MOSE STRATHERN NEW PRESIDENT

Foot-Ball Captain Elected Chief Executive of Y. M. C. A. for Next Year

Moses L. Strathern, all-Western Center, captain of the '04 football team, will direct the destinies of the local Y. M. C. A. for the coming year. This was the unanimous decision of the association at its annual business meeting last Saturday night. Mose was received with cheers when the announcement of his election was made, and made a characteristic speech accepting the honor.

A large number of representative University men, including several members of the faculty were present.

The annual reports of the officers, which were given, showed that during the past year great progress has been made along all lines of work and that there is a growing interest among the men of the University in all Y. M. C. A. affairs.

During the year the paid-up membership has increased 31 per cent and the number of men receiving help thru the employment bureau has increased 29 per cent. The debt has been reduced from \$1,091.00 to \$200.00, and all current expenses paid. The total receipts during the year were \$2,300.00, and the disbursements \$2,230.00.

The report of the nominating committee was given and unanimously adopted. The new officers are, president, M. L. Strathern; vice-president, Raymond P. Chase; secretary, A. S. Cutler; treasurer, Roy H. Smith; assistant treasurer, A. T. Lagerstrom.

FIRST GAME THURSDAY.

Baseball Team Postpone Two Games But Hope to Play Thursday.

The baseball season will open Thursday, April 14, when the Varsity will meet Winnipeg on Northrop Field at 4 p. m. The admission will be 25 cents. All this, provided the fates and the weather permit, of which, judging from their present disposition, the fans have most serious doubts.

The much postponed game with the North Side High School has been indefinitely postponed, and the game with Winnipeg, which should have occurred in St. Paul today, has been called off.

BAND GOES TO ST. LOUIS

Probable that Minnesota Musicians Will Play at the Great Fair.

An Exposition trip to St. Louis seems next in order for the band. Director Rose is in correspondence with certain Fair officials who are getting up a band tournament between all the colleges in the country. This will probably take place about the middle of June, when the other inter-collegiate events are being held. The boys are in favor of the trip and it is very likely that Minnesota will be represented at the Exposition in the musical line.

NOTICE.

Managers and captains of all department baseball teams are requested to meet in Room 32 of the Main building, Tuesday, at chapel hour.

FRANCIS ARCHAMBOULT, WHO SINGS IN PARSIFAL, IS NOTED BARITONE

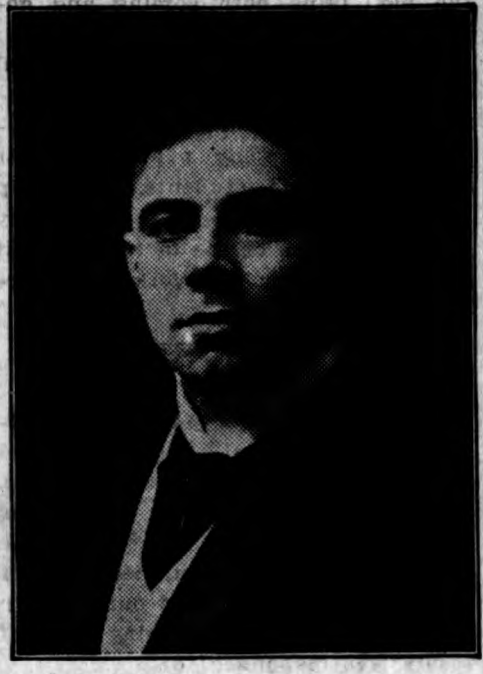

Has been Heard with such Artists as Mme. Nordica and De Reszka

SINGS ROLE OF AMFORTAS

Francis Archambault, the young baritone who will sing tomorrow evening at the Armory, can be justly accounted one of the world's best singers. In spite of his youth, he is but twenty-four, he has attained the highest musical status and has already been heard in company with such artists as Mmes. Nordica and Lillian Blouvelt, Campanari, Bispahm and De Reszka. Every where his work has received a most enthusiastic hearing and won for him enviable encomiums.

At the Parsifal concert Mr. Archambault will sing the role of Amfortas, the king of the Holy Knights who is suffering from an incurable spear wound. Amfortas' lament, which comes in the first act of the opera, is one of the most gloriously sublime arias ever written for a basso, and it is said that Mr. Archambault's rendition is incomparable. It is not often Minneapolis has the opportunity to become familiar with such music through the medium of such great artists.

The Orpheus Singing society, augmented by members of the Apollo and

Kjerulf clubs will sing the professional march of the Holy Knights, one of the most impressive and consecrated choruses known in all music.

The invisible choir, which is under Fraulein Shoen-Rene's immediate attention, is composed of selected voices from St. Mark's and Gethsamane choirs, as well as from the University Glee Club.

A special block of seats has been reserved for the University people and is on sale at the Corner Book Store.

BRAVE VARSITY SOLDIER BOYS MAKE MERRY AT MILITARY HOP

In spite of the disagreeable weather a large and representative turnout participated in the Military Ball last night in the Armory.

The big hall was appropriately decorated with all the accoutrements of war.

A large flag staff, surmounted by the national colors, stood in the center of the floor, surrounded by two cannon and caissons, a softening effect being produced by stacked rifles.

The balcony was hung with bunting, while at intervals cavalry swords and bayonets, together with belts and cartridge boxes were hung to give a truly military aspect. Draped portraits of Washington, Lincoln and Grant, also heightened the effect.

Several hospital tents were pitched in the different corners of the hall and served admirably as places for rest and seclusion. A large mess tent in the girl's gym served as a source of refreshments.

Behind a screen of palms on the stage the band gave forth sweet music, during the evening.

Among those present were many state officials from St. Paul. A large party came over from Fort Snelling, while the National Guard of both cities was well represented. The student officers of the Cadet Corps turned out en masse, as did many of the Univer-

sity graduates who had sometime held a commission in the battalion.

During the greater part of the evening, the gallery was well filled with the admirers of the student soldier, who had come to view the social side of military life, thus brought within their reach.

The extreme martial nature of the evening's program proved to be something of a novelty to all of those present, both on the floor and in the balcony.

The patronesses of the evening to whom much credit is due were as follows:

Mesdames Gov. Van Sant, President Northrop, J. T. Wyman, W. S. Pattee, Dr. Folwell, Geo. H. Morgan, Dean Williamson, Parke Ritchie, Dean Jones, Dean Frankforter and Dean Appleby.

DOW IS WORSE.

Man Who Was Stabbed is Confined to His Room.

D. C. Dow '04, who was stabbed in the inter-society squabble last Wednesday night, is now in a serious condition.

His wound, which at first did not prevent his attendance at school, is now troubling him greatly and he is confined to his room at 72 13th Ave. S. E.

TRIP WAS ONE LONG TRIUMPH

Band Takes Each Town Visited by Storm and Adds New Laureis

The University band has returned home after journeying for a week over the western part of the state and North Dakota on a concert tour which was in every way highly successful.

The itinerary embraced Moorhead, Grand Forks, Crookston, Fergus Falls, Alexandria, and Sauk Centre. Their schedule was carried out without a single hitch, no trouble from delays of any kind being experienced. Nearly every where along the line packed houses greeted them and every where they were royally entertained, receptions and dances being given in their honor by local clubs.

Also their exchequer prospered materially from the trip. The party numbered 42, headed by Director B. A. Rose and Miss Alberta Fishe, soprano soloist.

The band first played in Moorhead, Monday night after a reception given by the normal school at that place. Thence they went to Grand Forks and inspected the state university, playing to a good house in the evening. At Crookston they were given a ball by a local club. Next they played before a packed house at Fergus Falls, while there they were entertained by the Young Men's Club and shown the state institutions and other sights. At Alexandria they were welcomed by two receptions in their honor. Saturday night they played before a Sauk Centre audience under the auspices of the athletic club of that city, who held a reception for them. They arrived in Minneapolis at 7:30 Sunday morning.

Thursday the band will play in St. Paul at the Central Park Methodist church. Sunday they give a concert in the University Chapel for the Y. M. C. A. and Y. W. C. A., at which Miss Alberta Fisher will sing.

CAPS FOR FRESHMAN GIRLS

Startling Innovation to be Adopted by Patriotic Youngsters.

For the first time in history the Freshman girls will wear class caps.

While the freshman boys have been busy with hauling flags up and down the girls have been circulating a paper urging all freshman girls to pay for and wear a class cap.

This has been received with great enthusiasm and the caps will be very appropriate for the use of co-eds as they are white with green letters. The girls do not expect to be compelled to defend their head gear, but will wear them to show their class spirit and their sympathy with the boys in all inter-class mix-ups.

An agreement to discontinue hazing in the form of hair cutting has been signed by 184 freshmen and 200 sophomores at the University of Michigan.

ANOTHER INDIAN.

Thomas Mani, a Freshman law, will try for the football team next fall.

Mani is a Sioux Indian and comes from Sisseton, S. D. He is a Carlisle graduate. He weighs 190 pounds.

Miss Sylvia Frank has resigned from the '05 Gopher Board.

The
Minnesota Daily
Official Paper of the University.

Published every day during the school year by the Minnesota Daily Corporation.

To-day's issue edited by—
M. W. Halloran.

The series of class fights that have been going on the past three weeks between the Freshmen and Sophomores, have on the whole, been conducted with the air of true sportsmanship.

The boys of both classes have fought valiantly and fearlessly for their respective colors and there has been no personal spiteful encounter in the mix-ups.

To these men, who went into the thick of the fray and took blows as cheerfully as they dealt them, all honor.

But there was another class of students invariably present at these scraps to whom such a tribute cannot be paid. We refer to the men who, ever afraid of soiling their linen or of bruising their little fingers, carefully avoided all mixing in the scramble, but slumped about the edges and made way with the private property of the participants.

Several men were noticed during the recent fights running away with the hats and caps of the fellows engaged in the contests. What their motive could be is hard to tell. But it was a most contemptible performance, and the men who were guilty of the acts are doubly to be condemned, since they were too cowardly to go into the fights.

THAT JUNIOR SPIRIT.

Some time ago the Daily mentioned the fact that the Junior class was without a president and that Mr. Fields, the vice-president, who we presume succeeded to the responsibility of the office when Mr. Yerxa left college, would soon leave on the annual trip of the Junior Miners. The Daily suggested then that it would be quite the proper thing for the class to get together and choose some man as its president, at least that the members might be saved the humiliation of admitting that they were without a head.

Some two or three weeks have passed by since these hints were dropped. Yet no action has been taken by the class. So far as can be learned no one has felt class spirit enough to start a little agitation on the matter. What is the matter with the Junior class? One would be tempted to think that it had gone out of existence. And were it not for the records in Registrar Johnson's office no one would have any excuse for denying that it had shuffled of this mortal coil and ceased to be. The Daily hopes that the spirit displayed by '05 during the first two years of its life is not altogether gone, and that it will do something to prove to the public that it still lives.

PLANS FOR SUMMER TRIP.

Preparations Made for Work at Seaside Station During the Vacation.

The annual announcement of the Minnesota Seaside Station for the summer has been prepared and published.

The announcement is gotten up in a very attractive form and is illustrated with numerous cuts.

The former trips have been very enjoyable and profitable, and there is

no reason why the coming season should not be more successful than the preceding ones.

The station is a camp and laboratory on the Straits of Fuca, opposite Cape Flattery, on Vancouver Sound. The situation is an ideal one for the study of Botany, Zoology and Geology, which the delightful location affords.

The parties have consisted of students and teachers accompanied by the instructors at the "U." Prof. Conway McMillan is director of the affair.

For the season of 1904 the party will meet at the Hotel Dominion, Victoria, B. C., about the 19th of July and from there go direct to the station. A party will also be made up at Minneapolis which will make several stops in the mountains both coming and going.

This trip certainly offers exceptional opportunities both for study and recreation which will undoubtedly be taken advantage of by a large number of teachers and students. The trip is of particular value to a University student because of the fact that credit is given here for the work done during the summer.

NU SIBMA NU BANQUET.

The Uu Sigma Nu Medical fraternity held their annual banquet at Hotel Aberdeen, St. Paul, Saturday night. About 75 sat down to a sumptuous spread. Besides the members of the local chapter, many prominent doctors from the cities and from out of town were present. The following list of toasts was responded to:

Toast-master, Charles A. Wheaton, M.D. "Profession of the Northwest, James N. Dunn, M.D. The University Hospital, O. C. Strickler. Neds, Medical and Otherwise, Jno. M. Bell, M.D. Embryo Obstetricians, Parks Ritchie, M.D. Neurons that Pass in Plight, C. Eugene Riggs, M.D. Thirty Cases of Resection of the Pineal Gland, Frederick A. Dunsmoor, M.D. Epsilon and Its Achievements, Frank C. Toad, M.D. The Fabrications of Karssark, W. Alexander Jones, M.D. The Deformed Transformed, Arthur J. Little, M.D.

FRESHMEN WEAR CAPS.

First Year Men Decide to Wear Distinctive Covers.

The Junior Laws will fall in line with the Freshmen of the other departments and get class caps. At first the sentiment of the class was against it, but later they realized that this was the proper thing to do.

In spite of Dean Pattee's advice to keep out of the class scrap business, the Juniors are now taking every precaution to keep quiet the date of the caps appearance.

Plans are being formulated to convince the Middlemen that it won't be advisable for them to make any protest against it.

Your face will be fair if you use Williams' Shaving Stick.

GIRLS SING AT PARSIFAL.

Glee Club Will be Part of Invisible
Chorus

The Girls' Glee Club will sing at the Parsifal concert Wednesday night. Fraulein Schoen Rene, who is training the club, received a telegram from Damrosch yesterday asking her to have her pupils ready to perform in the invisible chorus which is to have an important place in the program.

In response to the telegram the girls began work immediately and will practice at every opportunity from now till the evening of the concert. A grand dress rehearsal will take place at the Armory Wednesday noon, in which the Glee Club will figure prominently.

Fraulein Rene is greatly pleased at the recognition given the club. The distinction of performing at this concert means much to the girls and they will use every effort to the best advantage.

HAVE GOT A GOOD START.

Plans for Women's Building Have
Substantial Foundation.

At last the much hoped for Women's Building has a more substantial backing than mere talk.

The carnival proceeds with bills all paid are easily over \$200 and this is a very modest estimate.

The mags sold at the April booth amounted to over \$80 and undoubted-

this amount would have been doubled had the supply not given out.

People who ordered more mags for the sake of a good cause than they absolutely needed are being relieved of them at ten cents a copy and the board will clear in the neighborhood of \$200.

Public interest has been aroused by the untiring efforts of the woman's league and letters have been received from people all over the state offering to help out and making propositions which are being considered now.

The proofs of the pictures of the booths taken Monday have arrived and anybody wishing to order them must see Miss Ester Colter.

It was agreed that the meet should be confined to these colleges.

CATHOLIC MEN BANQUET.
The First Annual Banquet of the U. C. A. Men.

About 80 men of the U. C. A. sat down to their first annual banquet at the Nicollet Hotel last Saturday night. After enjoying a very sumptuous outlay of eatables, the members listened to an excellent program of toasts, John A. Layne was in the chair as toastmaster.

The most notable addresses of the evening were delivered by Rev. J. M. Cleary who responded to the toast "Religion and Higher Education," and T. D. O'Brien the well-known St. Paul attorney and public man, who talked on "The Catholic Citizen." Several other distinguished gentlemen of the clergy and laity of the Twin Cities were to have been present, but unforeseen circumstances prevented them. The toasts responded to by the students were "Co-ed Co-operation," Mat

Baldwin, and "Reminiscences," A. S. Maloney. Both toasts were ably handled and well received. Several other members of the association were called upon for extemporaneous addresses and the boys enjoyed their cigars and oratory till a late hour.

At the close it was unanimously decided to make the banquet an annual affair.

UNIQUE STUNT AT IOWA.
Interfraternity spirit seems to be especially good at the University of Iowa. Interfraternity baseball has been played there for a number of years. This winter an interfraternity whist tournament was organized. Now, as spring approaches, the fraternities come forward with anew "stunt," an old fashioned one. The plans are simple: One or two beeves; a big fire; plenty of cider, apples and other refreshments suited to a barbecue; a pleasant spot up the Iowa river; and a hundred fraternity men. The sororities will, perhaps, be guests of honor. Perhaps the next stunt at Iowa will be to abolish separate fraternities and combine as one mutual admiration society.
