

WILL THE TREATY BRING LASTING PEACE ?

speaker:

DAVE ZILLY

Dave Zilly is a Vietnam Veteran. He is also the regional coordinator of the Student Mobilization Committee.

time:

FRIDAY, FEB. 2, NOON

place:

320 COFFMAN

topic:

On Saturday, Jan. 27, the "treaty to end the war" was signed. While nearly every newspaper in the country predicted the end of thirty years of conflict in Vietnam, the fighting continued. Why hasn't the fighting ended? What is being fought over? What led to the signing of the peace treaty? Will there be continued U.S. involvement in Vietnam? These questions and more will be answered at this week's Socialist Forum.
