

UMD Psychology Presents

COFFEE & CONVERSATION

The Power of Possibility: Barriers of False Narratives & the Potential for Self Transformation

Featuring Dr. Christopher Beasley
Assistant Professor at
the University of Washington

Friday, October 1st 1-2 pm

Griggs Center

Chris Beasley is Assistant Professor of Social, Behavioral, and Human Sciences at the University of Washington Tacoma. He studies the possibilities incarcerated and formerly incarcerated people imagine for themselves, influences on these possibilities, and how they alter life courses.
