THE UNIVERSITY OF MINNESOTA, TUESDAY, MARCH 19, 1907.

NO. 105

GOPHERS DEFEAT MAROONS AND TIE UP CHAMPIONSHIP

By a Score of 21 to 10, the Varsity Quint Secures an Equal Chance at First Place.

Game Highly Exciting Thruout, But Second Half Much Faster Than the First.

Minnesota succeeded in defeating Chicago Saturday evening 21 to 10, thereby tying up the western basketball championship; Minnesota, Chicago and Wisconsin being tied for first honors. Wisconsin and Minnesota have already signified their willingness to play off the tie in the near future, and it is up to Chicago to decide what shall be done.

The game was one of the fastest and cleanest contests ever witnessed on the armory floor. Deering shot a difficult basket in the first minute of play and brought the crowd of nearly 2,000 rooters to their feet, where most of them remained thruout the entire game.

Both teams then settled down and thruout the rest of the half the play was fast, each team making many trials at baskets but the fine guarding on each side prevented much scoring. Uzzell secured one basket, while Chicago shot a basket and made one point on a foul. Score at the end of the half: Minnesota 4, Chicago 3.

Chicago opened the second half with a rush and by making a basket and several fouls ran several points ahead. McRae then secured several points on fouls and then Deering and Uzzell followed with two baskets each, which gave Minnesota a lead which Chicago was unable to overcome. Captain Schomers secured one basket more and Woodrick then made the most brilliant basket of the evening from nearly the center of the field. This ended the scoring and Minnesota finished the game with a lead of eleven points.

The game was an ideal one to watch. The result was doubtful until the last few minutes of play, and it was only by magnificent staying qualities and team work that Minnesota was enabled to win. All of the team played well and each man deserves great credit for his fine work. (Continued on third page)

ANOTHER FEED FOR '07 MEN

To Be Given, as Usual, at St. Anthony Commercial Club—Long List of Toasts Ready.

For the third time the senior academics, six-year medics and chemists, are to gather around the festive banquet board on Thursday evening, March 21, at 8:30, at the St. Anthony Commercial Club rooms.

Claude Randall will act as toastmaster. The following toasts will be given.

"A Song to the Faculty," Stanley.

"Oh, to Be a Hero," Floyd Loomis.

"The Senior Soldier," Harry Miller.

"The Chemist," Harold Porter.

"The Girl Problem," Don Blair.

"Prediction of the Class Play," Fred Calhoun.

This is to be the banner feed, and fifty men are confidently expected.

MANY EVENTS SCHEDULED FOR INDOOR TRACK MEET

Entries Must Be Made at Once—Four Prep Schools Enter—Medals for Winners.

Entries for the indoor meet should be handed in early this week, but the lists will be kept open until the meet begins. The entries must be filed either with Coach Williams or Captain Bedford.

The events open to the high schools are the H. S. relay, 60-yd. dash and the hurdles. Three high schools and one "prep," Shattuck, have already signified their intentions of entering.

There will be numerous relays. Four men will run in each relay each man taking two laps.

Great enthusiasm is being shown among the "Greeks," five teams having already entered and others are expected.

There will be two athletic relays; the basket ball team vs. baseball team, and the football team vs track team.

The freshman and sophomore teams will be picked early this week. Both classes have a number of strong men and are out to win. The freshmen carried off the event last year, so the '09 men are out for gore.

All events are open to the "U" students, except the high school events. Individual medals will be given to the winners, in all events except the inter-frat relay. The fraternity team that wins will be presented with a banner.

CLASS OF '10 MAKES REPLY

Declare They Will Give Party and Wear Caps, Despite Warning of Sophomores.

As a reply to the statement of the sophomores that the class of '10 would not be permitted to hold a class party or to wear class caps on the campus, the freshmen class delivers itself of the following:

"We note the statement of the sophomores that we will not be permitted to wear class caps or to have a class party after the time-honored custom.

"We are pleased to inform the venerable and valorous sophomores that we have not asked them whether or not we might be permitted to do these various things, nor do we intend to ask them. Since they have constituted themselves a committee to see to our welfare, we desire to call attention to the fact so ably demonstrated at various times during the fall and winter, that the class of 1910 is abundantly able to take care of itself and at the same time to tenderly put to sleep their self-appointed guardians and to tuck them in with loving caresses.

"We would strongly advise the members of the class of '09 to quietly refrain from entrance to any more strenuous exercise than ping-pong, and to confine their energies to their more suited sphere of official vendors of superheated atmosphere of the University of Minnesota.

"Your friends the enemy."
"CLASS OF 1910."

FARM SCHOOL TURNS OUT 100 GRADUATES THIS WEEK

Former President Hays to Deliver the Address—President Northrop to Confer Diplomas.

Very much in anticipation of other colleges in the institution comes the farm school graduation in St. Anthony Park this week.

The class day exercises were held in the afternoon yesterday and last night the class play, "The Hero of the Gridiron," a farm school product, written by Miss Cook of the rhetoric department, was presented.

Wednesday at 2 o'clock is the time of commencement, when Lucia C. Lydiard will give the salutatory and Fred W. Cleator the valedictory.

Former Prof. W. M. Hays, now assistant secretary of agriculture, will address the graduates and President Northrop will confer diplomas.

The class numbers some hundred members, sustaining very well the records of former years.

BASKET SHOOTERS BANQUET.

Regulars, Subs and Coach of the Co-ed Squad Have Spread.

Tonight the girls' basket ball teams and their coaches hold a banquet at Donaldson's tea rooms. All girls playing as regulars or "subs" on the four teams will be present.

Heien Cummings, captain of the varsity team, will act as toastmistress. The list of toasts is as follows:

"How to Turn Out a Winning Team," Mr. Deering.

"Defeated But Still Defiant" Rose Marie Schaller.

"To Have and to Hold," Mary Shiely.

"The Fighting Chance," Genevieve Wales.

"The Lamb to the Mortar Boards," Florence La Vayea.

MISS COHEN ENTERTAINS.

Miss Cohen entertained the members of the Woman's Chemical Club at her home Saturday night.

Pi Beta Phi has pledged Bess Skartum.

MODERN HAMLET MAKES HIT

Various Roles Well Acted—After Play Mrs. Crosby Address Girls on Dormitory Question.

From the sobbing of "Baby Hamlet" to the love scene between Hamlet and Juliet, "The Modern Hamlet" presented by the Woman's League Saturday afternoon, was a screaming success. The parts were well taken thruout. Maybelle Snyder as Romeo and Elsa Ueland as Hamlet made excellent "boys." Mary Heritage took the part of Juliet; her dramatic power and facial expression were very good.

Following this farce Mrs. Crosby talked on the dormitory question. She spoke of the success of the system elsewhere, which speaks well for it here. In conclusion she said: "We have strong friends in the legislature and our cause is very hopeful. We may not get the dormitory this year, but we should not get discouraged, as other of the institutions' needs are greater than ours."

SOLONS REQUEST DEBATE TO BE HELD IN CAPITOL

Legislature Past Resolution Asking That Illini Debate Be Held in Senate Chamber.

Admission by Invitation Is Probable. Twin City and Duluth Councils to Be Present.

The State Legislature last Saturday passed a resolution, requesting that the Illinois-Minnesota debate be held before that body.

As the debating board favors the proposition, the debate will take place in the senate chamber in the state capitol April 5, instead of the University chapel, as hitherto planned.

The invitation is a result of the great interest which is being taken by the people of the state in municipal ownership. The legislature has been investigating this subject, and the debate will be in the nature of a hearing before a committee of the whole.

All arrangements have not been made, but it is probable that admission will be by invitation. The city councils of the Twin Cities and Duluth will be invited to attend.

The team which will represent Minnesota before the legislature consists of Stanley Houck, Dick Thompson and John P. Devaney.

MAY SAVE HOME TOWN.

Varsity Debater Called Home by Telegram—His Vote to Decide if Town Will Be Dry.

"Come home. We need your vote." Stanley B. Houck left on the next train for home. The citizens all have voted. The score is 53 to 53 for license.

If Stanley gets there on time the score will be 54 to 53.

Which way will Stanley vote? University influence lies quivering in the balance.

AN INVITATION.

Acacia Club to Entertain All Master Masons in College.

Acacia fraternity cordially invites all Master Masons of the University of Minnesota to be present at a social and smoker at their home, 24 State street southeast, Tuesday evening, March 19, 1907.

"TULU" CAST GETS BUSY

Final Touches Being Put on Dramatic Club Play Before Performance Friday Night.

The members of the Dramatic Club who will present "Tulu" on March 22 are rehearsing diligently every day. While the play is still in a somewhat crude shape, by Friday night the actors will surprise their audience with a perfect entertainment.

The coaching has been very successfully carried on by Fay Latham and John Sinclair.

Considerable interest is centered about this play, as it is staged and produced entirely by the students, a fact which gives assurance that college spirit will be manifested thruout.

Robert G. Colyer

NEW COURSE POSSIBLE.

Social Science Professors Want a Course of Instruction for Proper Use of Books.

A short lecture course, on the proper use of books in reference work may be instituted at the University in the near future. Sociology, psychology and history professors find a great lack of any system in the use of books for thesis and reference work.

Professor Jenks has spoken to Mr. Gerould of this matter, and he may consent to offer the course.

FOURTH HOUR DANCES OPPOSED BY FACULTY.

Too Many Students, Socially Inclined, Cut Class to Attend Daylight Functions.

"The fourth hour informals must be stopped," said a prominent member of the faculty. Some of the professors are raising strong objections to these dances. Attendance at fourth hour classes on Saturday is marked by a large number of absentees, especially among those socially inclined.

"Certainly there is time enough in the evenings for people to dance, without having to dance when there is school work," says Monsieur Frelin, "and the faculty will probably take measures to have them stopped."

MRS. BURNELL IN CHAPEL.

Will Speak On, and Impersonate, the High Caste Hindu Woman, Sunday Afternoon.

Mrs. Abby Burnell will speak in chapel on next Sunday afternoon on her experiences in India. She will appear in characteristic costume of the high caste Hindu woman and will impersonate in a realistic manner the down-trodden woman of India.

Little need be said in regard to her impersonations, as Mrs. Burnell is well known in Minneapolis, and she will undoubtedly be favored by a large audience.

The lecture begins promptly at 3 o'clock.

MAN IS SUSPECTED.

Nameless Author of Some Woman's Mag Copy Believed to Be One of the Sterner Sex.

"Nihil Nameless" was the nom de plume of the author of a manuscript which a Woman's Mag editor found in her P. O. box. The title of the composition was "Airy Fairy Nothings."

There is much debating among the editors as to whether they shall accept the manuscript.

It is a pretty fairy story tied with a bow of pink baby ribbon. But one of the editors expressed the opinion that this feminine touch was only a decoy to conceal the slightly masculine writing.

Tournament Probable.

A chess tournament will probably be held in the near future and all who are interested should hand their names to Secretary Sinclair at once.

LAST GAME FOR GIRLS.

Co-ed Quint Winds Up Season With Stanley Hall Five Saturday Night.

University girls' basket ball team in their last game of the season will meet Stanley Hall on the Armory floor Saturday evening. Though the varsity coeds have not been defeated this year, they are looking to a hard game.

Stanley Hall girls have only been defeated by one team this season, that being Central high, by a score of 9 to 10. Accordingly the visitors expect to hold the varsity coeds down to a small score.

Daily practises are going on, and as both teams are especially strong in team work, a spirited game is anticipated.

There will be an informal dance after the game. 25 cents admission will be charged.

HARRY MITCHELL'S EDITORIAL

Order your Spring Suit from me. My story in a nutshell is "No pay if you're not pleased."

I put it that way because some men talk as though a suit made to order for \$15, \$20 or \$25 is too good to be true.

I repeat, order your Spring Suit from me.

I stand pat on what I've always said: For \$15, \$20, or \$25, I'll make you as good a suit as the tailors up the street would charge you \$30, \$35 and \$40 for—a suit that no ready-made store could give you at any price.

I am showing a finer, better and larger selection of patterns and styles to choose from than all the other tailors combined; am doing a bigger business than I ever did, and I notice my old customers are all sticking to me.

So, I say once more. Order your Spring Suit from me.

And do it now.

Yours truly,

HARRY MITCHELL

FRESHMEN ARE STUNG

Tendency to Cut "Gym" Results in the Receipt of Last Note of Warning from Registrar.

About forty bold, bad freshmen recently became exceedingly and prematurely wise. They learned, among other things, that there was no need whatever of attending "gym" classes. A notice was sent them by the registrar, which read thus: "It is reported that you are not attending gymnasium classes. Please report before March 13 or your name will be dropped from the rolls."

Some of these slips were not mailed until the afternoon of March 12. Then what a wild scramble! Bunches of six or eight of the deluded underclassmen fairly tumbled over each other in their eagerness to see Geo. Foster, Dr. Cook's clerk.

The came, only to learn that all unexcused absences must be made up by two drills, with the prospect of several nice, long runs around the athletic field wall before such absences were made up.

These freshmen are no longer sick. They are well, very well now. All believe that "gym" work improves their health wonderfully and attend class faithfully every day.

The Maroons open their base ball season April 20 with Illinois on Marshall field.

VARSITY STUDENTS IN EXPERT SCHOOL.

That University students, no matter what profession they intend to follow, feel the need of a good business training, is shown by the large number of students taking such work. A talk with Malcolm Emery Nichols' Expert School, Essex bldg., St. Paul, Minn., disclosed the fact that the following students were in attendance there now: Evan Rees, W. Warner Rothschild and John M. Nichols of the academic department; Edward Baird, Charles Batson, and Ralph McGuckin of the engineering department.

GOPHERS DEFEAT MAROONS.
(Continued from front page.)

McRae played his usually brilliant game. Deering guarded well and secured three good baskets. Uzzell played steadily and also shot three baskets. Woodrick played against Captain Schommers, considered the best center in the west, and held him at every point and also shot the most brilliant basket of the game. Muir played a good game. Captain Larson was out of the game on account of injuries and Pidgeon was home sick with the mumps.

During the intermission the candidates for the gymnastic team gave an exhibition which was very favorably received. Labbet swung clubs and performed on the vaulting horse, Uzzell and Stockland worked on the parallel bars with Hawley, and Foster did some good tumbling acts.

Dancing followed the game.

The teams lined up as follows:
Minnesota. Position. Chicago.
McRaeL. F..... Ruhlig
MuirR. F..... Georgens
WoodrickC..... Schommers
UzzellL. G..... Walker
DeeringR. G..... Houghton
Goals from field: Deering 3, Uzzell 3, Woodrick 2, Walker 1, Schommers 1, Ruhlig 1; goals from fouls, McRae 4 out of 12 trials, Schommers 2 out of 8 trials, Georgens 2 out of 2 trials. Referee, Kayser. Time of halves, 25 minutes.

FOUND—Friday evening, room 15, fountain pen. Owner may have same by paying for ad. Leave description. Box 1555.

Graduate Schools of Harvard University

The following professional schools in Harvard University are open to holders of a bachelor's degree.

The Law School

A three years' course leads to the degree of L.L.B. Residence for three years is required, but residence at another three years' school may be accepted as a substitute for one of the years of residence at this school. Three annual examinations are required. Inquiries may be addressed to H. A. Fletcher, 20 Austin Hall, Cambridge, Mass.

Medical School

A four years' course leads to the M. D. degree. The school offers graduate courses open to holders of the M. D. degree, and in its new laboratories offers greatly extended facilities for research. For catalogues, for graduate and summer courses, for research and special courses, address Charles M. Green, M. D., 104 Administration Building, Harvard Medical School, Boston, Mass.

Divinity School

This is an undenominational school of Theology offering instruction leading to the degree of Bachelor of Divinity. Inquiries may be addressed to R. S. Morison 5 Divinity Library, Cambridge, Mass.

Graduate School of Arts and Sciences

Instruction is offered leading to the Masters' and the Doctors' degrees in the following fields: Philology (Ancient and Modern Languages and Literature), History, Political Science, Economics, Philosophy, Fine Arts, Music, Mathematics, Physics, Chemistry, Biology, Geology, and Anthropology. Inquiries may be addressed to G. W. Robinson, 11 University Hall, Cambridge, Mass.

Graduate School of Applied Science

Instruction leading to professional degrees is offered in the following subjects: Civil, Mechanical and Electrical Engineering, Mining, Metallurgy, Architecture, Landscape Architecture, Forestry, Applied Physics, Applied Chemistry, Applied Zoology, and Applied Geology. Inquiries may be addressed to W. C. Sabine, 17 University Hall, Cambridge, Mass.

Y. M. C. A. TO ELECT APRIL 10

Nominating Committee Now at Work Seeking Eligible Candidates—Banquet Follows Election.

The annual election of the Y. M. C. A. will be held on Wednesday night, April 10. The offices of president, vice-president, treasurer, alumni treasurer, and secretary will be vacant at that time and are to be filled.

A nominating committee consisting of three men is now at work looking up eligible candidates whom they will recommend to the association and upon whom the active members of the association will vote on the evening of April 10. The officials so selected will hold office for one school year beginning in September, 1907. While the candidates are chosen mainly by the nominating committee other candidates may be voted upon whom have not been chosen by them if the association deems it advisable.

After the election, which will probably be held in chapel, a banquet will be held to which all men of the University are invited. When the victorious candidates are announced the association will adjourn to the East Side Commercial Club, where plates will be laid for between four and five hundred. The new building project will be discussed and a generally social time will be enjoyed by all.

Members of the Mandolin Club must return all music this week. Much of the music has been taken out by members, and it is necessary that it be returned at once.

NOTICES

RAIL COURSE IN COLLEGES.

Demand for Trained Men Causes Plans for Special Instructions.

The Pennsylvania railroad has sent pleas to the presidents of a number of universities and colleges, asking that students be urged to prepare themselves for railroad careers, as the demand for skilled employes far exceeds the supply.

As a result of the appeal it is understood that heads of several institutions will recommend that special departments for instruction in railroads be created. No matter what course you take, you should take care of your personal appearance. The College Togery has just received a large shipment of the nobbiest lines of \$1 and \$1.50 shirts that ever struck the avenue. A word to the wise is sufficient.
