VOL. XII, NUMBER 103

THE UNIVERSITY OF MINNESOTA, TUESDAY, MARCH 7, 1911

FIVE CENTS THE COPY

FRESH-SOPH ORATORICAL CONTEST TOMORROW NIGHT

Both Sides are Confident of Victory
—Prizes will be Awarded the Winners.

Seven orations will be given, three by sophomores, and four by freshmen, at the Freshman-Sophomore Oratorical contest which will be held in chapel, tomorrow evening, March 8. The sophomores who will take part in the contest are: H. J. Burgstahler, "The National Struggle"; H. A. Lindstrom, "Finland"; and Sigvord Bolstad, "Law Enforcement." The freshmen who will give orations are: Marshall L. Dunn, "Robert Marion La Follette"; J. E. Ahm, "The Best There Is In Us"; Norman S. Mitchell, "The Standard of Living"; and Fred Tryon, "The Value of the Classics." Prizes of fifty dollars, thirty dollars, and twenty-five dollars will be awarded to the men securing the first three places in the contest.

The judges for the contest are Dr. Hardin Craig of the English department; Paul Heard, formerly debating coach at the Central High School, and Gustavus Loevinger, an attorney of St. Paul.

WATER "FETE" MARCH 18

Dr. Cooke Has Arranged a Large Program of Water Events to Take Place Saturday, March 18th.

University swimmers will get a chance to show their ability on Saturday, March 18th, after drill. Dr. Cooke announces that a "University Championship Meet" will be held on that date. The winners of the various events will have their names and records placed on a plaque to be hung on the wall of the natatorium. Arrangements have been made for the following events: 40 yard dash, 80 yard dash, quarter mile swim, 40 yard dash using the back stroke, 100 yard dash using the breast stroke, long distance plunge, fancy diving and underwater swimming and tests of endurance and speed.

As a wind-up there will be an interclass water polo tournament. The freshman have been getting out quite regularly and expect to have everything come their way in the last named event.

Dr. Cooke wants all men who wish to enter for any of the events to be in his office at 5 o'clock this afternoon.

An old-time singing school has been started at Indiana. The "School" meets every Wednesday evening for one hour, during which time old American and German songs are sung.

BOOST!
* for the Men's Building by seeing your legislator today. If you can't see him write him a letter. It is important.

MEN'S ORGANIZATIONS ASKED TO JOIN IN MAY FETE PLANS

President of the Minnesota Union Requests the Cooperation of all Fraternities and Societies.

Circular letters requesting money pledges to finance the May fete have been sent to the presidents of the various men's organizations of the University by Dr. Albert E. Jenks, President of the men's union.

To finance the fete, as it is now planned, would require not less than \$1000, and, before the plans can go further than mere conjecture, this amount must be under-written. It is believed that this outlay will be returned from the receipts of the fete. The circulars ask the presidents of the various organizations to respond as soon as possible for their organizations, as the answers will largely determine the success of the venture.

It has been suggested that the fete be made a quadrennial event of a spectacular, pageant nature. This year the atmosphere of the celebration will be Elizabethan. The whole campus will be used as a setting, and even Northrop field may play its share in the general air of festivity.

Dr. Jenks hopes that the organizations will favorably consider the matter, as it would be desirable to unite all student activities of the university in the successful management of so admirable a college presentation.

BOOSTER MEETING FRIDAY

Big Mass Meeting Called to Enthusiasm Workers for Men's Building.

As a booster for the Men's building, appropriation for which the legislature has been asked, a huge mass meeting is to be held in chapel Friday at 4 p. m. It is not yet definitely known just when the bill will be passed upon by the legislature but it is expected to be within the next two weeks. In the meanwhile everything that can be done to enthrone workers and show the legislators that the students really want the building, will be done.

The meeting will be held at 4 p. m. and the band will probably be on hand to play. In the meantime anyone and everyone is requested to see the legislator from his district and boost for the new building.

SENIOR SILVER SOLICITED.

Every Senior who has not yet snatched the opportunity of paying the class treasurer his dues will this morning receive in his post-office box a suggestive billet—doux signed by the officers of the Senior class. The powers that be, declare that only one-third of the members of the class of 1911 have parted with their fifty cents, and bespeak themselves as desirous that the delinquent two-thirds come across at once.

LAWLER CHOSEN TO ACT AS IRISH TOASTMASTER

Ex-Mayor of St. Paul will Preside. Eligibility Committee. Puzzled.

Ex-Mayor Daniel W. Lawler of St. Paul has accepted an invitation to be toastmaster at the Irish Banquet which will be held on the evening of March sixteenth. Mr. Lawler, who is an alumnus of Georgetown college and of the Yale Law School, is considered to be one of the best speakers of the Northwest.

The eligibility committee is considering the question, "Does red hair prove Irish blood," for several of the Titian-tinted people point to their thatches as sufficient evidence of their eligibility to be present at the banquet. This same committee doubts some of the statements about maternal grandparents whose names were Kelly, Burke or Shea. Despite these suspicions a goodly number of Irish have commenced saving their dimes ten of which will be necessary for admission.

The eligibility committee which has charge of the sale of tickets, is composed of John McGovern, chairman, John Connelly, Daniel Foley, law, Miles McNally, Julia O'Brien, Helen Fitzsimmons, James Baker, academic, William Genety and "Mose" Brown from the Agricultural college, Leo Owens, and T. Q. Quigley, engineers, John Kelly and Tod Cassidy dents, and Dan Mahoney and Edward Hayes, medics.

SENIORS TO BE ENTERTAINED

Academic and Engineering Seniors Will Be Guests of President and Mrs. Northrop.

President Cyrus Northrop will give a reception to the seniors of the Academic and Engineering colleges at his home on Wednesday March 29. This will be the last reception that "Prexy" will give in his official capacity as President of Minnesota. President and Mrs. Northrop have usually given this reception a week before commencement, but as he expects to be in the east at that particular time, and since he would not be president at that time, he has decided to give the reception two days before he goes out of office.

SUBSCRIPTIONS TO BE TAKEN FOR MINNESOTA SONG BOOK.

Within a week or two a campaign for subscriptions to the "Minnesota Song Book" will be started. Five hundred copies must be guaranteed before the song book goes to press. Bill Norton '06 who compiled the book will be in Minneapolis soon to make arrangements for publication. Final announcements of the campaign and further particulars of the song book will be announced in chapel on Thursday.

SUBSCRIPTIONS TO GOPHER WILL BE SOLICITED TODAY

Last Effort to Solicit More Subscriptions will be Made Today and Tomorrow.

Today and tomorrow are the last days for Gopher subscriptions. The book goes to press on Thursday and on that day the number of books to be printed must be decided upon.

The board has decided to line up everyone in college in the next two days and then order to cover the number subscribed for. In former years, many more Gophers have been published than have been ordered, so that anyone who had not subscribed could get one on Gopher Day. But this year, there will only be a very limited number of such books, so that in order to insure possession of a Gopher, the order must be in before Thursday.

Subscription blanks will be placed in the post boxes or may be obtained from any member of the Gopher Board, or at the Gopher office. Every junior who has not subscribed for two Gophers is asked to do so at once.

FENCING EXHIBITIONS AT THE GOPHER-MAROON GAME.

Innovation at the Gopher—Maroon Game on Saturday Evening—Team to Chicago.

Six members of the fencing classes of the University will give exhibition bouts during the intermission between halves of the Chicago-Minnesota basket-ball game Saturday evening.

The program will be as follows: (a) The official "grand salute," as given on special occasions in Paris, followed by a two-minute bout, by Miss Margaret Nachtrieb and Miss Eunice McGilvra. (b) A threeminute bout, Mr. E. P. Baker, and Mr. F. G. Pardee. (c) A three-minute bout, Mr. M. O. Nelson and Mr. C. J. Eisler. (d) In order to illustrate what is called in fencing "The feeling of the blade" Prof. Le Roux will endeavor to parry, blind folded, the attacks of Mr. Eisler.

Miss Nachtrieb and Miss McGilvra have had only eight lessons in a large class but as their fencing master says, "So far as learning is concerned nothing is impossible for the girls of the University."

For the first time in the history of our University a team will participate in the intercollegiate fencing contest in Chicago next April. Having had only four months of instruction in fencing while Chicago, Nebraska and others have had three years, the Minnesota representatives will be badly handicapped, but intend to make a good showing in spite of this.

This Issue Edited by

Allen L. Moore.

M. Bernard Vaughan.

It is but a matter of a few days before the Legislature will act upon the bill appropriating the necessary money to erect Cyrus Working For Northrop Tribute hall, An End the Men's building of the University. It will come up for consideration towards the end of the session, when the legislators are pressed for time, and the consideration that will be given to it depends upon how well the attention of the senators and representatives has been drawn to it.

It is only fair that the students of the University should call the attention of their own representatives to the matter and urge the passage of the bill. A little personal lobbying in a worthy cause outside the capital will do no harm in this case, and it may result in the greatest good imaginable to the University.

The necessity of a Men's building at Minnesota is beyond all debate. It is imperative that one be secured and now is the time that the matter be settled for all time. One-half of the money is raised and it only remains to strike while the iron is hot to get the rest of the money from the state. We urge upon every student of the University to comply with the request of the Men's Union board of governors and speak to their legislator at once.

STUDENT COUNCIL REQUESTS SANITATION FOR GIRLS' GYM.

Members of the student council held an important meeting in Folwell Hall yesterday. Many questions of importance were discussed. At the request of Dr. Bracken, Sec. of the State Board of Health, the Council forwarded to the Board of Regents, along with the recommendation of Dr. Bracken, their own request that the girls' gymnasium be provided with ventilation, and its sanitary condition remedied as far as possible under present circumstances.

The council also requested the Board to establish a course in sexual hygiene in the curriculum of the university.

The Philomathian Literary society at its regular weekly meeting last evening abolished its customary program and indulged in a spelling match. All members participated and the result was a "Survival of the fittest."

The Athenian Literary Society of the Agricultural College holds its regular weekly meeting this evening at seven p. m. Visitors are always welcome. An excellent program has been arranged.

HOME ECONOMICS ASSN. HOLDS MEETING TODAY.

The Home Economics Association of the College of Agriculture will hold its postponed meeting this morning at 11:30 to discuss whether it will or will not join the Woman's League. This meeting is important and all those who have views on the subject are urged to be present and expound the same as this question must be decided at once.

The first meeting of the Girl in the City class will be held this noon at 1:15 in the Y. W. parlor at Shelvin. Miss Josephine Schain will be the leader and her topic will be "The Working Girl."

Professor Young was one of the judges of the St. Olaf and Lawrence debate last Friday evening, which was won by Lawrence. The question was "Resolved that the U. S. should supplement her taxing system by using the income tax with a \$5,000 exemption."

All students wishing to compete in the University swimming tournament on March 18th, are requested to meet in Dr. Cooke's office today at 5 o'clock.

SCHOOL OF MINES WILL OPEN FOR STUDY EVERY EVENING.

Dean Appleby says that it is only right that the Mining building should be open in the evening in order to give the students a chance to use the Library and drafting room. On many days the students work all day in the laboratory and have no time except the evening in which to prepare their lessons for the next day. In order to do this they need reference books. Students who wish to do drafting are also given a chance to make up the work.

Each evening one of the Professors has charge of the building and any student of the school of mines is welcome to come in and discuss subjects with the professor. This is done so as to give the students a chance to become personally acquainted with each professor.

DR. BURTON WRITES FOR THE MARCH MAGAZINE.

In addition to President Northrop's "Success in Life," the Minnesota Magazine has been fortunate enough to secure for the March issue, which will be out Thursday, a thoroughly delightful poem by Dr. Richard Burton of the English department. The title is "The Flower of Sacrifice."

DR. VINCENT TO SPEAK.

President-elect Will Deliver Chief Address at Annual Gathering of State Superintendents.

Dr. Vincent will be the chief speaker at the annual convention of State Superintendents which will be held at the University, March 31, and April 1. This address will be the official welcome and will be given Saturday morning.

The convention will banquet at the Minneapolis Commercial club on the evening of March 31. Supt. C. H. Barnes, of Ely, will preside at the meeting.

Eloi Bauers has been chosen by the debating board to take the place of Edwin McKeen as president of the Northern Oratorical League. He will attend the annual convention of the League when it is held at Ann Arbor in May.

Mr. J. B. Husband a Minneapolis magazine writer, recently spoke to Mr. Bellow's rhetoric classes on the subject of "Description."

Mr. Husband after having graduated from Harvard spent two years in the coal mines, and since that time he has been writing descriptive articles for the Atlantic Monthly. He has also travelled widely in Europe.

SEVERAL STUDENTS UNDER QUARANTINE AT AG. COLLEGE

An epidemic of measles at the Farm School, which is an annual affair and each year anticipated, realized, and routed by the school authorities, is of less consequence this year than ever before; due, according to Dean Woods, to the treatment of all the towels with bi-chloride. This anti-septic it is believed, has done much to prevent the spread of the disease. At present there are but nine cases of German measles and three cases of mumps, and it is expected that by the end of the school year, the last of this month, all the students may be discharged. By the absence of an infirmary the boys are coralled in the basement of the Home building where they are excluded from all contact with others.

GOPHERS RETURN FROM A SUCCESSFUL TRIP

Wisconsin and Iowa Taken Into Camp by Decisive Scores—Lose to Illinois.

Minnesota's tour of Wisconsin, Illinois and Iowa proved to be fairly successful, the Gophers winning the Wisconsin and Iowa games and losing to Illinois. The Wisconsin game was snappy but did not come up to the standard of the Wisconsin game at Minneapolis. The Gophers were too strong for Wisconsin and won by a score of 21 to 13. The loss of the Illinois game was, to some extent caused by Lawler being out of form on account of his accident at Wisconsin. Minnesota has been noted for doing the unexpected and the Illinois game was certainly unexpected although Minnesota played a hard game, Illinois was too much for them and they lost after a hard fought battle with a score of 22 to 18, Minnesota recovered herself, however, in the Iowa game; showing that their loss at Illinois was an accident. The Gophers took the lead and as a result the score at the end of the first half was 20 to 4 in their favor. Iowa did not have a chance from the first although they started with a flourish and had the ball in their control the first ten minutes of play but poor throwing was their downfall. Lawler, with his usual skill made nine field goals. Minnesota's superior team work overwhelmed the Hawkeyes and soon put them in the background. The Gophers held their fast pace to the end and Iowa lost by a score of 36 to 15.

The following is the standing of the four leading teams.

Purdue12	8	4
Minnesota10	6	4
Chicago11	7	4
Wisconsin9	5	4

HANDBALL TOURNAMENT TO BEGIN FIRST OF NEXT WEEK.

Preliminary games in the handball tournament, for the university championship will begin Monday March 13th.

Competition for the medals that are offered for firsts in the doubles and singles will be keen, as thirty men have already signified their intention of entering the meet. "Bill" Foster is in charge of the arrangements, and is preparing a schedule.

A course in poetry writing has been opened at Missouri.

BASEBALL PRACTICE BRINGS OUT PROMISING MATERIAL

Diamond Back of Armory Still a Mass of Ice—Freshmen Show Up Well.

Owing to the fact that the top of the cage has not yet arrived baseball practice is being retarded somewhat. The sluggers have not yet had a chance to break into the limelight. Some pretty exhibitions of bunting are seen however and Minnesota will be in game when it comes to sacrifice hitting.

Noticeable among the men who are coming out daily for practice are several freshmen ball tossers. To judge from the showing these men are making in indoor practice, the 1914 team will give the varsity many a good tussle. Coach Clarke is looking out for future varsity men and is giving these freshmen a great deal of encouragement. The flooding of the baseball diamond for a skating rink proved to be a disastrous undertaking as the ice is still a foot thick in some places so that will take at least until the first of April before the men can get onto the field even though the weather would warrant an earlier desertion of the cage.

PILLSBURY ORATORICAL TO BE HELD ON MARCH 24.

The annual Pillsbury Oratorical contest will be held in chapel Friday March 24. Those who will take part in the contest are: Anna Campbell, "Our Duties to Posterity"; Alan Brooms, "The Workers"; W. M. Frazer, "Compulsory Arbitration"; George Gamble, "Russia's Greatest Genius"; Victor W. Bruder, "Two Methods in Social Reform"; Gale P. Hilyer, "The Black Man in America."

INTER-COLLEGIATE RIFLE RACE GROWS INTERESTING.

Iowa University and Massachusetts Aggies are Tied for The Championship.

Leadership in the Intercollegiate Rifle Shooting contest is still disputed between Iowa and the Massachusetts Agricultural college. These two teams are showing far better form than those of the other colleges, and the tie will probably not be broken until the two teams meet next April.

Columbia looks to be a winner for the special trophy, that goes to the University that is not maintaining a military department.

The Intercollegiate Indoor Rifle Shooting championship will be shot during the week ending May 6, and the outdoor championship will be shot during the period of June 10 to 18.

The Minnesota team in its shoot against Iowa last Friday, made its highest total score 1744.

The standing of the teams in the association for the week ending March 4, is as follows:

	Won	Lost
Massachusetts Aggies8	0
Iowa8	0
