GRADUATE CLUB MEETS.

Interesting Program Followed by Music and Refreshments.

The Graduate Club held its regular monthly meeting at Alice Shevlin Hall Thursday night. The president Stanley Rypins presided and after a business meeting Dr. Swenson of the philosophy department, and Prof. Rankin of the Education department gave addresses on "Democracy in Education" which were followed by discussions by the club members. Miss Josephine Littel rendered Schubert's Impromptu on the piano, and Dr. Craig of the English department, gave a reading "Sohrab and Rustum" in a delightful manner. Later chocolate and cake were served. About 50 members were present. The next meeting will be held Dec. 12th.

BASKETBALL SCHEDULE FOR COMING SEASON ANNOUNCED

Stiff Schedule Ahead With Wisconsin Here for First Game. Prospects Good for Strong Team.

Approach of Basketball Season Hailed With Interest Now that Football Season is Over.

With the football schedule played off, the athletic interest of the University will be henceforth focused upon the next most popular intercollegiate sport, basketball. This branch of athletics has always been very popular here and though it has not elicited the patronage enjoyed by football, yet it has always occasioned an interest fully as great. Intense excitement attends all intercollegiate basketball contests, especially those with Chicago and Wisconsin, when the enthusiasm almost surpasses that aroused by football. The dances following the games which are played in the Armory serve as additional drawing cards. In the past Minnesota has always had a strong team in this sport, and everything points to a promising aggregation to represent us this year. Several old men will be back in the line up and there is plenty of good new material to choose from. The 1912-13 schedule for the Gopher quint, announced by Dr. Cooke following the meeting of the Big Nine basketball bosses Saturday morning at Chicago, is as follows:

Jan. 18—Wisconsin at Minneapolis.
Feb. 1—Indiana at Minneapolis.
Feb. 7—Purdue at Lafayette.
Feb. 8—Illinois at Champaign.
Feb. 13—Indiana at Bloomington.
Feb. 14—Chicago at Chicago.
Feb. 15—Iowa at Iowa City.
Feb. 22—Illinois at Minneapolis.
Feb. 25—Wisconsin at Madison.
March 1—Chicago at Minneapolis.
March 3—Purdue at Minneapolis.
March 7—Iowa at Minneapolis.

Bib and Tucker Party.

Bib and Tucker will give it's first "baby" party on Tuesday evening. The infant idea will be carried out all during the evening. Bibs will be used in place of napkins and place cards will be in the shape of little girls. After the spread children's games and dances will be played.

MINNESOTA TEAM FOURTH IN CROSS COUNTRY RACE

Coach Grant's Men Drop Third Place to Missouri Team by Margin of Single Point.

White, of Wisconsin First, Materially Aiding His Team in Winning. Ames is Second.

Running against a field of sixty-six men, who represented no less than eleven universities, the Minnesota team won fourth place in the big Evanston cross country meet. Minnesota and Missouri had a neck and neck race for third honors, the latter winning by a single point.

Wisconsin won first place in the meet and Ames finished second. White, the crack distance man of Wisconsin was the first to finish, coming in only a few yards ahead of an Ames man.

The meet was closely contested throughout. The first of Coach Grant's charges to finish was Captain Beddall who was eleventh. The other Minnesotans were close behind Beddall, five members of the team finishing among the first twenty five. After the race the team attended the Chicago game.

CADET HOP NEXT WEEK.

Second of Series Will be Held Week From Thursday.

The second of the series of after-drill hops, which the cadets are planning to give at intervals during the winter, will take place Thursday afternoon, Dec. 5 at 4 o'clock, in the Armory.

Before the dancing begins there will be a parade and review of the first battalion, followed by an exhibition and fancy rifle drill. The last hop was a great success and the cadets intend this one to be an even greater one. The cadets extend a general and cordial invitation to all the University girls to be present. Any man who can procure a cadet uniform will be admitted. Faculty men are the favored exceptions to this rule and are urged to attend.

There will be no disagreeable effects from the dust which gathers on the floor during the drill that precedes the dance, for Sergeant W. F. Rhinow has invented a floor polish which will be used, and which he guarantees will remove all obnoxious dust.

The chaperons for the occasion will be Mrs. H. F. Nachtrieb, Dean Margaret Sweeney, Dr. Anna Norris, Mmes. Norman Wilde, Joseph Pike, E. E. Nicholson, E. W. Freeman, E. W. Hawley.

Deke-Alpha Delt. Game Today.

Alpha Delt and Deke will clash in their annual football contest today. The game will be played on Northrop Field and is called for four o'clock.

Good Government Club Meets.

The Good Government Club held its regular fortnightly meeting in Follwell Hall last evening, being addressed by John F. Sinclair, '08, on "Wages of Women and Children in Minnesota." Mr. Sinclair has recently made a special study of wage conditions in Minnesota.

MISS WILSON GUEST OF Y. W.

Noted Head of Y. W. Training School For Workers is Here.

Miss Elizabeth Wilson who is at the head of the national training school for Y. W. C. A. workers, located in New York city, will be the guest of the University Y. W. C. A. today. She will take lunch with the Y. W. C. A. cabinet girls at twelve-thirty. Miss Wilson will speak in the Y. W. C. A. parlor at one-fifteen and all girls in college are invited to come and hear her at that time. If any girl wishes a private interview, she is urged to ask for an appointment during the afternoon.

INTER-COLLEGIATE DEBATES WILL BE HELD IN DECEMBER

The Two Teams Representing Minnesota Will Meet Iowa and Illinois the Same Evening.

Iowa-Minnesota Debate to be Held Here. Negative Team Meets Illinois at Urbana.

The annual inter-collegiate debates between Minnesota and other members of the Central Debating Circuit will take place on Friday evening, December 13th. Minnesota, Nebraska, Wisconsin, Iowa and Illinois compose the universities making up the Central Circuit and of these Minnesota's two teams will meet Iowa here and Illinois at Illinois.

Each university is represented by two teams one upholding the affirmative at home, and the other contending for the negative at one of the four other universities. The affirmative team composed of Donald Pomeroy, Will Hodson, and V. E. Stevensen debates this year with the Iowa team here. Minnesota's negative team, which is composed of H. J. Burgstahler, O. B. Anderson, and Raymond Ziesmer, journeys to Urbana, Ill. to uphold the negative side of the question. The proposition for debate is, "Resolved that all Corporations engaged in Inter-State Commerce should be required to take out a Federal Charter; provided that Federal License shall not be available as an alternative plan."

At Urbana four years ago, Illinois triumphed. Two years ago they also became the victor at Minnesota. Iowa also has proven a thorn in the side. The Hawkeyes have likewise won both debates during the last four years. Minnesota has barely managed to split even by defeating Wisconsin and Nebraska each time these universities have met. Both teams are working hard, to beat their opponents.

Miss Eva L. Newman will speak in chapel this noon on "Settlement Work in the Kentucky Mountains." The talk will deal with Miss Newman's experiences as a worker in a W. C. T. U. settlement at Hindman, Kentucky.

Delta Phi Delta fraternity entertained at an informal dancing party yesterday evening at the chapter house.

CHICAGO DEFEATS GOPHERS IN LAST GAME OF SEASON

Minnesota Outplays Chicago in First Half of Game. Nordgren's Punting a Large Factor.

Season May Still be Called a Great Success. Bright Prospects For Next Year.

Minnesota was defeated by Chicago last Saturday on Marshall Field in a game which was played on wet grounds and in the face of a cold wind. The men of the team played the best they knew how but the strain of having to play so many hard games told on the players. During the first half Minnesota completely outplayed the Maroons. However Chicago showed up surprisingly well and credit must be given them for the fight they put up. Minnesota though outplayed in the last half was not outgamed which takes away some of the sting of defeat. McAlmon for Minnesota and Nordgren for Chicago were the stars of the game. "Mac" with his twisting and turning was a constant source of anxiety to the Chicago team while Nordgren's high, twisting spirals were equally puzzling to "Pinky" Hayward. Chicago won through as prettily executed forward pass as has been seen this year. The pass took the ball to the 20 yard line and from there, Chicago took it over by a tricky end run, outguessing Minnesota.

The game was attended by a crowd of about 10,000. Before the game they were entertained by a crowd of Indians from Glacier National Park.

The cowboy band from Montana also broke into the limelight and attempted to render "Hail! Minnesota."

Looking back on the season one must admit that "Doc" Williams has accomplished wonders. With green material he organized a team of which any institution should be proud. In McAlmon he has developed a player who is entitled to an All-Western position and whose playing has been the sensation of the conference. Prospects for next year are exceptionally bright with only one or two of the first team men gone. With this in view we can face with more confidence the fight for the Conference honors next fall.

"Good Night."

A movement which may sound the knell of the proverbial "fusser" is being championed by Dean Sweeney. Ten o'clock will be set as the latest possible hour when the ardent caller may say, "good night." Many callers who have heard of the projected ruling have already said, "good night!"

HOW WE FEEL ABOUT IT.
The defeat of the university team at the hands of Chicago, Saturday was a sore disappointment, but we are not downcast over the general results of the past season. Laboring under difficulties, and meeting with telling set-backs at all too frequent intervals the degree of success attained by Dr. Williams this year is highly to his credit, and is fully appreciated by the university. The fighting qualities of the inexperienced players was a great factor in bringing about, if not a victorious at least an honorable conclusion of the season's games. We are proud of them, The Daily is pleased to publish today, a communication received from a prominent member of the senior class, and to agree heartily with sentiments expressed by him. The letter follows:

"Our defeat at Chicago on Saturday brought to a close one of the most remarkable seasons in the history of football at Minnesota. The history of that season,—the early defeat of eleven green men, the marvelously rapid development of what was really a great football team, the promise and hope of victory, and the shattering of that hope in the two defeats by the greater and stronger teams of Wisconsin and Chicago,—need not be recounted here. We fought a good fight, and we lost.

But in our defeat we have many recollections to make us proud and happy. Our team was one without the suspicion of a taint. There have been no accusations of professionalism or of "dirty work." We can say with truth that our eleven was as sportsmanlike and clean a lot of young men as ever wore football togs. They were outweighed and outplayed but their game was clean, and they took defeat without complaint.

What, then, shall we say for the quality of the support given the team by the students? This, that it was a fine combination of gentlemanly conduct, game sportsmanship, unbounded enthusiasm. No university ever did better. Just before the Wisconsin game there were a few days in which the campus fairly seethed with excitement, and one felt that below the surface was burning the unquenchable flame of loyalty for Minnesota. At all the games we cheered our rivals, and sang their songs. Rowdiness was conspicuously absent from the games. Whether as victors or as losers, we left every contest

without a trace of malice for our opponents. When we lost, it was gamely and with a smile. In thus accepting heart-breaking defeat, we have passed our hardest test.

Minnesota tradition has this year been maintained; Minnesota loyalty has been exalted and refined; and these memories should bring to us enduring satisfaction."

The Most Enjoyable Smoke in the World

MORGAN ROBERTSON
Morgan Robertson, famous writer of sea tales, says:
"The able collaborator who has helped me over many a rough place, given me ideas when ideas were scarce, is none other than my old friend, Tuxedo Tobacco."

Morgan Robertson

EVERY man knows that pipe smoking is the ideal form in which to use tobacco. Only by smoking a pipe, can you get the full benefit and enjoyment from tobacco.

And yet—thousands of men reluctantly deny themselves the pleasure of the pipe—because fancy "mixtures" and ordinary tobaccos bite the tongue, dry the throat and upset the nerves.

It is not necessary longer to forego the pleasure a pipe can give you.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo cannot bite the tongue or irritate the throat. The reason for this is that Tuxedo is made of only the mildest, choicest leaves of the highest grade, perfectly aged, Burley tobacco, by the famous "Tuxedo process."

The "Tuxedo process" is a secret, known only to its manufacturers.

It was discovered by Dr. R. A. Patterson, the founder of the R. A. Patterson Tobacco Co., after many years of experiment. Its popularity has never been artificially forced by sensational advertising. The demand has grown naturally and steadily, until now nearly eighty million packages are sold yearly.

You can smoke Tuxedo in the office, on the street, and at home. It cannot make you nervous; its aroma is delightful and it cannot smell up lace curtains or your clothes.

WILLIAM P. SHERIDAN
William P. Sheridan, one of the most famous detectives in the country, says:
"Tuxedo is so mighty fine, so superlative in its quality, its mildness and combined richness, that it seems the ultimate and only tobacco for the connoisseur. I can recommend it unqualifiedly."
