

Engineers to Hold Annual Elections

Freshmen, Sophomores, and Juniors to Meet at Convocation Period Today

Freshman, sophomore, and junior engineers are all slated to hold class meetings at convocation today. The election of officers will be the first business disposed of by each class.

The freshmen will then be told all about the approaching Engineers' association banquet by George Lindsay, president of the association. Mr. Lindsay will also explain the custom of wearing green ties, and something about the position the freshmen hold with respect to the rest of the college. The plans for the freshman-sophomore scrap will also be discussed.

After the election of officers, the sophomore class will also be addressed by Mr. Lindsay. He intends to place before the students the proposed plan for substituting green ties for the traditional caps. This plan was recently approved by the Upperclassmen's association. Further business will consist in suggestions and plans for the annual education of the freshmen in the ways of the U. of M.

The junior engineers will elect officers for the coming year.

Welsh Male Chorus in Minneapolis Soon

The Mountain Ash Welsh male concert choir will be heard in a recital at the Minneapolis auditorium, Friday and Saturday evenings, October 8 and 9.

The choir, which is under the direction of Professor T. Glyndwr Richards, is now on its fourth American tour.

The organization is highly praised by Mr. Woodworth, director of the Apollo club. Dr. Rhys Herbert, head of the Elks Glee club, and Professor Carlyle Scott, head of the music department of the University. Of the choir Professor Scott said: "Its members have been singing together for a number of years, and as a consequence, its ensemble work is wonderful."

Colonel Lee Walks to 'U' for Subscription

Spurred on by his eagerness to have his Daily subscription entered on the books, Colonel E. T. Lee, veteran football fan, walked the entire distance from Fort Snelling to the University yesterday. His enthusiasm spurred the campaigners on the campus on to greater efforts. Late last night the books showed that more than eighteen hundred of the required 2500 subscriptions had been obtained.

River Bank Deserted; Weather Lacks Knack Of Old Springtime

Is river banking becoming a lost art at Minnesota? The continued warmth of sunshiny afternoons finds numerous couples taking advantage of the marvellous opportunities to study nature afforded by the campus knoll, but alas! the river bank is deserted.

No longer do couples stroll beneath the shady boughs, no longer listen to the seductive murmurs of the Mississippi. All have departed to parts unknown.

One "knoller" said when questioned. "Somehow it doesn't appeal like it did last spring."

ANNOUNCEMENT OF HARRIS CONTEST GIVEN OUT

(Continued from page 1.)

(7) The donor reserves the right not to award any or all the prizes offered whenever the committee shall decide that the essays submitted are not of the quality to deserve the reward. The donor also reserves the right to publish the best of the essays in such of the popular magazines, reviews or newspapers as shall insure a widespread public notice of the work done.

Subjects Announced

- The subjects that students are asked to write on for the 1920-1921 contest, as announced by the committee, are the following:
- (1) "Constitution-making" in Europe, either from a comparative standpoint, or for a particular State.
 - (2) The elements of a Far Eastern policy for the United States.
 - (3) International settlements in the Near East, with relation primarily either to European territories or to Asiatic territories.
 - (4) Campaign contributions and expenditures, and their regulation.
 - (5) The problem of State supervision and control over local administration (a) in a particular State, or (b) with reference to a particular field of government, such as health, public utilities, taxation, accounts, law enforcement, etc.
 - (6) Budget reform: (a) in the National Government or (b) in a particular State or City.
 - (7) Reorganization of county government, with reference to a particular State or county.
- Any Student May Enter**
- These prizes have usually been won by political science seminar students, but any student is eligible to enter the contest. Anyone interested should see Prof. Young in the Mechanic Arts building as soon as possible in order that he may have plenty of time for study on his subject. Essays are to be submitted to the judges about May 1, 1921.
- Whose Daily did you read today—your own or your neighbors?

What's Happening On The Campus

- Thursday, Oct. 7, 1920**
- 3:00 p. m. Inter-collegiate debate tryouts in Room 308, Folwell.
 - 11:30 a. m. School of Business Men meet in Room 202, Mechanic Arts.
 - 11:30 a. m. Junior Engineers meet in Room 136, main engineering building.
 - 11:30 a. m. Academic sophomores meet in Physics auditorium.
 - 11:30 a. m. Sophomore engineers meet in auditorium, School of Chemistry.
 - 11:30 a. m. Freshmen chemists, engineers, and architects meet in auditorium of main engineering building.
 - 1:30 p. m. Music Club meets in Music building.
 - 4:30 p. m. Players club tryouts. Dramatic room, fourth floor, Folwell Hall.
- Thursday, Oct. 7, 1920**
- 7:00 p. m. Meeting of all Rooter club members in the Minneapolis Great Northern depot. Purpose is to give the Gopher team a send-off for the Northwestern trip. Team leaves at 7:30 p. m.
- Friday, Oct. 8, 1920**
- 4:30 p. m. Players club tryouts. Dramatic room, fourth floor, Folwell Hall.
 - 12:30 p. m. All-U Council meeting in room 247 1/2, chemistry building.
 - Kappa Rho literary society meeting. Jean Martin Brown room, Shevliq Hall.
- Saturday, Oct. 9, 1920**
- 12:30 p. m. Cosmopolitan club will meet for informal luncheon upstairs, Minnesota Union.
 - 8:30 p. m. Menorah society annual get-together, Minnesota Union ballroom.

W.S.G.A. Wants More Textbooks For Store

The W. S. G. A. Book Store needs the following books very much:

- Fish—Development of Am. Nationality.
- MacDougal—Documentary Source Book.
- Talbot—French Composition.
- Coitland—Economic History.
- Cole—Accounting.
- Andrews—History of England.
- White and Notestein—Source Book.
- White—Eng. Constitution.
- Moulton—Money and Banking.
- Taylor—Chapters on Money.

You need the Daily, and the Daily needs you. How about it?

Meandering Miners Cause Commotion With Rescue Togs

"It's a parade!" said one co-ed yesterday when a group of mining students went past the library.

"No, it's a frat initiation," replied her friend. Still another onlooker ventured, "Maybe they are testing some new diving outfits."

Helmets, goggles, weighted down with leads and oxygen tanks, twenty mining students coming from practical work in the U. S. Bureau of Mines rescue car which is at the University this week to, afford instruction to, the junior and senior mining students, attracted a great deal of interest on the campus.

The course which the miners are taking is the same as that offered by the rescue-car officials to men actually employed in mines and facing the dangers of the "underground work." Completely equipped with all sorts of life-saving and disaster-prevention apparatus and manned by skillful rescue workers, the car offers an unusually practical experience to Minnesota mining students.

Increased Numbers Study Sociology

A much increased enrollment is shown in the department of sociology this quarter, with an advance from 593 the first quarter last year to 721 the present term. Of this number, there are 333 enrolled for the introductory course which is divided into six sections. The largest enrollment of the department was during the spring quarter of last year when 500 students were taking the introductory course and about 330 others were enrolled for other courses in sociology.

Two instructors have been added to the teaching staff this year, Louis A. Boettiger, instructor, who formerly taught at Fargo College, Fargo, North Dakota, and Mrs. Mildred D. Mudgett of Minneapolis. Mrs. Mudgett will have the supervision of field work, this being the first year the department has had a full time supervisor.

The twenty per cent increase of enrollment is considered as merely a fair index of the general increase of interest which is being shown in the social sciences in colleges throughout the country, and, in fact, throughout the whole world.

JAPAN COLLEGES CROWDED

That university training is highly regarded in Japan is evidenced by the fact that the government schools of college grade here have for the past few years been unable to accept more than two-thirds of the applicants. The University of London has 53 constituent colleges.

Rooters Club Cards to be Issued Today

Membership cards for the Rooters club will be available in headquarters in the Minnesota Union beginning this afternoon. All who have paid their initiation fee of 10 cents may get a card by applying at the office.

All volunteer solicitors for members are requested to turn in all money belonging to the club to E. G. Taylor, treasurer, P. O. box 2194, before noon today. This is in order to check up on memberships before giving out cards this afternoon.

Officers of the club are now investigating the feasibility of a special train to the Minnesota-Iowa game at Iowa City, November 13.

Sanford Girls Hold Year's First Party

Freshmen Initiated—Juniors and Seniors Hostesses—Affair First of Series

Both East and West Sanford Halls were scenes of festivity last night when the first party of the fall was held. The affair was in the nature of a mixer, the freshmen being guests of the upper classmen. The Sophomores, although guests themselves, took care that every freshman was duly initiated. The program consisted of dancing and refreshments served by the juniors and seniors.

This affair was a forerunner of several similar parties which the Sanford Hall girls usually give during the school year.

Girl's Ankle Broken In Inter-class War

Miss Edith Johnson of Hope, N. D., freshman in the North Dakota Agricultural College here, is in a hospital here with a fractured ankle, received in the girls' class fight which began yesterday and concluded today. The struggle began when the upperclass girls issued an edict ordering freshman girls to wear green and yellow hats and do their hair in braids. The casualty halted the engagement without either side able to claim a victory.

"Shak" Debaters Meet; Install New Officers

Event Marked by Informal Dinner and Short Talks—Opening Plans Outlined

The Shakespearean debating society met the first time this year for an informal dinner and program, in the Y. M. C. A. room of the Minnesota Union, Tuesday evening. Nearly all the old members were present and during the course of the evening each one delivered a short spirited talk.

Installation of new officers formed the chief event on the program. This was followed by the outlining of plans for a record opening program next Tuesday. The society wishes it understood that all men who are interested in developing their ability in public speaking are welcome at Shak meetings whether they come as visitors or as prospective members.

The new officers of the society are: Frank W. Hanft, president; Sam A. Berg, vice-president; Roy W. Mattson, secretary; E. E. Watts, treasurer and William E. Reed, sergeant-at-arms.

Out in Oklahoma the state university is conveniently located in the same city whose limits incorporate the state asylum for the insane. Our legislature, apparently, was less farsighted.—Exchange.

FOR SALE—Several used microscopes of best makes and objectives, eyepieces, condensers, etc. in good condition. These are not cheap amateur instruments, but high grade. Also set of drawing instruments and photo lenses. Inquire of Mr. Baker, % Oliver Baker Mfg. Co., 315 1st Ave. N., or phone Atlantic 1937. Will sell separately. Bargain.

"BURLY" GRIMES STANDS INDIANS ON BEANS, 3 TO 0

World Series Evened Up—Dodgers Bunch Hits Off Bagby In Three Frames

SPEAKER GETS 3 HITS AND SPARKLING CATCH

Southpay Duel On Tap For Today With Mails and Smith In Leading Roles

Brooklyn evened up matters in the World Series race yesterday, when Grimes, pitching superbly, shut out Tris Speaker's fighting Indians, 3 to 0. The Dodgers scored once in the first, third and fifth innings, finding Jim Bagby, on the mound for Cleveland for a pair of bingles in each frame. Bagby retired in favor of Uhle in the seventh who held the Robins runless for the rest of the game.

Speaker Hitting Star

Burleigh Grimes, "Uncle Robbie's" slab ace, was going great guns yesterday and not once during the matinee did the Indians get more than a peek at the score column. With his spitter under perfect control and using a baffling change of pace, Grimes had Speaker's cohorts, wrenching their spinal columns and fanning the atmosphere. Tris, himself, had little difficulty in solving the Brooklyn pitcher's hooks, poking out three hits and getting one free ticket out of four trips to the platter.

Speaker Pulls Sparkler

The fielding features were furnished by Speaker and Griffith. Tris pulled his sparkler in the fourth, robbing Killduff of a triple. After a fifty yard sprint out into deep left center, the Indian leader speared the ball. Griffith drew a big hand when he nailed Sewell's hit against the fence in the seventh.

Today's game will be a battle between two southpaws. Lefty Mails will be on the firing line for Cleveland, with Sherrod Smith, Brooklyn's star left-hander doing the chucking for the home team. After today's game, the two teams will board the train for the home of the Red Skins where they will open a three-game series before the Cleveland fans.

GREEN CAPS INAUGURATED
Green caps for freshmen are to be inaugurated at the University of Iowa this year. Campus societies are behind the movement and the caps are soon to be ordered.

Whose Daily do you read—your own or your neighbor's?

Ekberg To Fill Reuben's Shoes At Fullback Against Purples

Gus Ekberg

Gus Ekberg's trusty toe bids fair to be one of the most valuable members of the Minnesota team this fall. In the North Dakota game last Saturday, though he did not get a chance to carry the ball over the Green and White goal line, Ekberg broke heavily into the scoring with five pretty goals to his credit out of as many attempts.

Though he played a bear of a game at end last week, in the absence of Reuben, Ekberg will play fullback against the Purples Saturday. No better man could be picked for the job. A good punter, a hard hitting line plunger and a sure tackler are rare combinations in a single player. Gus has these three qualities and ought to be one of the big stars against Northwestern.

RUBEN WILL NOT START IN FIRST BIG TEN CLASH

Coach Williams Will Not Risk Eddie's Injured Shoulder Till Indiana Game

ROOTER'S CLUB TO SEE TEAM ON WAY TONIGHT

Weblen and O'Brien to Play Ends Frazer and Enke Tackles—"Mac" Not to Start

Dwight P. Lyman

Gus Ekberg will start at fullback against Northwestern next Saturday. Eddie Reuben will make the trip with the team, but "Doc" Williams will not risk his entry in the game, because his shoulder is still a little weak, from the injury received in practice recently.

McClintock turned his ankle in Tuesday's practice, and will not be in shape for the Northwestern tilt. Ekberg was shifted to the backfield and looks like a powerful factor. He has been tearing into the frosh line like a real veteran in the varsity vs. yearling scrimmages this week.

The backfield looks like a going aggregation. Captain Arntson will pilot the team. Arnie Oss and Harry Brown will be on hand to plunge and gallop in and around the Evanston line. Arnie hopes to lengthen his stride, and show them what the back of a headgear looks like. Brown, who showed up prominently in Saturday's game will be a big factor in the Gopher game. The addition of Ekberg makes the backfield a strong plunging combination.

The line, with one game's experience behind them, have been putting out a good brand of football. Fraser, at right tackle, and Fred Enke at left guard will start Saturday. Weblen and O'Brien will handle the wing position. Both men have displayed excellent ability in handling their places. Tierney at left tackle, Nolan at right guard, and Clement at center will complete the line.

"Doc" Williams, profiting by the Dakota game, sent the team through some hard paces this week, and made some necessary changes. The Varsity scrimmaged the freshmen the first three nights this week. Thursday night's program included a chalk talk at the Minnesota Union. After the surprises sprang by Coach Davis' team Saturday, special stress was put on the necessity and means of breaking up passes.

The following men lead by Captain Arntson will leave for Evanston: Atwood, Bailey, Brown, Buhr, Clement,

Cooper, Cole, Dvorak, Ekberg, Enke, Fribley, Frazer, Gruye, Gillan, McLauray, McClintock, Nolan, Oss, O'Brien, Regnier, Reuben, Larson, Teberg, Tierney and Weblen. The coaches, making the trip are Doctor H. L. Williams, Hauser and Vern Williams.

Seventy Competing In Hockey Tryout

Field Season Opened Monday for First Year Girls—Peppy Season Promised

Seventy freshmen and sophomore girls are reporting for hockey practices this week. The field hockey season for women of the University opened Monday afternoon at 4:30 o'clock. According to those in charge of the organization of the teams, the interest shown by those who are trying out this week promises excellent material for class teams, assuring a "peppy" season.

The two hockey fields at the rear of the women's gymnasium are both in use on Mondays and Wednesdays, with junior and senior coaches in charge. More applicants for the teams can be accommodated. The posters are still up on the bulletin board in the gymnasium and the W. A. A. is anxious that more girls sign up for class tryouts. Freshman and sophomore practices are on Monday and Wednesday afternoons at 4:30 and junior and senior practices and Thursday afternoons at the same hour. General practice for all classes will be held on Friday afternoons.

Net Tourney to be Abolished This Fall

There will be no tennis tournament this fall, it was announced yesterday by the athletic department. Due to lack of interest in fall net meets of former years and to the limited time, this was decided to be the wisest course.

Last fall the meet was cut off in the eights by an impromptu snowstorm and in former years the same thing has happened. Next spring, however, things will start with a rush, and tennis men are expecting a real fight for court honors.

Have you subscribed for your Daily? It's a campus necessity.

HAVE YOU GOT YOUR FOOTBALL SCHEDULE

There is one at the "Y" for you if you will ask for it. It contains space for this season's scores and the comparative scores of last season.
