

THE MINNESOTA DAILY

VOL. IX. NUMBER 134. THE UNIVERSITY OF MINNESOTA, SATURDAY, APRIL 25, 1908. FIVE CENTS THE COPY

ACTIVE CAMPAIGN FOR COURSE IN JOURNALISM

Petition Being Signed to Be Presented to Board of Regents at May Meeting.

Every student in the University who would take a course in journalism, were it offered next year, is requested to sign a petition to be found in the Daily office. This petition will be brought before the May meeting of the Board of Regents when a big effort will be made to secure favorable action in the establishment of a school of journalism.

Last spring such a school almost became a fact, its establishment only being defeated by a small majority. This year, with the ever-increasing need and new blood in the Board of Regents, it seems likely that action will be favorable. It is known that Governor Johnson looks favorably on the project and that it is supported by some of the leading journalists of the Twin Cities. The purpose of the petition is to show that there are students who wish to take such a course.

BUSINESS MEN LIBERAL

Offer College Men Prizes for Original Theses on Practical Subjects.

Five prizes, of six, five, four, three and two hundred dollars apiece have been offered by Messrs. Hart, Schaffner and Marks of Chicago to college men in America for the best theses on topics relating to commerce and industry:

A first prize of \$600 and a second prize of \$400, intended primarily for those with an academic training, is offered for the best theses on any of the following subjects:

1. German and American methods of regulating trusts.
2. The logic of "Progress and Poverty."
3. What are the ultimate ends of trade-unions and can these be gained by any application of the principles of monopoly?
4. In view of existing railway progress, should the United States encourage the construction of waterways?
5. Is it to be expected that the present and recent production of gold will cause a higher level of prices?

(Continued on 3rd page)

FOUR PARTS IN "AS YOU LIKE IT" TO BE FILLED.

Final Trials Will Be Held Today—Complete Cast Announced Tuesday.

Final trials for "As You Like It" will be held today at 5 o'clock in Dr. Burton's room in the library. There are still one woman's part, that of Phoebe, and four men's parts, Corin, Duke Frederick, First Lord and Oliver, to be filled.

The committee has been at work during the past ten days casting parts. The remaining characters will be chosen today and the entire cast will appear in Tuesday's Daily.

The design for the commencement program has been selected. It is a conventionalized moccasin flower pattern done by Emma Brock.

GOPHERS PLAY ST. THOMAS FOR STATE CHAMPIONSHIP

Lefty Miller Will Oppose "Dretch" and Contest Promises Fierce Pitcher's Duel.

This afternoon, the Varsity ball-tossers will face one of the hardest propositions on their schedule, when they take on the fast St. Thomas bunch at St. Paul.

Reports of a most encouraging character have been given out to the supporters of the Gold and Black and great things are expected of them.

In all probability, the Varsity will be out of form more or less due to the Illinois game and the St. Thomas lads will have a fair show to win.

Coach Wilmot, however, has been making every effort to keep the men in condition and how well he has succeeded will be known after the game.

The fact that the State's Championship is at stake will suffice to put ginger into the contest.

The game promises to be a veritable pitcher's battle, the redoubtable Dretchko being opposed by "Lefty" Miller, who enjoys a "rep" fully as good as Varsity's star twirler.

Several shifts have been made on the varsity line-up and the strongest line-up of the season is sure to face St. Thomas.

The game will be played on the St. Paul down-town grounds.

YEAR BOOK OUT MAY 15

Will Contain More Cuts and Better Contributions Than Any Previous Issue.

Great progress is being made on the Engineers' Year Book, the proofs of which have been read, corrected and sent to press. Particular attention has been paid to the cuts, of which there will be fully 50 per cent. more than in any preceding issue.

The articles will all be of real practical value to engineering students, as well as being of local interest in that they are written by students in the department at Minnesota.

Cole and Hamilton are the printers and the management promises to have the book out by May 15th.

ORATORICAL CONTEST MAY 1

Delta Sigma Rho at Iowa is cooperating with the Forensic League in making the Northern Oratorical Contest to be held in Iowa City, May 1, a huge success. Eight colleges will be represented and valuable prizes are offered to the successful orators.

C. M. Harter, Minnesota's representative, will leave next Thursday evening.

PRIZE OFFERED SENIORS.

Ambitious seniors of the history department are busily preparing theses in the hope of winning the '89 memorial prize of \$25 which will be awarded on commencement day to the candidate preparing the best paper.

The theses are to be submitted on May 1st to an out-of-town committee whose names are not mentioned.

REVISED GOVERNING BOARD SUGGESTED BY COMMITTEE

Constitutional Committee Re-drafts Sections Referred Back to Them Yesterday By Council.

The Constitutional Committee of the Minnesota Union met yesterday afternoon to consider the sections referred back to them by the Organizing Council Thursday afternoon.

The Committee drew up a compromise plan which provides a board of governors permanent enough to be successful, based upon representation of the members of the Union and designed to obliterate all traces of college or sectional spirit. The men elected in this manner will be those most capable and all idea of politics will be removed from the election.

The Organizing Council will meet next Monday at 4 p. m., in Dr. Burton's room in the Library building. All members are urged to be present and to have a copy of the revised sections with them. The sections revised were:—Section 3, Article 5, relating to the class representations on the Board of Governors, Sections 4 and 5 relating to choice of Faculty and Alumni Governors; and Section 6 relating to election of under-graduate governors.

RISE OF MERRY WIDOW

Like, City-winner Creations Now Greet Us on Every Side.—Pet Parrots Transformed.

Spring with the "Merry Widows" is here. They are out in flocks and crowds all over the campus. They bask in the sun of the library steps; they loiter in the shade of the campus oaks; they block the narrow halls and the post-office.

Yesterday two of the gayest of their number were overheard in an animated conversation just outside the Daily office door. A small yellow cart-wheel was saying, "Goodness, but that was a tussle coming thru the post-office!" "Yes," panted the blue one with the peacock on its crown, "I nearly knocked out a man's eyes but then he ought to wear glasses for protection. We are square tho because I hide him from the Professor's questioning glance in the psychology class every day."

The yellow one was not to be outdone. "My owner's mother has me (Continued on fourth page.)"

Y. M. C. A. Cabinet Named for 1908-9

President Sears Thomson of the Y. M. C. A. announces the following committee chairmen as members of next year's cabinet: Membership, Thomas Uzzell; Bible study, E. S. Tesdale; mission study, Merton Hillman; education, Gordon Grimes; building, Ray Orr; reading-room, Harwood Stone; finances, Rudolph Ramsland; social, Farrington Daniels; religious meetings, Edwin McKeen; employment, W. A. Norelius; visitation, Roy Blakey; intercollegian editor, Henry Bruchholz.

Russian students at California University have organized a Language club called the Russky Kruzok.

REGENTS OBJECT TO PLAN FOR ELEVATING ROADBEDS

Elevation of S. E. Roadbeds would Interfere With Plans for a Greater Campus.

Plans of the city and the railroads regarding the separation and elevation of grade crossings in Southeast Minneapolis are being objected to by the Board of Regents.

At the meeting of the Railroad Committee of the council, the various interests were represented. B. F. Nelson speaking for the regents, advocated lowering the tracks instead of elevating them as proposed. He specifically objected to the proposed elevation at Harvard street, which would bring the grade up four feet higher than at present.

Mr. Nelson said that the Board of Regents eventually expect to acquire nearly all property south of the campus to Washington avenue and east to Oak street.

The plan for a greater campus involves lowering tracks for a tunnel, giving the "U" a sweep of ground from the buildings down to Washington avenue on the south to the river on the west.

"This proposed addition," said Mr. Nelson, "will give the University of Minnesota one of the grandest campuses in the United States."

SUNLIGHT HOP TODAY

Woman's League Entertainment to Be Best Ever—Cadet Band Will Furnish Music.

The long-heralded Women's League dance will be held this afternoon in the armory, dancing to begin at four o'clock.

The receiving committee will consist of Dean Comstock, Ruth Colter, Florence Godley, Anna Doyle and Kate Firmin; the introduction committee of Camelia Waite, Genevieve Wales, Polly Fitzsimmons, Marie Browne, Catherine Croelser and Elsa Ueland.

The most popular men, picked by the city dailies, have gone into hiding and fear is expressed that they will never reach the armory this afternoon. The rest will be there however, and all anticipate a royal entertainment.

The University band will furnish strains for the program of twelve dances.

SING MINNESOTA THURSDAY.

Members of the Musical Federation are agitating a movement to have "Minnesota" sung on Thursday at the chapel exercises instead of on Friday, as has always been the custom heretofore.

They claim that chapel is always crowded on Thursdays and that our song would be appreciated more on that day than a hymn whose words are not so familiar.

Because A. A. Young, president of the junior class and captain of the Varsity crew, was suspended on account of hazing, 350 students of New York University are out on a strike.

A SCHOOL OF JOURNALISM.

For several years past attempts have been made to secure a school of journalism at Minnesota. Last year the project nearly met with success. Year by year the necessity has become greater till at present it is almost imperative. We hope that next fall when college opens, this long-felt need will be met and thru the necessary action by the regents, a school of journalism will be established.

The field of journalism is a broad one. Every year large numbers of young men and women go out from Minnesota to enter journalism as a profession. Why should these young men and women be denied the privilege of learning the theory and as far as possible the practical workings of journalism when the University offers that privilege to those contemplating entering other professions?

A large amount of practical knowledge in journalism cannot be taught at college, but the same may be said of any line of work. There is a large theoretical field, however, that can be taught to advantage and by working in conjunction with the college publications the practical side could be offered to a great extent. Many other universities have recognized the real benefit of such a school. Minnesota should do likewise.

There are many students in the University at present who desire the training such a school might offer; a number sufficient to warrant its establishment. There would be a larger number here were such a school established, for many go to other institutions to get a journalistic training who, if such a course were here, would beyond a doubt come to Minnesota. Representing as we do the journalistic element of the student body, we request the regents to give us an opportunity to secure the training we need.

JUNIOR LAWS SPEEDY.

Junior Laws defeated East High in a speedy ball game Tuesday by a 5 to 2 score and recently slipped one over on the Hamline club, the score sheet registering 8 to 6. The laws have a swift aggregation and are anxious to arrange games with any class team. J. F. McGovern is the team's manager.

Prizes for Theses

(Continued from 1st page.)
A first prize of \$300 and a second of \$200 is offered to undergraduates for the best articles on any of the following subjects:

1. The best scheme for uniform corporation accounts.
2. Desirable methods of improving our trade with China.
3. The proper spheres of the trust company and the commercial bank.
4. The relations of oriental immigration to American industries.
5. The relative efficiency of American and European labor in manufacturing industries.

A prize of \$500 is also offered for the above subjects but if others are chosen they must first be approved by the committee in charge of which persons should be sent in by June 1, 1909. Undergraduates may compete. Prof. J. Lawrence Laughlin of Chicago University is chairman. The papers for any of the prizes: post-graduates are restricted to the first class.

Northwestern is making arrangements for a mock national Republican convention. Members of the Woman's Suffrage League will make a contest for the delegations from some of the western states.

GREEKS ON THE DIAMOND

Two Games Scheduled Daily—Lack of Suitable Field Handicaps Ball Players.

Section 1—	Won.	Lost.	Pct.
Delta Kappa Epsilon..	1	0	1.000
Sigma Nu	0	1	.000
Zeta Psi	0	0	.000
Phi Psi	0	0	.000
Delta Tau	0	0	.000
Section 2—			
Delta U	1	0	1.000
Phi Delta Theta.....	1	0	1.000
Sigma Chi	0	1	.000
S. A. E.....	0	1	.000
Section 3—			
Psi U	1	0	1.000
Beta Theta Pi.....	1	0	1.000
Phi Gamma Delta....	0	1	.000
Alpha Deltas	0	1	.000
Section 4—			
No games played.			

Late Scores.

Delta Kappa Epsilon, 13; Sigma Nu, 11; Psi Upsilon, 9; Phi Gamma Delta, 5; Beta Theta Pi, 9; Alpha Delta Phi, 0 (forfeited).

Playing of the interfraternity games has been difficult on account of the lack of a suitable field. The University diamond is usually in use up to 5:30 p. m. and the only space available is the rough ground on the campus. Even that is soon to be taken by a proposed faculty order forbidding ball playing on the campus.

The Athletic Board of Control has been petitioned for another diamond on the campus and their action on the matter is being hopefully awaited by all ball teams at the "U."

Theta Delta Chi will give their formal party at Glen Morris Inn, April ninth.

The Harlequin Club at Purdue will present George Ade's play, "The Fair-Goed."

COMPETITIVE SABER DRILL.
The battery has been having a competitive saber-drill. Wednesday the drill-down in the first platoon was won by Tom Roberts and Chen Gilman. Yesterday Chris Hansen, Vern Pidgeon and Will McGinnis did the best drilling in the second platoon.

These five men will compete in the finals next Wednesday. Each will go thru the different exercises and be awarded points according to their excellence. The high-score man will be proclaimed champion.

BURTON ON "THE THEATRE."
Professor Richard Burton will deliver a lecture to the members of the Six o'Clock Club at Donaldson's tea-rooms, May 4. The subject of the lecture will be "The Theatre," and those who are acquainted with the speaker's treatment of this and kindred topics know that a treat is in store.

Professor Burton will treat of the theater in relation to state and municipal control, and will speak of the prejudices that exist among theatre-goers of the present time in America.

Pennsylvania has a walking club with 150 members. Every Saturday afternoon the club walks ten or fifteen miles.

Coaching plays and orations a specialty. The splendid Dance Hall in the building may be secured for Clubs and Fraternities at Reasonable Rates.

The Harvard Medical School Boston, Mass.

With the completion of the new buildings, which were dedicated September 25th, 1906, this school now has facilities and equipment for research in the various branches of medicine probably unequalled in this country. Of the five buildings, four are devoted entirely to laboratory teaching and research. Numerous hospitals afford abundant opportunities for clinical instruction in medicine and surgery.

COURSE FOR DEGREE OF M. D.

A four years' course, open to bachelors of arts, literature, philosophy or science, and to persons of equivalent standing, leads to the degree of M. D. The studies of the fourth year are wholly elective; they include laboratory subjects, general medicine, general surgery and the special clinical branches.

The next school year extends from October 1, 1908 to June 24, 1909. The diploma of the University of Minnesota is accepted for admission. For detailed announcement and catalogue, address

HARVARD MEDICAL SCHOOL, Boston, Mass.
