## FOOTBALL AT LAST REFORMED

### BIG NINE FINALLY ADOPTS RULES.

Eligibility, Training, Length of Season, Number of Games and Receipts are Limited.

Football reform has at last crystallized into the adoption of a set of rules by the Big Nine colleges.

Athletic rules were drawn up last Friday as follows:—

Rule 1. No freshman shall take part in any intercollegiate athletic contest. Effective at next fall semester.

Rule 2. No student shall participate in intercollegiate athletics for more than three years in the aggregate.

This rule shall become effective on Sept. 1st, 1906, except for students who participated in college athletics in the years 1905 and 1906. For these the rule becomes effective Dec. 1, 1906.

Rule 3. Participation in intercollegiate football shall be confined to (Continued on page 2.)

## TENNIS CLUB TO ORGANIZE

### FIRST MEETING OF YEAR ON THURSDAY.

Many Good Players now in College—Season will be Longer than Usual.

The University Tennis Association will hold its first meeting of the year in Prof. West's room at chapel time on Thursday.

Officers will be elected and arrangements will be made for the annual spring matches.

The prospects for a successful season are unusually good as the postponement of commencement week until the middle of June will give more time for the tournament than has heretofore been the case.

The courts on Northrop Field will be put into good shape and the old courts will probably be repaired.

There are a number of old tennis players in college this year and the Freshman class also contains some promising material.

Among those who have entered University tournaments before are: Payne, Muir, Larkin, Schrader, Thompson and Fletcher. Of the new men, Potter, Beals, Wilson, Joyce, Leuthold and Woodcock should develop into strong players.

### PILLSBURY ORATORICAL.

Annual Contest will Take Place Friday Evening.

Friday evening the annual Pillsbury Oratorical contest will be held in chapel.

Six contestants will take part; John Sinclair, Lucile Way, Magnus Aysara, Fanny Filgelman, J. Nebbergall and Orlo B. Flinders.

Three prizes of \$100, \$50, and \$25 will be given to the winners of first, second and third places.

The winner of first place will represent Minnesota in the Northern Oratorical contest.

### TO SING TOGETHER.

Euterpeans will join with Glee Club Saturday Night.

This afternoon at 4:30, the Girls' and Men's Glee Clubs will hold a meeting in chapel to arrange a program to be given at the Wisconsin basketball game Saturday evening.

This will be the first appearance of the two clubs together, and a strong effort will be made to make the experiment a success.

## MAROONS LOSE IN CLOSE GAME

### GOPHERS WIN BY SCORE OF 20 TO 17

Minnesota adds Another to Long List of Basket-ball Victories—Tied with Wisconsin for first Place.

In the most exciting basket-ball game ever seen at Minnesota, the Gophers defeated their Maroon opponents Saturday night by the close score of 20 to 17.

This puts Minnesota at the head of the percentage column, but as Wisconsin won another victory, she has an equal right to the place. The team standing is as follows:—

Minnesota	533
Wisconsin	533
Chicago	500
Illinois	333
Purdue	300

Minnesota outplayed the visitors at every point during the first half, the score being 15 to 5. In the second, half however, Chicago came back with greatly renewed vigor and Minnesota's chances were greatly in danger.

With the score 18 to 17 in favor of Minnesota, Gar Brown was called in to the game in Uzzell's place. Altho Brown had arisen from his bed where he had been confined with a slight attack of pneumonia, he played with all his old time vigor and by a beautiful field goal, clinched the game, by the score of 20 to 17.

McRae's work was exceptionally good as was that of Mart Larson. Louis Larson was pitted against Schommers, the best center in the country, but kept him guessing all the time. The work of Schommers and McKeag for the visitors was fine.

Davis from Milwaukee refereed the game and was very satisfactory.

McRae L. Forward McKeag. Clark Rt. Forward Chessman L. Larson Center Schommers Uzzell, Brown L. Guard Houghton M. Larson Rt. Guard Leuhring Goals from field, Schommers 4, McRae 3, L. Larson and McKeag 2, Uzzell, Brown, M. Larson, Chessman, Leuhring 1. Minnesota threw four fouls, and Chicago the same number. Halves, 20 minutes. Davis, referee.

### FRESHMAN MEETING.

Representation in Gopher will be Considered.

The Freshman Class will hold a short meeting after the fourth hour today in Mr. Arnold's room.

The Freshman representation in the Gopher will be considered and the matter of class colors will again be taken up.

## CHOOSE PHI BETA KAPPAS

### EIGHTEEN SENIORS ARE SELECTED.

The Elections will be Announced in Chapel this morning.

Yesterday at 4 P. M. in Pres. Northrop's office, eighteen members of the Senior class were elected to Phi Beta Kappa.

The election was based on scholarship, character and personality.

The choice was made by the active chapter consisting of Phi Beta Kappas who are at present in the University.

The names will be announced in chapel this morning.

### Staff Notice.

A Daily staff meeting for everyone Wednesday at 3 P. M. in Schaper's Seminar room. Informal talk by some faculty member.

A. T. Lagerstrom, '05, instructor at Gustavus Adolphus College, visited the University yesterday.

## PLANS FOR NEW MAIN COMPLETED

### LOCATION OF DEPARTMENTS IS ARRANGED.

Daily, Gopher and Magazine Boards are Provided with Offices.

Plans for the New Main Building have been completed by the architect, Mr. C. H. Johnson and the location of the various departments has been arranged.

On the first floor, will be the Dean's office, the post office, the office of the Minnesota Daily, a faculty parlor, and rooms, studies and seminars for the Departments of Astronomy, Mathematics, Latin and Greek.

The second floor will be devoted to the Departments of French, Spanish, Philology, and German and will also contain the offices of the Gopher and Minnesota Magazine, and a room for the use of literary societies.

The Departments of Philosophy, Psychology, Pedagogy, and Rhetoric will be on the third floor.

The building will be erected next to the Physics Building as originally planned.

### WILL MEET WISCONSIN

Championship Basket-ball Contest Next Saturday Evening.

Next Saturday evening in the armory, Wisconsin and Minnesota will meet in the contest which will in all probability settle the western basket-ball championship.

This is the second time this year, that the two teams line up against each other, Minnesota having lost the first game by a narrow margin.

The Gophers will practice hard this week and Capt. McRae has predicted that the team will be fifty per cent stronger on Saturday night than when it met Chicago. Gar Brown is expected to be in condition to enter the game.

### MILITARY BALL.

Music will be Furnished by University Band.

The University Band will furnish the music for the Military Ball, which will be held on April 23rd.

Tickets for the ball have been printed and may be obtained from the officers by those entitled to attend. Gallery tickets will be placed on sale within the next two weeks.

## INDOOR MEET ON SATURDAY

### FIRST TRYOUT FOR TRACK MEN.

Relay Races will be the Specialty—High School Men are Entered in the Sprints—Fraternalities will Compete.

Track men are working hard to get into condition for the annual indoor meet which will be held in the Armory next Saturday, March 17, at 2 P. M.

The events are to be pulled off in the following order:

- 60 yd. Dash—University.
- 60 yd. Dash—High Schools.
- 60 yd. High Hurdles—University.
- 60 yd. Low hurdles—University.
- High Jump—University.
- Shot put—University.
- Half mile run—University.
- 1 mile run—University.
- Sophomore-Freshman, Relay race.
- Inter-fraternity relay race.
- Foot-ball, Base-ball, Track, relay.
- High School relay.

It has been decided by the board of control, to award banners to the winners of the High School and inter-fraternity relay races. Individual prizes will be given to the winners in the other events.

This will be the first time this year that the men have had an opportunity to show what they can do, and the meet will also give Dr. Williams and Capt. Greaves a good chance to size up the men and pick out those who will represent Minnesota this spring.

All entries must be in by Wednesday.

### BRUSH BARRED.

Star Tackle will be Ineligible next Fall.

Brush will not play with the Minnesota team next fall.

Brush will be ineligible under the rules adopted last week which provide that no student shall be allowed to participate in any game who has graduated from any College or University. Brush finished at Macalester two years ago.

An attempt was made at the conference to extend the exception which states that players who have played in the years 1905 and 1906 shall not be effected by the change in restrictions, to this rule but the conference refused to take such action.

Dean Jones declared yesterday afternoon that such refusal could only mean that Brush will be declared ineligible next fall.

The spirit and enthusiasm shown by the spectators in Saturday night's basket-ball game was no less gratifying than the work of the men themselves. The audience was one of the largest ever seen in the armory and one of the most appreciative and while naturally partial to Minnesota, it did not fall in respect and generosity to the Chicago men.

We seem to be beginning to realize that gentlemanly treatment of our opponents is of just as much importance as loyalty to our own teams.

SAVAGE GRAND OPERA

Seems likely to prove of interest to University Students.

Grand opera, in the twin cities this week should draw large crowds from the University.

The Valkyrie, Lohengrin and Tannhauser by Wagner and Faust by Gounod are particularly interesting because these two composers have made the most successful attempts at the union of music and drama.

Prof. Moore in speaking of the coming productions, said, "No student of musical tastes who has the means should fail to see these operas. Each is a masterpiece."

"I am given to understand," said Prof. Klaber, "that the Savage Grand Opera Company is the best English Opera company in America and that their productions rival in many ways those of the European stage managers."

The Savage company will give Rigoletto tonight, Tannhauser, Wednesday afternoon, and Faust Wednesday evening in the Metropolitan in Minneapolis. In St. Paul, Thursday evening, The Valkyrie, Friday evening Rigoletto, Saturday afternoon, Lohengrin and Saturday evening La Boheme.

AT OTHER COLLEGES.

Trials and Tribulations of our Sister Universities.

President Jordan, of Leland Stanford University, has decided to give out no more news to newspaper correspondents.

North College, the oldest building at Wesleyan, was destroyed by fire Thursday. Many of the students were driven out, but accommodations were found for them and they have been enabled to continue their work without serious difficulty. The actual loss has not yet been determined.

**LAST REFORMED.**

(Continued from page 1.)

students who have not graduated from any department of a college or university.

Rule 4 No team consisting wholly or in part of college students shall play football with high schools, academies or independent professional schools. Effective Sept. 1, 1906.

Rule 5 That no more than five intercollegiate games shall be played in one season. Effective Sept. 1, 1906.

Rule 6 Freshmen teams and second elevens shall play only with teams from their own institutions. Effective Sept. 1, 1906.

Rule 7 No more than 50 cents shall be charged at any game for any seat whether reserved or not, for members of the university, and a less sum shall be charged if possible.

Rule 8 There shall be no training table or training quarters for any athletic team. Effective Sept. 1, 1906.

Rule 9 A competent university officer shall state in his certificate of eligibility (1) that the student has passed all his entrance requirements; (2) that he has passed all intervening work as regularly required in each university, for the period involved; (3) that he is taking full work in the current semester.

Rule 10 We recommend that no coach be appointed except by the university governing bodies on the recommendation of the faculty or president, in the regular way, and with a moderate salary. This recommendation becomes effective as soon as the existing contracts in the several institutions permit.

Rule 11 There shall be no preliminary training prior to the beginning of academic instruction. Effective Sept. 1, 1906.

Rule 12 The season will end on the first Saturday before Thanksgiving.

Rule 13 Steps shall be taken to reduce the receipts and expenditures; that the athletic surplus be devoted, as far as possible, to permanent university improvements; that the financial management of athletics be entirely in charge of the faculty who shall publish all reports of the receipts and expenditures. Effective Sept. 1, 1906. (This also absorbs the old rule No. 14.)

**NO BANQUET.**

Seniors Claim that they should be the Guests.

From present indications there will be no girls' basket-ball banquet this year.

It has been customary for the winners of the tournament to entertain the other teams, but the Seniors claim that this year it was agreed that the losers were to be the hosts. That such an arrangement was made is denied by the defeated teams.

**AGGIES ELECT.**

The Sophomore class of the Agricultural school met recently and elected William White, president; Wayland, treasurer, and Mabel Robinson, secretary.

Dana Frear was elected as the "Ag" School representative for the '08 Gopher.

**INTERESTING INQUIRY.**

Prof. Dexter examines so called "Football Injuries."

An interesting inquiry was made last fall by Prof. Dexter of Illinois, who believed (as many other football enthusiasts do) that the multitude of injuries ascribed to football are in a great measure only newspaper yarns. In working out this theory, he wrote a personal letter to each man whose name was published as injured by football.

Professor Dexter sent out one hundred and thirty-five letters. Of these twenty-four were returned marked, "No such person in the directory." To the seventy-eight letters which were sent to college players sixty replies were received. Fourteen of these reported their injuries as false and only five could be described as being seriously injured.

To show how unfair are the newspapers, one victim of the "game's brutality" was electrocuted while climbing an electric light pole to knock a ball down.

MUCH INTEREST IN COMING TOURNAMENT.

An unusual degree of interest is being shown in the Interclass and inter-department basket-ball tournament which will take place on March 22nd. The four Academic classes have already entered teams and it is probable that the Medical and Agricultural departments will also be represented. The unusual number of entries will necessitate a rearrangement of the schedule and it is now planned to settle the Academic championship on the 21st instead of the afternoon of the 22nd.

Of the department teams the Medics should be very strong with Ely, the varsity center, and Barton and Varco. The faculty have also a fast aggregation of experienced players.

The academic class-teams promise to be evenly matched.

The Seniors have three men on the Varsity, Clark and the two Larsons. The Freshmen are as usual the unknown quantity, altho, judging from the calibre of the men, no difficulty in picking a team should be found. The most promising candidates appear to be Patterson, of the Minneapolis Y. M. C. A. team, Vidal, Foster, Uzzell, Pidgeon, Rich, Ardson and Robertson.
