# Opportunity to Review/Comment on SWPPP

November 16, 2020

**Your input on UMD's Stormwater Pollution Prevention Program (SWPPP) is needed!**

## **STORMWATER POLLUTION PREVENTION PROGRAM**

To reduce the quantity and improve the quality of stormwater runoff, UMD maintains a Storm Water Pollution Prevention Program (SWPPP). The SWPPP is approved by the Minnesota Pollution Control Agency, acting on behalf of the U.S. Environmental Protection Agency to enforce the federal Clean Water Act.

Use the links below to find out more about UMD's SWPPP, our best management practices (BMPs), and past efforts and improvements that have been made.

To provide comments or feedback, please use this link: <https://champ.d.umn.edu/facilities-management/stormwater/comments> (<https://champ.d.umn.edu/facilities-management/stormwater/comments>).

There are six minimum control measures required in the SWPPP, including:

1. [Public Education and Outreach](https://champ.d.umn.edu/facilities-management/storm-water/stormwater-pollution-prevention-program-swppp/peo) (<https://champ.d.umn.edu/facilities-management/storm-water/stormwater-pollution-prevention-program-swppp/peo>).
2. [Public Involvement and Participation](https://champ.d.umn.edu/facilities-management/programs/stormwater-pollution-prevention-program-swppp/pip) (<https://champ.d.umn.edu/facilities-management/programs/stormwater-pollution-prevention-program-swppp/pip>).
3. [Illicit Discharge Detection and Elimination](https://champ.d.umn.edu/facilities-management/storm-water/stormwater-pollution-prevention-program-swppp/idde) (<https://champ.d.umn.edu/facilities-management/storm-water/stormwater-pollution-prevention-program-swppp/idde>).
4. [Construction Storm Water Runoff Control](https://champ.d.umn.edu/facilities-management/storm-water/stormwater-pollution-prevention-program-swppp/construction) (<https://champ.d.umn.edu/facilities-management/storm-water/stormwater-pollution-prevention-program-swppp/construction>).
5. [Post Construction Storm Water](https://champ.d.umn.edu/facilities-management/storm-water/stormwater-pollution-prevention-program-swppp/postconstruction) (<https://champ.d.umn.edu/facilities-management/storm-water/stormwater-pollution-prevention-program-swppp/postconstruction>).
6. [Pollution Prevention and Good Housekeeping](https://champ.d.umn.edu/facilities-management/storm-water/stormwater-pollution-prevention-program-swppp/ppgh) (<https://champ.d.umn.edu/facilities-management/storm-water/stormwater-pollution-prevention-program-swppp/ppgh>).

## Take the Stormwater Survey for a chance to win a prize!

We want to know what you know -- and there are no wrong answers on this end of semester test! The data collected in this survey will be used internally by UMD staff to inform future outreach and education efforts -- and in return for you helping us do better, we'll enter you into a prize drawing. Must participate in the survey by December 31, 2020, to be eligible. The link to the stormwater survey is [here](https://champ.d.umn.edu/facilities-management/programs/sw-questionnaire) (<https://champ.d.umn.edu/facilities-management/programs/sw-questionnaire>) (<https://champ.d.umn.edu/facilities-management/programs/sw-questionnaire>) (<https://champ.d.umn.edu/facilities-management/programs/sw-questionnaire>).
