Edwin O. Sigglekow, coordinator of student activities and Kirby Student Center, will represent UMD at the 37th annual Association of College Unions international conference at Indiana University, April 24-27.

This year's conference theme, "The Union's Part in the University's Education Program," reflects the purpose of college unions everywhere-- to train students in citizenship, social responsibility and democratic leadership.

About 325 delegates are expected to attend the Bloomington conference. The Association of College Unions is comprised of 375 member-institutions in the United States, Canada, Mexico, Cuba, Puerto Rico, Australia and the Phillipines.
