DULUTH -- Claudia McEwen, Duluth, will receive an award Saturday (May 13) from the Lake Superior Section of the American Chemical Society as the most academically qualified senior UMD chemistry major of 1967.

The presentation will be made at a dinner meeting of the organization in Ironwood, Michigan.

Miss McEwen is the daughter of Dr. and Mrs. William R. McEwen. Dr. McEwen is professor and chairman of the UMD Division of Science and Mathematics.
