ADAC Strategic Plan

2022-23

I. Vision: The Alcohol and Drug Advisory Committee (ADAC) will use evidence based data, best practices, and a developmental approach to create harm reduction education, and advise on applicable on and off campus policy. ADAC will incorporate social norm data into programming, and monitor the role substance use plays in mental health and sexual violence in an effort to enhance safety and reduce community harm.

II. Mission: The Alcohol and Drug Advisory Committee exists to support student well-being by providing support through campus collaborative efforts to assess current issues related to alcohol and other drug use.
