CHAPEL SERVICE

Reverend H. C. Swearingen of the Central Presbyterian Church of St. Paul will speak at chapel services this morning.

STUDENTS, COLLEGE OF SCIENCE, LITERATURE, AND THE ARTS

Delinquent students must see Mr. Shumway, Chairman of the Students' Work Committee, today. Any student not responding to this summons will risk the cancellation of his registration.

R. R. Shumway,
Chairman Students' Work Committee

To Students in English and Advisers

The attention of students in English and their advisers is called to the fact that English 6 (Beginning Chaucer) and English 8 (Beginning Shakespeare) are single quarter courses, repeated in subsequent quarters. Chaucer is repeated in the winter quarter, Shakespeare in the winter and the spring. There is, it seems, a widespread misunderstanding of these facts.

E. E. Stoll, Chairman

Students planning to take Child Welfare under Mr. Hodson should see Mrs. Mudgett before registration is over. Mr. Hodson can not meet the class at the noon hour and it has been changed to VIII hour, Tuesday and Thursday.

F. J. Bruno

Students in the Training Course for Social and Civic Work should note that Course 70, Home Economics, will be repeated in the winter quarter, and seniors who take Course 70 will be allowed to take Course 72, Household Management, in the spring. This latter course is valuable to all who plan to take up professional social work.

F. J. Bruno

Registration for the winter quarter: All freshmen and sophomores who will be sophomores the winter quarter, will be called to my office between November 22 and December 11, to register for both the winter and spring quarters. Notices will be sent through the University Post Office. If a student is called at an hour when he has a class, he is supposed to go to class and then call at my office as soon as possible for a new appointment.

Any student who wishes to register early rather than await his turn to be called, may report any day except Saturday between 4 and 5 p.m. and secure from the secretary a special appointment to meet an adviser.

W. H. Bussey, 106 Folwell Hall,
Assistant Dean for the Junior College

FINAL EXAMINATIONS FOR SENIORS

Attention is called to a recent action of the University Senate which prescribes that all seniors in residence shall be held for final examination. This action is to be interpreted as superceding all previously existing regulations relative to the exemption of seniors from final examinations during the last quarter in residence.

R. M. West, Clerk of the Senate

Corrected Programs for the College of Science, Literature, and the Arts, may be secured at Window 29, Registrar's Office.

R. M. West, Chairman

There will be a meeting of the Senate Committee on the Relation of the University to Other Institutions of Learning today at 12:30 at the Campus Club.

CAMPUS ALUMNI MEETING

All former students of the university who are now members of its staff in any capacity and who have not yet sent in their reservations for the dinner in the Minnesota Union on Tuesday, November 30, are urged to do so at once. A large attendance is expected and a good program assured. The announcement of a daily newspaper that this meeting is for the organization of an alumni club is premature, but it will be entirely in order to have that question discussed at the meeting. Remember: Tuesday, November 30, at 6:00 p.m. in the ball room of the Minnesota Union; dinner 85c. Reservations should be sent to the undersigned at M.A. 101 on or before Friday, November 26.

Wm. Anderson, '13

The awarding of the Victory Medals will be discontinued until Monday, November 29.

This afternoon at 4:30 there will be a meeting in the Y.W.C.A. parlor for all women who are interested in Americanization work. Needs and opportunities for work in the Twin Cities will be presented by Miss Bertha Clark of the North Central Field Committee of the Y.W.C.A.

Marie Shaver's discussion class on the Four Fold Life will meet in the Y.W.C.A. parlor at 11:30 tomorrow morning.

Y-ED TRIP

The Y-Ed trip for Saturday afternoon will be a visit to the plant and yards of the Northwest Terminal Co. The facilities are being extended at present. The work represents the largest construction enterprise in the Twin Cities.

This trip should be of particular interest to Engineering and Business students.

Vice President Brittin will explain the function of the Terminal and will personally conduct the party through the plant.
