

Working with Students with Asperger Syndrome: A Team Approach

Faculty/Staff Workshop

Presenter **Lisa King**
4 Master's degree from College of William and Mary
4 Disability Specialist in education for 20 years
4 Has worked extensively with students with Autism Spectrum Disorders in higher education
4 Nationally known speaker on best practices in field

Asperger Syndrome (AS) is an Autism Spectrum Disorder with growing numbers of students on college campuses. Students with AS present unique challenges to campus professionals. This workshop will:

- ▶ Define Asperger Syndrome
- ▶ Look at the increase in incidence
- ▶ Examine how students are affected on campus and in class
- ▶ Discuss accommodation issues

November 11
1:00-3:00
