may justly be proud. Minnesota, having tested her strength on two occasions, cannot but congratulate her on her success, and wish her the same good fate—until April 5th, 1902.

THE EXPLANATION

The announcement that Mr. Dillman was excluded from the State Oratorical Contest in St. Paul last Friday night, coming as it did just on the eve of the contest, caused much surprise and dissatisfaction among the University contingent. Our delegates to the state convention, held in St. Paul the afternoon preceding the contest, presented Mr. Dillman's case to the delegations from the other colleges—Hamline, Carleton, and Macalester. After a long discussion the matter came to a vote and the delegates from the other colleges after giving a tacit consent to the admission of Mr. Dillman and expressing themselves during the discussion as being in favor of admitting him, voted squarely against their expressed sentiments. It certainly would have been a more honorable proceeding on the part of the delegates had they taken a position with reference to the matter which they could defend with voice as well as vote. Later, an amendment was carried which makes any student ineligible who is taking any work whatsoever out-

side his academic studies. The convention also admitted St. Olaf and Gustavus Adolphus colleges to the association and cut the number of contestants from each college down to one. It is entirely probable that the University—under the above conditions, will withdraw from the association.

ANOTHER FRATERNITY

Still another fraternity has entered the university field. This time it is Kappa Sigma. A chapter of twelve charter members was initiated Saturday evening, brothers from Wisconsin assisting. The local chapter has rented rooms over Gilmore's drug store. The members making up the chapter are taken from all the departments and include some quite prominent men. They are E. L. Jewell, E. A. Ecklund, W. L. McBride, W. L. Hoffman, Frank Hughes, G. S. Shea, W. H. Shea, Jr., A. D. Mastenbrock, C. A. Sterling, S. D. Lowry, J. J. Thornton, L. H. Howes.

Kappa Sigma was founded in 1867 at the University of Virginia, and now has about 65 chapters, most of them in the South. Wisconsin and Nebraska are the nearest universities having chapters of the same fraternity.

'VARSITY FARES WELL

The committee on appropriations of the house of representatives reported yesterday morning the omnibus appropriation bill. The bill referring to the University shows the following items, which will probably be passed without amendment as the legislature must adjourn Friday.

CAMERA CLUB MEETS

The Camera club, recently organized, held its first regular meeting last Saturday evening, in the chemistry lecture room, and the members are very enthusiastic over the result. Prof. Appleby delivered a lecture on the photographic machine, showing its developments by several examples. One was at least 50 years old, and was a good illustration of the machines used at that time. This meeting was well attended and the next one will be held two weeks from Saturday evening.

Important Notice

Notice is hereby given that on Wednesday, April 10, at 7:30 p. m., will occur the annual meeting of the Young Men's Christian Association. At this meeting reports of the year's work will be heard, and new officers elected for the ensuing year. All members are urged to be present at this meeting.

A NEW STRONG MAN

(Continued from 1st page.)
marked above 1000 kilos have not yet taken the test this year.

Minnesota cannot fail to increase this spring the aggregate number of points of her 50 strongest men. From present prospects the institution will in all probability rank first or second. As will be remembered only Columbia, and Harvard were ahead last year, Minnesota coming in a close third. The record of the four championship institutions of last year showing the total strength of the 50 strong men of each are as follows:

Columbia, 59,489.4; Harvard, 53,676; Minnesota, 52,489.3; Amherst, 49,453.5.

The Glee and Mandolin clubs left yesterday morning for a week's trip through the southern part of the state. Concerts are to be given at Northfield, Faribault, Owatonna, Austin, Albert Lea, Mason City, Iowa, and Mankato. The clubs will return Sunday morning.

MICHIGAN DEFEATS CHICAGO

The University of Michigan won the debate at University hall Friday night, the decision being two to one in our favor. Chicago placed the strongest team she has ever sent against us. The teams were well balanced on both sides and very evenly matched. At the end of the main speeches it looked like a victory for Chicago, but in rebuttal Michigan was superior, having a better knowledge of the subject, and using material with more telling effect.

The hall was crowded and there was great enthusiasm.

This makes the tenth consecutive victory for Michigan debaters. The debaters will reach Ann Arbor at 9:43 tomorrow (Saturday) night.

This victory gives Michigan the championship of the Central Debating League, an honor which our men have persisted in taking and holding ever since the league was organized three years ago. Michigan has never known defeat in these league contests.—U. of M. Daily.
