## Potential Iron Ore Formation Found

A potential new iron ore formation has been discovered by the Minnesota Geological Survey, a division of the University, and the United States Geological Survey.

The formation lies in a wide belt extending some 30 miles across the northwest corner of Itasca county.

This was revealed yesterday when the federal survey released 21 maps based on an areomagnetic survey of 30,000 square miles in northern Minnesota.

The maps show that this zone has a magnetic pattern remarkably like that of the Mesabi iron range.

These maps are in addition to six released in March and are all part of the survey which has been underway since 1947.

Dr. G. M. Schwartz, director of the Minnesota Geological Survey, described this zone as "one of the most interesting new areas thus far disclosed in the survey."

He recommended careful exploration to determine whether the indicated formation contains deposits of commercially valuable iron ores or is only a granite area.

Purpose of the survey is to determine the major magnetic trends associated with the known deposits of iron ore in the state, to ascertain possible extensions of these deposits and to indicate new areas which may be favorable for further exploration.

"Thanks to the new maps," Dr. Schwartz said, "a complete magnetic picture of the Mesabi range, the world's most important iron ore producing area, is available for the first time."

Used in the surveys was an instrument known as the airborne magnetometer, nicknamed "doodlebug," which detects and records variations in the earth's magnetic field while being flown over the survey area at an altitude of 1,000 feet.

Areas in Itasca, Cass, Hubbard, Becker and Ottertail counties also have abnormal magnetic attraction, according to maps released earlier this month.

## Ags to Vote On Charter Alterations

A complete revision of the Ag student council constitution will come up for ratification in the spring elections April 18 on Ag campus.

The council approved the new constitution at a special meeting Thursday night, Stanley Drewry, chairman of the committee on revision, said yesterday.

A major addition to the constitution stated that the council recognized the All-University congress as the "principal student governing agency" on both campuses.

The article will make the Ag student council responsible to Congress "in a manner similar to that of other college boards and councils."

The student council will at times accept responsibilities, the article said, delegated by congress for all-University activities on Ag campus.

The constitution will provide for a quarterly audit to be performed by a committee selected by the council president at the beginning of each quarter.

Ratification will depend on a majority of votes in the elections, Drewry said.

A human relations committee would be established in the revised constitution. It will "create awareness of human relations such as racial prejudice and social and economic injustice" on Ag campus.

The committee will work with the state human relations council and the All-University congress committee on human relations.

Another new rule in the constitution will provide for a designated parliamentarian at the council meetings.

## Toast Contest Ends; Judges Take Over

Judges for the Union Toastmasters' humorous toast contest will begin judging this afternoon after the close of the contest at noon.

Robert Barquist, education senior, has been appointed to act as chairman of the preliminary judging committee, Loren Schultz, co-chairman for the contest, said yesterday.

The committee will select the 50 best entries.

The three top winners will be selected Wednesday by George Grim, a columnist for the Minneapolis Morning Tribune; P. J. Hoffstrom, a columnist for the St. Paul Dispatch; Mitchell Charnley, professor of journalism.

Grim, Hoffstrom and Charnley will announce the winners at a coffee hour from 3 to 5 p.m. Wednesday in the Union men's lounge.

First prize is a clock set, second is a carving set and third is two beer mugs.

## Free DeMille Movie Will Show Monday

Union Monday movies will feature a shortened version of Cecil B. DeMille's "The Crusades" and "That Man Sampson," a short of the Hall-Johnson choir singing Negro spirituals.

The movies will show continuously from 11 a.m. to 1 p.m. Monday in the Union main ballroom.

"The Crusades" stars Loretta Young and Harry Wilcox.

There is no admission charge.

## GP Party Refutes Accusation

The Gopher Progressive party yesterday denied the charge that their group represented only the sororities and fraternities.

The accusation was made Thursday by three other campus parties.

Bill Ellingson, president of the Gopher Progressives, said, "Our constitution allows anyone to run on the party ticket and in this election, as in previous elections, we will run candidates other than sorority and fraternity people."

"While a great deal of our support comes from these groups, it is evident from the results of previous elections that we receive other backing as well," Ellingson added.

Filings for party backing will continue Monday.

The All-Residence party will hold filings from 9 a.m. to 4 p.m. Monday and Tuesday in 204 Eddy hall.

Filings for All-Campus party support are from 1 to 3 p.m. in 213 Union.

Gopher Progressive filings close Monday. Those interested may file from 2 to 5 p.m. in 310 Union.

Filings for the Tech party will be from 9 a.m. to 5 p.m. Monday through Wednesday in 131 Main Engineering.

Filings officially close Wednesday.

Students may run as independents by submitting a petition bearing 75 names to the student activities bureau.

The All-University congress elections committee announced yesterday that all juniors and seniors will be eligible to vote for the senior cabinet.

## U Fund Gifts 150% Greater In '49 Count

Contributions to the Greater University fund during 1949 were approximately 2 1/2 times greater than those for 1948, Stanley J. Wenberg, fund director, announced yesterday.

During the past year 2,202 individuals contributed \$86,000 compared with \$33,424 in the previous year.

The increase is particularly significant in light of the fact that one-fourth of the 1948 total consisted of class funds already collected when the fund was established, according to Wenberg.

A breakdown of 1949 contributions show \$19,682 in unrestricted gifts for the fund's scholarship-fellowship-research program; \$42,554 for specific projects; \$24,716 for various new and existing University trust funds.

Sponsored by the Minnesota alumni association, the fund was established in 1948 and conducts a yearly fund-raising campaign to support University scholarships, fellowships and research projects.

The fund also accepts gifts for specific research projects and gifts designated for new or existing University trust funds.

## Ag Barn Dance Tonight

The first Saturday Nite Barn dance of the quarter will be held at 8:30 p.m. today in the Ag Union gameroom lounge.

Lloyd Meese will call the dances.

Hot words flew at the championship debate tournaments yesterday in the Union men's lounge. Jim Feehan, St. Mary's sophomore, standing, tells his views on the nationalization of non-agricultural industry in the United States, to left to right, Howard Cole and Waldo Johnson, St. Olaf juniors, and Don Bochner, St. Mary's sophomore. The Minnesota collegiate, the Upper Midwest freshman and Upper Midwest junior college champions will be decided at the finals at 2 p.m. today in the Union.

## U SPAN Establishes Coordinating Council

A coordinating council has been set up to integrate SPAN activities at the University, Ruth Elliff, 1950 Spanner, announced yesterday. The main functions of the council are to act as a liaison between the 1949 and 1950 Spanners, between the University and the Minnesota SPAN association and between the Spanners and the faculty, Miss Elliff explained.

Another function of the council is to iron out any differences that might arise between University Spanners and MSA, she added.

Although the greater part of the council's decisions will affect only the University Spanners, some decisions will affect all of them, she said.

SPAN is composed of selected students from the University and seven other Universities and colleges.

An example of a decision passed on by the council that affects all Spanners is its recent decision on the grades that Spanners will receive for their SPAN reports, Miss Elliff pointed out.

All Spanners receive 12 University credits for the reports that they prepare on the projects which they study in foreign countries.

The council decided that Spanners who do not hand their reports in by the deadline, to be set in the near future, will receive 12 credits of "F," Miss Elliff said. When the report is turned in, she added, the grade will be changed and the student will receive 12 credits of whatever grade the report is worth.

The reports are graded by the student's foreign country adviser, topic adviser and an impartial member of the faculty.

Faculty members on the council are Russell M. Cooper, assistant dean of the junior college; Theron Johnson, director of the student activities bureau; Marcia Edwards, assistant dean of education; Asher Christensen, professor of political science.

Student members of the council are Paul Shaw, Marianne Cooke and Ruth Thomas, representing the 1949 Spanners. John Geske, Jean Fletcher and Miss Elliff represent the 1950 Spanners.

## KUOM to Broadcast 'Til 7 p.m. This Month

KUOM will broadcast daily except Sunday until 7 p.m. during April, Arnold Rosenberg, KUOM music director, said yesterday.

"This extends the broadcast time one-half hour, making the dinner concert a one-hour program," he said.

KUOM changes its sign-off time monthly, broadcasting until approximately sundown. The station will sign off at 7:30 p.m. during May and 8 p.m. in June, Rosenberg added.

## Film Society to Show Spanish Movie Again

"Don Quixote," a Spanish movie with English subtitles, will be shown again at 1, 4 and 8 p.m. today in Northrop auditorium by the University film society.

General admission is \$1 but students will be admitted for seventy cents upon presentation of a signed fee statement—one for each ticket.

Snakes Alive! This one is a harmless type of boa constrictor. It was found in a shipment of bananas and sent over to the Museum of Natural History. Snakes and lizards wrap themselves around the stalks of bananas to hunt for insects and frequently are found in shipments from Central and northern South America, according to Dr. Walter J. Breckenridge, museum director. The snake is being held by Dr. Breckenridge.

Students and staff are urged to read The Official Daily Bulletin as they are answerable for notices that affect them. Please note that notices must be received by 10 a.m. of the day prior to publication. All notices should be sent to the Department of University Relations, 213 Administration. Except for certain notices of campus-wide importance, notices will be printed only once.

Saturday, April 1, 1950

No. 99

**Dr. Grim Will Attend Illinois Conference**

Dr. Paul R. Grim, director of student teaching in the college of education, will attend a conference at Illinois State Normal university tomorrow to Friday.

Purpose of the meeting is to plan the summer workshop program of the American Association of Colleges for Teaching Education.

The workshops will be held in August in 10 teacher's colleges and universities.

**Welcome Week Filings to Open**

Filing for Welcome week committees for 1950 will be open from Monday to Friday, according to Wampy Friel, general chairman of Welcome week.

At a meeting Wednesday, the newly appointed committee chairmen went over the Welcome week programs from previous years to determine where improvement is necessary.

The committees will begin to set up the welcome week program during this quarter. They also will contact seniors in the state high schools to interest them in Welcome week.

**Music of Ballet To Be Broadcast**

The music and narration of Tchaikowsky's ballet, "Swan Lake," will be broadcast in its original length over KUOM's "Saturday at the Ballet" from 2 to 3 p.m. today.

The four-act presentation is rarely given because of its length. Usually only the second act is performed.

Arnold Rosenberg, KUOM music director, assembled the complete ballet from KUOM's recorded music. He said it was the first time in a year that the full ballet has been presented in the United States.

**KUOM to Broadcast Youth Meet Forum**

Members of Gov. Youngdahl's advisory council on youth will discuss the Second State Conference on Youth on KUOM's Minnesota forum of the air at 4 p.m. today.

The youth conference, called last month by the Governor, will be discussed by Dr. J. O. Christianson, chairman of the conference, G. J. Reed, executive secretary of the conference, Theron Johnson, director of the student activities bureau, and A. W. Day, director of the Youth Conservation commission.

**Physical Exams to Be Given Today**

Physical examinations will be given to all new and transfer students today at the health service. The examination is one of the University entrance requirements.

The health service reported that 225 students have made appointments to take the examination to-

day. Dr. Cowan expects the examinations to be completed sometime in the afternoon.

Dr. Cowan, assistant director of the health service, is in charge of the physical examinations for men, and Dr. Romona Todd is in charge of the physical examinations for women.

## TODAY

### Meetings

**INDO-AMERICAN CLUB**—3 p.m.—353 Union. Indian movie titled: "Old Heritage." Refreshments. Open to all students. Meeting of club after the movie.

**MARS RADIO CLUB**—Noon—103A Armory.

### Recreation

**SPANISH FILM**—1, 4 and 8 p.m.—Northrop auditorium. "Don Quixote."

**ART CRAFT WORKSHOP**—noon to 5 p.m.—50 Union.

**SATURDAY NITE DANCE**—9 p.m. to midnight—Union ballroom. Orchestra: Les Williams.

**SATURDAY NITE BARN DANCE**—8:30 p.m.—Ag Union gameroom lounge.

## TOMORROW

### Meetings

**MASS**—9, 10 a.m. and 12:30 p.m.—Center for Continuation Study.

**ROGER WILLIAMS FELLOWSHIP STUDY GROUP**—5 p.m.—University church, 1219 University avenue. 6 p.m.—dinner. Discussion: "Meaning of Ecumenicity."

**HOLY COMMUNION**—8:30 a.m.—St. Timothy's house. 10 a.m.—Morning service. 11 a.m.—Morning Prayer and sermon. 6 p.m.—Supper. 7 p.m.—Instruction. Topic: "What an Episcopalian Ought to Know."

**LSA HOLY WEEK PLAY**—4:45 p.m.—Union main ballroom.

**UNIVERSITY VILLAGE CHURCH SERVICE**—11 a.m.—Village Union lounge. Speaker: the Rev. William Larsen.

### Recreation

**NEWMAN OPEN HOUSE**—7:30 p.m.—Newman hall.

## MONDAY

### Meetings

**WESTMINSTER FELLOWSHIP COMMUTERS MEETING**—6 p.m.—Speaker: T. P. Hughes.

**PITKINS OPEN MEETING**—7:30 p.m.—Ag Union east lounge. Open to all home economics girls. Songs, bunko, refreshments.

**MEN'S PHYSICAL EDUCATION ASSOCIATION**—noon—215 Cooke hall. Program. Open to juniors and seniors in physical education.

## KUOM

### Today

5 p.m.—Radio Guild Playhouse, "The White Circus Horse" by Morton Wishengrad.

## ASCE Members To Enter Contest

A \$25 cash prize and national recognition will be given some student member of the American Society of Civil Engineers winning a national ASCE-sponsored paper contest.

The paper will be written on the subject "The Junior Engineer's Idea of His Employer's Ethical Responsibility to Him." All papers must be presented to the student chapter before June 1.

One paper from each student chapter of ASCE will be entered in the national contest.

## Wesley to Hear Lecture

"The Character of Jesus" will be discussed by Dennis Nyeberg at 7:30 p.m. tomorrow in the Wesley foundation sanctuary.

## Spanners Will Hear Lectures on England

The first in a series of lectures on England for 1950 Spanners will be held at 7 p.m. tomorrow at the University Baptist church, 1219 University avenue S.E.

Bob Esterly, president of the Minnesota SPAN association, will speak on "Britain's Role in Western Union."

All students may attend the lectures.

## Filings for Technologist Positions Open Friday

Filings for Technologist editor and business manager will open Friday and close at noon April 10.

All who file for these positions must present a statement of eligibility from the student activities bureau and a list of their platforms to J. B. Thompson, secretary of the Technologist board, in 331 Mechanical Engineering.

# Camels for Mildness!

Yes, Camels are SO MILD that in a coast-to-coast test of hundreds of men and women who smoked Camels—and only Camels—for 30 consecutive days, noted throat specialists, making weekly examinations, reported

NOT ONE SINGLE CASE OF THROAT IRRITATION due to smoking CAMELS!

# Ofsthun Beaten In NCAA Semis

STATE COLLEGE, PA.—(UP)—Minnesota's lone surviving entrant in the NCAA boxing tournament, Neil Ofsthun, was eliminated in a semi-final match here last night.

Ofsthun lost to fast-stepping Henry Amos of Michigan State in a 125-pound class bout. Amos outboxed the Gopher glover in a close match.

In another feature bout on the evening's bill of fare, Dick Murphy was dethroned by Pat Heims of Penn State. Murphy last night defeated Gopher star Cody Connel, last year's 165-pound titlist.

Two defending champions, lightweight Carl Bernardo of Miami and heavyweight Marty Crandall of Syracuse, were dethroned—Crandall in decisive fashion.

The New York heavy was knocked out by Michigan State's Gabriel Marek in 1:53 of the second round.

A second Spartan swinger, Chuck Spieser, took care of Bernardo. Spieser is the man who eliminated Gopher 175-pounder Bill McMoore last night. Spieser now rates as a definite favorite in his division.

Lloyd Jones, who knocked Minnesota Ed Williams out of the 165-pound ranks, also was beaten. Jones lost to big Jim Rollier of Syracuse.

Michigan State boxers starred in the bouts with three winners, Amos, Spieser and Marek.

Finals in the tourney are set for tonight.

## Vancisin Calls Frosh Cage Meeting Monday

All freshman basketball numeral winners should report to Joe Vancisin at 228 Cooke hall Monday. Vancisin will issue information concerning the start of spring practice.

## Linksters Elect Cooper, Waryan Golf Co-Captains

Don Waryan and Harry Cooper were elected co-captains of the golf team at a meeting of varsity and freshman team candidates yesterday afternoon.

The two seniors were chosen by a vote of returning letter winners. Both Waryan and Cooper are in their fourth competitive seasons.

Coach Les Bolstad will take the golfers out on the University course as soon as weather permits. Until the fairways dry out the golfers will work out in the South Tower golf gym.

The two co-captains spent the afternoon on the course hitting drives on the dry practice fairway.

Tryout rounds will be played off with the lowest scorers making up the working squad of about 15.

The freshman linksters will work out with the varsity members but will be cut to about 12 as soon as they are able to get in the necessary tryout rounds.

## Rifle Team In Sectional Shoot Today

Minnesota's rifle team will compete in a national intercollegiate sectional rifle match at 9 p.m. today in the Armory.

The Gophers face squads from Wisconsin and Iowa in a contest that will produce a strong contender for national honors.

Minnesota finished second behind Ohio State last week in the Big Ten meet at Chicago. The Gophers' record for the season is an impressive 27 wins against a single loss.

Coach Jack Boies said yesterday that the team is confident of taking the sectional championship. "And if we take this meet," Boies added, "we have an excellent chance to win the nationals."

## Gymnasts Face 14 Team Field Today in NCAA

WEST POINT, N. Y.—(UP)—Four Gopher gymnasts were among representatives from 15 schools on hand to compete in the eighth annual NCAA intercollegiate gymnastic championships here today.

Minnesotans Howie Swanson, Doug Sorenson, Herb Loken and Howie O'Connell are entered in the meet.

Temple and Kent State are co-favorites for this year's title which Temple won last season. Minnesota finished second in the 1949 meet.

Vying for individual honors are four defending national champs and two AAU titlists. They are Joe Kotys of Kent State, Joe Berneato of Temple, Jerry Todd of California and Edsel Buchanan of Michigan.

Kotys holds titles in the parallel bars and all-around gymnastics events, Berneato in the side horse, Todd in the flying rings and Buchanan in the trampoline.

This afternoon's events will include exercises in the rope climb, side horse, parallel bars and trampoline. Competition on the horizontal bar and flying rings and in tumbling are on tap for this evening.

## Gophers Move Outside For Track Workouts

May 1 is moving day.

But Minnesota's track team will jump the gun Monday when it moves from the Fieldhouse outdoors.

The squad will run only on the grass infield of Memorial stadium for a few days and then hit the cinders when the track is in good shape.

The track, which was covered with several inches of water last week, is one of the best drained in the country.

The 440-yard oval is wet now, but a few days of dry, warm weather and some work by Art Smith's stadium crew will put it in shape for workouts sometime next week.

Since the team returned from Florida, it has been working out in the Fieldhouse. Only a few members worked out yesterday as the annual Metropolitan high school prelims were held. Semi-finals and finals are scheduled for 1 p.m. today.

Coach Jim Kelly will not split the squad this year for the April 22 Kansas and Iowa State Teachers Relays as he did last year. Instead he will take a team to Kansas only as the Iowa meet will not have a University division this year.

Track Talk: Fortune Gordien is in school, but will throw the discus in a few invitational and open meets and the AAU meet this spring.

At the Chicago Relays March 19, sprinter Clark Rice was leading in his heat when he looked to the side to see where he stood. Before he knew it he was passed by enough runners to put him out of the running.
