

While the students are away, The Administration will play

Guess What? While the students are gone for the summer, the administration will propose to the Regents-

" A Tuition Readjustment Plan "

Under a Tuition Readjustment Plan your tuition could go Up or down. Does anyone believe the administration will call for lower tuition?

If you don't, or if you are a bit cynical about such things as:

If it is really in the best interests of the students, then why is the administration pushing for it while all the students are gone? They do the same thing with the Draft, you know.

If you care about your tuition going up, there will be a meeting of the Board of Regents at:

9:30 - 11:15
September 13 in Morrill Hall
The Regents Room

Show up or Your tuition goes up
