"FRIDAY THE THIRTEENTH" WILL IT BE LUCKY FOR US?

OF COURSE.

Minnesota Debating Teams Will Try
Conclusions With Nebraska and
Wisconsin on That Date.

We must beat Nebraska!
We must beat Wisconsin!
These are the signs that the Min-
nesota intercollegiate debaters have
posted in their hats.

The debates will take place Friday,
the Thirteenth.

It is bound to be an unlucky day
for somebody.

There are two Minnesota teams.
One will stay at home and try con-
clusions with Nebraska in chapel.

This team is composed of Stanley
Houck, Harold Deering and A. O.
Colburn.

Nebraska, beaten in football by
Minnesota, beaten twice last year in
debate, is going to make a desperate
effort to redeem itself by defeating
Minnesota in debate Friday, the Thir-

CHEER UP FOR HOLIDAYS

SAVE THE DATE.

John Kendrick Bangs The Humorist
To Fill Second Date of Lecture
Course.

Begin to cheer up for the holidays
now.

The best way to begin is to hear
some good stories, and "funny talk."
You will have an opportunity to
hear both December 11.

John Kendrick Bangs will "cheer
you up" on that date.

He is one of the foremost humor-
ists in the U. S.

Keep the date open; December 11th

MESSIAH REHEARSALS.

Tuesday night, 7:30, Armory, for
chorus only. Chorus and orchestra,

repeating the "Messiah" Dec. 19 in
St. Paul. Be at rehearsal Tuesday to
vote upon it.

BASKET BALL SEASON PROMISES EXCITING RACE FOR PENNANT

SIX GAMES

Deering, Muir and Larson Back With
Pidgeon a Possibility—Promising
Material From 1910 Squad.

The basket-ball season has begun.
Regular practice started last night
with a large number of men out.
The competition for places on the
team is bound to prove keen, as there
is a host of men trying for the vac-
ant places. Captain Deering, Muir,
and Larson, of the "M" men are back,
which makes a good foundation to
start with. Pidgeon, who played
guard last year, may be kept out of
the game on account of his studies.
Woodrich also will probably not play
owing to his injured arm.

Of last year's freshman team sev-
eral are of varsity caliber. Prominent
among these are Anderson, Cahaley,
Lyford, Hanson, Capron, and Patter-
son. All of these have played on
preparatory teams and had experi-
ence on the freshman squad last year.
In addition to these there are track,
baseball, and football men who get
into the scrimmage and may make
the more experienced men hurry. Tak-
ing everything into consideration,

there seems to be material on hand to
make a championship team. Dr.
Cooke has been appointed to coach
the team: this fact argues well for the
success of the season.

Minnesota's schedule is practically
completed. It runs thus,—Minnesota
at Wisconsin, Jan. 25; Illinois at Min-
nesota, Feb. 15; Chicago at Minne-
sota, Feb. 22; Wisconsin at Minneso-
ta, March 4 and 7; Nebraska at Min-
nesota, March 3; Minnesota at Pur-
due, March 11; Minnesota at Illinois,
March 13, and Minnesota at Chicago,
March 14. A game with Columbia
about Jan. 1, is a possibility. Six
games will be played at home.

INNOVATION WAS SUCCESSFUL

Forty Girls Enjoyed Feast Prepared
for Sixty Girls Who Handed in
Names.—League Loses.

Thanksgiving at Shevlin Hall was
a festive occasion. The Woman's
League dinner to the out of town
girls was a great success. About forty
girls were present and some of
them were Minneapolis girls who
passed up the festive board at home.

After the dinner, the girls danced
and good old Thanksgiving stories
were rehearsed, in the firelight dusk.

The hostesses were: Dean Com-
stock, Ruth Colter, Monica Keating,
Marie Brown, Frances Dunning,
Kate Firmin, Grace Ayers, Genevieve
Wales.

It is to be regretted that twenty
girls who handed in their names
were not present, not only causing
the League considerable financial
loss, but also missing themselves an
opportunity for cultivating a much
needed University spirit.

SEVEN-GAME SCHEDULE PUT BEFORE MEMBERS BY BIG NINE BOARD

STAGG PRESIDENT.

A First Degree in Combined Course
Will Not Bar Athletes—Michi-
gan May Return.

At the intercollegiate conference
held at the Auditorium Hotel, Chica-
go, on Saturday, the following resolu-
tions of special interest to the stu-
dents and general public were passed.

Resolved, That a student pursuing
a course of study leading to two de-
grees in regularly combined courses
of study in the same university will
not be barred from completing his full
three years, by receiving the first de-
gree.

Resolved, That we unanimously
recommend to our respective faculties
or committees on athletics that seven
games of football be permitted pro-
vided two of these are minor games.

The first of these resolutions was
introduced by Iowa and heartily sup-
ported by Minnesota.

The second was introduced by
Minnesota and was unanimously
passed.

The delegates adjourned to meet
January 4, 1908, to cast their votes,
as instructed by their respective uni-
versities.

Other than the above mentioned
items, only routine business and mat-
ters of minor importance came be-
fore the conference.

It was possible for the Michigan
delegate to make such statements be-
fore the conference as leads it to be-
lieve that the next month will see
the athletic situation at Michigan
entirely cleared up. If so, it is hoped
that the alliance between Michigan,
Chicago, Wisconsin and Minnesota
contemplated for over a year, may
be realized.

Dr. A. A. Stagg, Chicago's athletic
director, was elected president of the
conference.

UZZELL HEADS GYMNASTS

Numerous Engagements Already
Scheduled—Plans for Local Meet
Being Made.

Tom Uzzell, '09 was elected cap-
tain of the "gym" squad for the en-
suing year.

The team will give an exhibition at
Unity House Settlement on Decem-
ber 19th, and the St. Paul Y. M. C. A.
has asked Dr. Cooke to bring his men
over to take part in a general tourna-
ment some time in January. Besides,
there is also some prospect of hold-
ing a state A. A. U. gymnasium
tournament in the Armory early next
spring.

Add to the interest attached to
these events, the big western inter-
collegiate meet to be held in Chicago
next April, and Dr. Cooke's promise
of a gold medal to the best all-round
gymnast, at the end of the season,
and the general increased interest in
gymnastics this year can be under-
stood.

Y. M. C. A. Will Abandon their build-

Two hundred thousand dollars for
the university men's building! The
boom is on, and the Daily is going
to be behind the wheel every inch of
the way until some one puts the
plans on easy street.

Concentrated effort from every one,
faculty and student, and not only
men but also women will be the only
thing that will win. It gave the wo-
men Alice Shevlin and it will give
the men a building and Alice Shev-
lin a big brother.

Just as we have no Y. W. C. A. or

have no Y. M. C. A. or press build-

SENIOR SOCIETY ELECTS

THIRTY HONORED.

Method of Election Changed This
Year.—Representative Girls
Elected.

Sigma Tau, the Senior Sorority,
held its annual election of new mem-
bers, the first of last week. This
year the number of members has been
reduced from forty to thirty and the
girls were elected on the manner in
which they represent their class. This
sorority was instituted some years
ago for the purpose of promoting
good fellowship among the Senior
girls and it is a purely social affair.
The girls of the outgoing class elect
those girls of next years' class to
carry on the work of the sorority for
the following year.

The thirty girls who were elected
for this year are: Luella Woodke,
Miriam Clark, Clare Lougee, Beth
Yerxa, Kate Firmin, Emma O'Brien,
Rewey Belle Inglis, Hazel Penning-
ton, Margaret Trimble, Elizabeth
Breen, Elizabeth Bruckholz, Harriet

A PLEA FOR HOCKEY.
The annual query is again heard
about the campus, "Why hasn't Min-
nesota a hockey team." We have all
the material for one, as many of the
twin cities' best hockey players are
now in the University. If opportunity
were given, they would gain more
laurels for Minnesota. Why not give
them the chance?

All the northern universities, Min-
nesota alone excepted, have hockey
teams, and in the Canadian colleges
it is the great winter sport.
Minnesota is well represented in
every other branch of athletics and
it is up to her to develop hockey.

A TIMELY COMPLAINT.

To any one who goes regularly to the armory to exercise and bathe, it must often be painfully evident that the accommodations are inadequate. The writer believes that without increasing the equipment or current expenses very much, the accommodations might be greatly improved.

That Basket-Ball.

Basket-ball has virtual monopoly of the main floor, especially towards evening. Those who wish to play hand-ball—and there are always some—must either forget it for a while or take desperate chances with the hosts of basket-ballites surging to and fro, a source of mutual annoyance if not danger.

Those Unused Rooms.

The large room formerly used for physics lecture-room was recently found sheltering a lone clothes-line stretched from corner to corner. The installation of a few lights would make this room an excellent place for boxing, fencing, hand-ball, etc.

The room formerly set aside for boxing and fencing now serves as a bed-room for the superintendent of buildings. If the institution is under obligations to furnish a bed-room for that officer, why not furnish one more commensurate with the dignity of his office and reserve the other for its original purpose?

(Continued tomorrow.)

STANDING NOT ALLOWED.

Twelve new stools have been ordered for the Junior drawing room in the Mechanical Engineering building. This is an event among the Juniors because heretofore most of them have had to stand up. Sundry unsuccessful raids on the Senior stools across the way have been made at various times, but with the advent of the new stools it is expected that these undignified frolics will cease.

teenth.

The team that goes to Wisconsin: M. J. Doherty, Albert Evans and Zenas Potter, will have a "big job" on their hands. Wisconsin teams won both of their debates last year and intend to keep up the record this year.

The question discussed this year is one of great interest, involving the subject of adequate control of the great railroad systems of the United States. The exact wording of the question is, "Resolved, that the United States government should have exclusive control of all transportation corporations doing an inter-state business, constitutionally granted."

The team that goes to Wisconsin upholds the negative. The team that stays at home and debates Nebraska will uphold the affirmative.

Minnesota's teams are now holding three rehearsals per week and are rapidly rounding into a condition that will make Friday, the Thirteenth, a lucky day for Minnesota.
