

Roundtable Discussion: Industry Implication for Carbohydrate
Inclusion on Food Labels

R. Johnson, J. Reynolds, J. Wang
M. Smith, D. Taylor, M. Lee
A. Davis, S. Johnson, Q. Chen, H.
P. White, M. Black

*Thank you for participating in the
72nd Minnesota Nutrition Conference.*

The panel discussion will focus on how sugar industry members define different
carbohydrate components, particularly components currently included on food labels,
and their thoughts on the future of labeling carbohydrates on products.
