

SENATE MEETING---The fifth regular meeting of the University Senate will be held on Thursday, April 30, 3:30 p.m. in Murphy Hall Auditorium, Minneapolis Campus.

SUMMER HOUSING---The UMD Housing Bureau has urgent need for furnished houses and apartments for married students with families who will attend the 1959 Summer Session. At present, there are ten requests for such housing for the ten-week session and many more requests for one term only. The demand is partly due to the fact that the Science Institute is scheduled for both terms and in addition, a six-weeks Geology Workshop is being held. Faculty members who wish to rent their home for either or both summer terms or who know of available housing should notify Harriet Harrison, Office of Student Personnel Services, Extension 265, at their earliest convenience. (Harriet Harrison)

RECEIVES GRANT---John C. Green, Assistant Professor of Geology, has just received word that he is the recipient of a grant from the Geological Society of America to conduct summer field work in New Hampshire and Maine.

R.O.T.C.---The annual parade review and awards day for R.O.T.C. has been scheduled for Tuesday, May 26, 2:30 p.m. on the football field.
