Duluth -- Two UMD staff members from the Kirby Student Center will be attending December meetings dealing with convocations and entertainment for college students.

Mrs. Diane Dreher, student activities adviser, will go to Wisconsin State University at Whitewater on Saturday (Dec. 2) to discuss a midwest coffee house circuit with other college representatives. She said the meeting will focus on the feasibility of establishing a system of coffee houses that would feature up-and-coming new entertainers.

Accompanying Mrs. Dreher at Whitewater will be Nancy Glorvigen, Grand Rapids and Steve Sundre, Duluth. Both are UMD students and active in the committee on the Bull Pub, a new student lunch area that will open formally in January.

Neale Roth, Kirby director, will attend a meeting of the Association of College and University Concert Managers on Dec. 10-13 in New York to exchange ideas and information about convocations and lectures in colleges.
