Wiener Roast Formula for Fun At Bible Class Picnic

On Wednesday night, October 22, the Bible Class sponsored a weiner roast, to which all the students were invited. After that, Carl Young- bloom directed all the students in games. Lester Ward led the group in a devotional prayer preceded by the singing of several sacred choruses.

Then for rest of the evening—weiner roasting time. After receiving their proper proportion of weiners, buns, and pop, all made their way to the fires to roast weiners. Whether smoked, singed, or burned to a crisp, weiners held the spotlight until the roasters of weiners turned their noses home.

Historic Places Visited by Student Sightseeing Group

Arnell Beckman found room for 60 students on the bus bound for the sight-seeing excursion he conducted on Sunday afternoon, October 19.

Points of interest visited were the Governor Sibley House at Mendota, Pilot Knob in Acacia cemetery, Fort Snelling, Wold-Chamberlain airport and Minnehaha Park.

Assembly Go-ers Get Wise to Student and School Activities

Tuesday, Wednesday, Friday and Saturday are the days when all students gather at the auditorium during the fifth hour to sing, to hear guest speakers, and see news reels and movie shorts. And get a shot of enthusiasm.

Our guest speakers have all been very interesting and have broadened our way of thinking. The announcements are made by students at this time so that every student has a chance to hear about all the student activities.

Dr. J. O. Christianson presides and also makes announcements of general interest.

The assemblies start with group singing, Thomas Larimore at the organ, and Ralph Williams directing the singing.

The October schedule follows:

October 8, "God and the Atom," a film; October 10, General announcements; October 11, "Travel in Jamaica," movie short, and a news reel; October 14, Dean Clyde H. Bailey, Dean and Director of the Department of Agriculture, extended his personal welcome to all students.

October 15, "Working Conditions in Russia," Michael Belestu; October 17, Dr. Mark Graubard from University of Minnesota spoke on the Atomic Bomb; October 18, "Historical Cape Town," a news-reel; October 21, Dr. J. O. Christianson taught the audience a school cheer, and commemorated the birthday of the school which was October 18.

October 22, Film "Singin Wires"; October 24, Dr. Milo J. Peterson, Agriculture Education Division, spoke on "Farm Youth," October 25, Newsreel, "Fantasy of Siam"; October 28, Athletic Pep Meeting, when the following cheer leaders were chosen: Marion Karstad, William Hendrichs, Catherine Stine, and Margery Leibel.

Old Meet New at Mixer

Following old custom new students were introduced to the old at the mixer which followed the movie on Saturday evening, October 11. The gymnasium was the scene of the party which was directed by Miss Marie Eibner and Mr. Joe Nowotny.

Several mixers and active games kept everyone happily on the move. In the Bingo mixer, Al Fasen, John Whitney, Jean Valleen, and Melvin Bode won prizes.

An hour of social dancing came to a close when refreshments were served.

Youth Work in the Rural Church

Monday evening, October 20, the class in youth work in the rural church held its first meeting. A fair turnout was reported, but Mr. R. E. Miller stated that there is room for even more who are interested in this work.

The main purpose of these meetings is to help young people who are members of youth groups at home to get some working ideas which they may take back with them. There is no credit toward graduation for this class, but interested members may have a summer project along the lines of youth leadership for which credit will be given.

The course of instruction is arranged by the Minnesota Council of Churches, and sponsored by the University Farm Council of Religions, which is made up of the advisors of young people's organizations. Mr. Ralph E. Miller of University Farm acts as coordinator. Speakers will be varied from week to week. The four areas of youth work to be discussed are as follows: worship, fellowship, study, and recreation.

Sunday Hikers to Como Park Discover Many Attractions

Over 75 students joined in the annual hike to Como Park on Sunday afternoon, October 12. Arnell Beckman conducted the tour and was assisted by a hike committee made up of JoAnn Friese, Ruth Haiwick, Celesta Schiltgen, Erhard Alms, Danny Mann, Russell Roth, and Lester Ward.

At the zoo, the monkeys and baby lions came in for most attention. Here the hikers broke up into smaller groups to visit the greenhouses, "Again I was amazed at the many tropical plants and the goldfish pool," said a first year student, "And we want to see them again."

Lake Como attracted and disappointed the hikers because no boats were to be had. At least one group of students amused themselves and an audience by folk dancing on the pavilion stage. From there groups of hikers found their way home by street car, around the golf course, or just the shortest way to the campus.

So Others Need Not Starve

Aggie students, the facts concerning the food shortage are being brought home to all of us in an attempt to make us realize the seriousness of this crisis. You have all heard of the suffering of other nations because of the lack of food.

Just what does this mean to us, you ask? To many it has little meaning because we have plenty, and those who have plenty, whether it be food, clothes, or money, can seldom imagine what it is like to be without. The Aggie student has even more difficulty understanding what it is like having whole countries starving, because the American farmer eats the best, and the most. He who uses the most usually wastes the most too! Did you ever think of that? What has been wasted in the past can't be saved, but you are now in a position to do something about saving food. There is today, tomorrow, and all the tomorrows after that, in which you can save, so others need not starve.

As you throw away that slice of bread, or those potatoes, you "didn't feel like eating," put yourself in the place of one of the many starving people in this world. That bread, or the potatoes, represent as much, or more, food than you would receive all day. Think about this before you throw away food, and then don't waste it. If you will only follow the slogan "Take What You Want, BUT EAT ALL YOU TAKE," you too can help prevent others from starving.

Harriers Set Pace for Morris Win Meet by Wide Margin

Led by Captain Carl Youngbloom, the St. Paul Aggies won their second cross country meet of the season by a score of 19-38. The race was run Saturday, October 25, on the Morris Ag School course.

Youngbloom led the field from start to finish, ending up almost two blocks ahead of the entire field. Second and third places also went to St. Paul runners, namely Al Meyer and Melvin Rogers. Rogers made a great comeback as at the end of the first mile he was in last place. At the three quarter mark he had come up to seventh in the field of twenty runners. The end of the two miles found Mel in third position only a step or two behind Al Meyer.

The order of finish for the men counting points in the race was as follows: C. Youngbloom, St. Paul; A. Meyer, St. Paul; M. Rogers, St. Paul; Kneeland, Morris; Lein, Morris; C. Roesler, St. Paul; A. Langenfeld, St. Paul; Soerdt, Morris; Aarest, Morris; and Ek, Morris.

Other St. Paul runners were E. Hurst, I. Ingvalson, G. Herrlinger, W. Burmeister, D. Gilderhus.

The winning time for the two-mile course was 11:00. This was very good time considering that the course was slightly uphill most of the way besides being muddy from the recent rains. Youngbloom, if given competition on this run, could have lowered this time.

Junior Volley Ball Team Takes Lead in Class Tournament

In the Round Robin volley ball tournament begun on October 22, the Junior girls won both of their games with the Seniors with scores of 15 to 10 and 15 to 5. The Intermediates downed the Freshmen 15 to 5 and 15 to 4. Captains of the teams were Marian Karstad, Intermediate; Alida Flugum, Senior; Lorraine Dankers, Junior; and Elaine Asleson, Freshman.

Eighteen girls turned out for the first basketball try-outs. Five of them were 1946-47 letter winners, Marian Karstad, Alma Schiltgen, Beverly Leuthner, Kathleen MacKenzie, and Frieda Roth. Four members of the squad last year, Lois Alberts, Carol Herman, Lou Jean Matzke and Celeste Schiltgen were also out for practice and conditioning.

On October 27 began the girls individual and dual sports tournaments. Sport heads in the various activities are Lois Alberts, volleyball; Kathleen MacKenzie, basketball; Jean Valleen, archery; Bernice Doyle, badminton; Roberta Harkness, shuffleboard; Marian Lucht, ping pong; Elsa Karol, swimming; and JoAnn Friese and Marian Karstad, tumbling.

Youngbloom Sprints to Win First Cross Country Race

On Saturday, October 18, the St. Paul Aggie Cross Country team won a close race from the Grand Rapids Aggies by a score of 26-29. The race was over the new Aggie 1.8 mile course laid out among the experimental plots just north of the gymnasium. The closeness of the race is shown by the fact that among the first eight runners to finish no team had two consecutive runners but all alternated. The order of finish for the first ten runners, those who scored points, were: C. Youngbloom, St. Paul; D. Ledstrom, Grand Rapids; Al Meyers, St. Paul; G. Jelle, Grand Rapids; E. Hurst, St. Paul; M. Norwood, Grand Rapids; G. Herrlinger, St. Paul; G. Villebro, Grand Rapids; E. Virens, Grand Rapids; M. Rogers, St. Paul. Other St. Paul runners were; I. Ingvalson, E. Roesler, A. Langenfeld, W. Burmeister, S. Flogstad, R. Peterson, A. Ehlers, and O. Johnson.

Youngbloom's time for the course was 9:49 while Ledstrom was clocked at 9:50 for second place. This was nearly two minutes faster than Youngbloom had been able to run the course earlier in the week.

With about 100 yards of the course yet to be run Youngbloom trailed Ledstrom by 10 yards. It was at this point in the race that Carl put on his terrific burst of speed that enabled him to overtake the leader and win the race.

After the race, Carl was honored by being elected captain of the team for this season. Carl is a hard worker and should make an excellent leader.
