Crops and Livestock Judging Teams Establish Record Both Win Sweepstakes at Red River Valley Shows

Sweepstakes in crops judging—sweepstakes in livestock judging was the record made by the two S.A.U.M. teams entered in the sub-collegiate judging contests in crops and livestock on February 20 at the Red River Shows at Crookston.

The crops judging team, with 6050 points, made the highest score ever made at the Red River Valley Shows. Robert Luing was top judge and Richard Jorgenson captured second place in the meet. The other members of the team were Nicholas Salic and Tilfred Christianson.

Edgar Stoesz took first place in the livestock judging contest; Marvin Pederson, second; and Joseph Koenig, third place. Stoesz was second in judging beef saddle and dairy cattle and first in judging sheep and Pederson first in dairy cattle judging. As a team the boys placed first in the meet with 2033 points. Harlan Ingvalson was alternate.

Other school teams entered in the livestock judging contest rated in the order named—North Dakota with 1947, Crookston with 1929, Morris with 1871, Brookings, S. D. with 1813, and Grand Rapids with 1740 points.

The Morris School of Agriculture team rated second in the crops judging events with 5900 points; Crookston, third with 5564 points; and Grand Rapids fourth with 5050 points.

The crops team was coached by Professor Otto Swenson, Agronomy division.

Their coaches share with the members of the teams the congratulations of the entire S.A.U.M. student body for the excellent record of achievement made at the Red River Valley Shows.

Washington Birthday Ball Held Legislators and Wives Attend

Members of the Legislature and their wives, leaders in agricultural societies and their wives, and other friends of the School of Agriculture were guests at the annual Old Fashioned Dancing Party on Tuesday evening February 21, in the Gymnasium.

American flags draped from the rafters and dramatic arrangements of bunting and crepe streamers in the patriotic colors keyed the occasion that celebrated Washington's Birthday. The same color scheme decorated the balcony where refreshments were served.

Orv Fleming's orchestra supplied the music for the dancing, old fashioned and modern.

Miss Jane Roberts and Mr. Ivar Glemming were assisted in the management of the dance by the dance committee, Cynthia Hughes, chairman; Elaine Asleson, Harlan Ingvalson, Harold Jetson, Marilyn Paulson and Russell Jones. Dave Josephson was chairman of the decoration committee, while the refreshment committee was headed by Jean Dose with Marjorie Boley, Norman Engelbrecht and Lowell Tollefson, assisting.

Students Enjoy Rosemont Tour Interesting Facts Are Learned

A special treat was had by the student body on Saturday, January 21, when a tour was conducted by Professor LeVerne W. Wegener to Wold-Chamberlain Field, where the group visited the hangar and viewed the new strato-cruiser and other airliners.

The next part of the tour was to the University Experimental Farm at Rosemont. Here the group saw the new loafer-type barns which seemed to be extremely cold, but housed healthy, satisfied cows. The group also was on time to see the night milking of these animals in this new type barn.

One of the most interesting sights of the entire tour was the silo lined with porcelain and which unloaded from the bottom. These activities all tied up into one short afternoon proved very interesting and educational.

Male Aggies Model Clothes Theme, What to Wear with What

Harry Juster of Juster Brothers, clothiers, Minneapolis, was the commentator when his firm sponsored a style show for young men, Saturday, February 18, at assembly.

Ten sports ensembles and eight suit ensembles were modelled by Aggies, most of them from the class in "Social Problems for Young Men." They were Harold Kenner, Loren Severson, Oliver Compart, Robert Nerison, Donald Swenson, Allen Ballard, James More, Dwayne Herman, Tony Fier, Garfield Holm and Gerald Mans.

At an intermission, Mr. Juster introduced Joan Montell, lovely singer of South American songs, whose singing pleased her audience.

The previous evening, February 17, an exhibit of men's wear with appropriate accessories attracted many interested spectators to the lounge in Pendergast Hall.

There, on Saturday morning, colored pictures of the models in their ensembles and of the exhibits were taken. These will be made into slides that may be used by 4-H and Rural Youth clubs throughout the state.

Miss Gertrude Esteros, acting chief of the applied arts in the Home Economics division, and Miss Athalene Scheid of the State 4-H Club staff contributed their interest and advice to the success of the venture. Mr. De Langhe of Juster Bros. was active in every detail of it.

B.B. Team Plays Quality Ball Steady Stamina is Earmark

The mid-winter term now finds the S.A.U.M. basketball team well on its way through the season. Thus far the Aggies have engaged in six games, dropping five, winning one. However the quality ball played by the team in the last half of each game has been superior to that of their opponents. January 21 found the boys at St. Peter, playing Gustavus Freshmen. Their extreme height proved excessive for our boys. J. Oachs and K. Friese were high point men with 18 and 7, respectively.

On January 28, Gustavus Freshman played S.A.U.M. at the Farm Campus. High scorers were Oachs, 22 points, Swanson, 20, and Nuwash, 11 points.

The Track and Field day game proved too strenuous for the Alumni. They were forced to drop their game to the Aggies, 89-27, Friese hooped 20, Oachs, 16, Swanson, 15, and Radel, 12 pts.

St. Cloud Teacher's College were the opponents of S.A.U.M. bucketmen on February 6, however in this case of nerves, during the last quarter the Aggies out-scored their opponents 17 to 7. In the closing minute of the game with their only a 2 pt. lead, and the ball in Aggie possession, they failed to score, thus giving St. Cloud marginal point edge over our score.

S.A.U.M. invaded Carleton College, on February 10. In this game Carleton chalked up one more field goal than the Aggies did. The quality ball played by our team was superior however.

The game reported, and played February 11, was with the St. Olaf Frosh playing a return engagement here. This time they were eleven points short on the final tally. In this game, the Aggies were really on the ball.

Dorms Battle It Out in Meet Girls Help Dexter to Victory

For the first time in the history of the School of Agriculture the annual field and track meet, on February 4, was run on a dormitory competitive basis. This of course drew extremely keen competition and also a large number of spectators. Brewster Hall furnished the feminine touch to the event with the girls drawing lots to determine which of the three men's dormitories they would support, Dexter, Dining Hall or Pendergast.

After the last race was run and the final gun went off, a tally of scores found Dexter with 96, Dining Hall 49, and Pendergast 32 points. Laura Reineccus broke the old record in the **archery event**. The previous record was 176 points while her score was 182 points. Forrest Johnson, Dexter Hall, placed first in **three events, the mile, the half mile, and the potato race**. **Ropeclimb**, Charles Kroehler, Dx, 8.7 sec., record 5.75; **highjump**, Thomas Mielke, Dx, 5'3", record 5'4½"; **shotput**, Bob Anderson, Pend., 35'2", record 37'1"; **rope vault**, Lorraine Dankers, DH, 6'8", record 7'1"; **80-yd. swim**, Bill Roosenberg, DH, 1:05, record :48.9; **40-yd. swim**, Marilyn Paulson, Dx, :28, record :27.5; **swim-relay**, Dx., team, 1:53, record 1:42; **25-yd. dash**, Lois Ukkleberg, Dx, :04, record :03.6; **quartermile**, M. Wrestlers Lay Opposition Low Win Each Match Easily

Coach Gene Hadley's Wrestling squad undefeated since the close of the fall term is on the rampage again. The boys defeated Gustavus on Jan. 21, 19 to 11. Krage and Ehlers won by falls, while Johnson, Passe, and Naumann won by decisions.

January 28 found the boys really going wild to defeat the Gustavus team on a return engagement, 22 to 10. In this case Ehlers and Naumann won by falls; Gronewald, Steiger, F. Johnson, and Passe won by decision.

St. Cloud was next to be invaded by the S. A. U. M. boys. There they met the St. Cloud Teacher's College squad. However, the steady drive of the Aggies was not to be stopped here as they defeated T. C., 21 to 11. Steiger and F. Johnson won by decisions, and Passe and Ehlers by falls.

Last of the wrestling matches in this period was had with St. Olaf on February 11. At the end of the bouts, the S. A. U. M. grunt-and-groaners had chalked up their sixth winter quarter victory, 28-8. Steiger won by a decision. Gronewald, F. Johnson, Passe, Naumann, Ehlers, all won by falls.

G.A.A. Squad Defeats Heighters Alumni Girls Victors in B. Ball

Girls basketball has been dominating the G. A. A. program schedule the past month. The team has met seven opponents this season.

The girls defeated the Northwestern Bible School on November 28, 6 to 39. The third game of the season found the girls of Dayton's Department Store winning 18 to 6. January 25, the girls traveled to Columbia Heights to capture the game, 32 to 14. February 4, found the girls playing the Alumni girls. The Alumni proved too skillful however, and the School girls lost, 21 to 13. Game number six was captured by the girls of General Mills, 27 to 13. The final game of this series found Bethel Institute winning 47 to 16.

Along with the regular scheduled interscholastic basketball, the girls have been playing intersquad basketball. Captains for the intersquad events have been Beatrice Benson, Phyllis Gitter and Elaine Messner.

More Teeny Weeny Wheels

Odin Bjornstad—President of Pender-gast Hall is another member of that now famous organization, the Hairless Head-men's Club. Odin hails from Nielsville, as he tells us, "The rich Red River Valley country." Of course being in the state's potato belt, he likes potatoes, potatoes and more potatoes. Odin hopes to retire someday and move to the brush country in Northern Minnesota, a change he says from the country around Nielsville.

Jerry Oachs—President of Dexter Hall comes from Herman, a metropolis about 180 miles northwest of the Farm Campus. It has a population of, "about 28,749," so says President Oachs. A true athlete, Jerry engages in basketball and plays first string for S.A.U.M. Of course it is rumored that he likes to play the Carleton team, especially on that floor (wonder why? ? ?.)

Jerry enjoys sleeping and therefore tries to get to sleep before too late in the A.M.

Cletus "Curley" Franta—Is the Dining Hall president. He's from north of New Ulm. Wonder where that is! Cletus enjoys old time dances, the kind they have around New Ulm. After a dance you'll find "Curley," eating his favorite food, French fries and hamburgers while listening to his favorite song, "Show Me the Way to Go Home."

"Rosie" Marie Peterson—ruler of famed Brewster Hall is first in the long line willing to serve you with a smile at Dining Hall. She comes from Chisago City. (Wonder if that's near Herman or New Ulm.) Rosie's favorite pastime is making the Song Service announcements at the Saturday assemblies.

See you nice people again next month.

Dance Crowns Reunion Day

Aggie's both old and new crowded the gymnasium, Saturday evening, February 4, for the double enjoyment of a reunion with classmates and dancing to the music of Orv Flemings Orchestra after the annual Alumni vs Aggie basketball game.

Lighting was softened by covering the ceiling lights with pastel colors. This proved very effective. Dance programs helped to make this a special occasion, where both old and new time music was played.

Punch and cookies were served at intermission by a committee consisting of Cynthia Hughes, Eileen Paulson, Arlene Drehmel, Elaine Asleson, Phyllis Frost, Carol Miller, Harold Frost, Dave Josephson, Glen Brown, Ralph Bruer, Dale Burnside, Lowell Tollefson, Carroll Nelson and Jean Dose, chairman.

One of the most outstanding assembly programs put on by a student organization, was presented by the members of the Rural Youth group on Friday, February 17.

The setting was a county agent's office where several young people had come to learn about the Rural Youth Movement. Then in various scenes, the business meeting, the discussion groups, a demonstration and the recreation aspect were portrayed. The meeting was concluded by a short talk by Bob Pinches, the new State Director of the Rural Youth.

Many other students joined the L.S.A. ers having a grand time on their two-horse open sleigh ride, Sunday evening, January 15. The night was perfect for sleighing and no one seemed to mind being dumped accidentally in the snowfilled ditches. Frost bitten noses and toes got attention when the sleighers returned to the Union for refreshments and a sing-spiration.

"What's Doing in Your Student Council," titled the recent venture of the Student Council on journalism. Twice a month, it is planned that a news sheet be placed in each student's pocket reporting coming events and council projects.
