DULUTH -- Robert F. Pierce, professor and head of speech, will present ~~a report at~~ the Institute on Audiology and Education of the Deaf on Friday (May 19) at the Ambassador Hotel in Minneapolis.

The title of his paper is "Services To The Deaf In Speech and Hearing Centers" in which Dr. Pierce discusses the philosophical gap between audiologists and educators of the deaf that is slowly being narrowed.

Pierce's audience will include teachers, audiologists, nurses, social workers and other related personnel involved with the acoustically handicapped.
