

An international prohibition on further nuclear weapon development will be debated by UMD speakers at the Glen Avon Presbyterian church Men's club meeting Feb. 17.

Representing the affirmative will be William Mularie, Duluth, and Nancy Lund, Eveleth, and the negative, Donald Olsen and Jean Leppa, both of Duluth.

The proposition is: "Resolved, that the further development of nuclear weapons should be prohibited by international agreement."

Lauren Sandquist, Duluth, active UMD forensics participant, will be moderator. The debate will follow a 6:15 p.m. dinner. Robert Page is chairman of arrangements.
