WISCONSIN CONFIDENT-- SO IS VARSITY QUINT

Game to-morrow night will be close--
Is the last game of season
on home floor.

The game with Wisconsin to-morrow night will finish the inter-collegiate basket-ball season on the local floor. All indications point to a close and exciting contest.

The Badgers were victors over Minnesota when the Gophers journeyed to Madison a few weeks ago. The varsity, accordingly, is particularly eager to defeat at Wisconsin, and the spirit in which the practices are going off bodes ill for Wisconsin.

The "Daily Cardinal" seems to regard the championship as definitely fixed between Chicago and Wisconsin, and goes even so far as to talk about an extra game between these two teams to decide the honors. The varsity is saying nothing, but for all that, may somewhat upset their plans.

SOPHS PREPARE FOR TOURNEY

Have Strong Team--Will Elect Captain Tomorrow.

The sophomore class is the first to make definite preparations for the inter-class basketball tournament to be held March 21.

All sophomores met at chapel time yesterday and perfected their organization.

Practice is to begin on Saturday. A captain will be elected at that time.

DATE SET FOR ANNUAL MID-WINTER MEET

Generous Prizes Will Be Given Winners In All Events--More Candidates Wanted.

Two weeks from to-morrow the annual mid-winter track meet will be held. At present the number of freshmen out is very satisfactory, but few old men have yet put in an appearance.

A gold medal will be given as first prize in every event. Besides the medals there will be the usual pennants and banners.

The events for the meet include the inter-fraternity relay race, the inter-literary societies relay races, 60 yard dash, hurdle race, quarter mile, half mile and mile runs, high jump and shot put. There will also be an interscholastic race, open to all preparation schools. The prize will be a handsome banner.

The fraternity men are especially urged to get out as it often happens that from their midst is drawn some of the best material.

GIRLS' TEAM TO MEET SOUTH HIGH TO-NIGHT.

Game Is Part of Preparation For Nebraska Game.

To-night at Cooke's Institute the Varsity Girl's basket ball team will meet that of South high in the first regular game of the season.

The game is called for 8:15. The admission price is twenty-five cents.

SPLENDID COMEDY SEEN IN "THE SILENT WOMAN"

Postponement Has Given Perfection To Finish--Cast Has Rehearsed Faithfully.

Perfection of finish and costuming has resulted from the postponement of "The Silent Woman." The cast have not ceased in their efforts to make the play a splendid success in every detail.

Every rehearsal elicits the greatest merriment and a few of the humorous situations were outlined yesterday by Miss Peck.

The domestic relations between Captain Otter and his wife are decidedly strained.

The wedding celebration for Morose is spectacular. The unwelcome guests are ushered in by Dauphine the nephew, much to the dismay of Morose. The feast is laughable.

There is a unique duel scene between Sir Amorous La Fool, and Sir John Daw, during the course of which Sir John receives six kicks and Sir Amorous is pulled around the stage by the nose.

From start to finish King Comedy reigns supreme. The divorce scene is especially full of action. The play is well worth seeing.

NORTHROP AND JONES LEAVE FOR SOUTH.

To-night President Northrop, accompanied by Dean Jones, will leave for the South on the vacation trip, which the Board of Regents granted them some time ago.

Dr. Eddy will act as Dean Jones' representative during the latter's absence, and as such will call and preside at all faculty meetings.

Professor Haynes will take the Dean's place as chairman of the committee on students work.

More Representatives.

As representative to the Constitutional committee of the Minnesota Union. The following have been chosen in the last two days:--Engineers, '10, Sears Thomson; Chemists, '11, Lewis E. Dunn; Six-Year Medics, '12, Albert Peppard; Engineers, '08, Louis P. Zimmerman.

Today is the last day of election, and all candidates should be chosen by to-night.

Rough plans for the Union have been drawn up based largely upon the one at Harvard. With this as a working basis it is hoped that the Convention will produce an excellent constitution in short order.

BEACH THIS AFTERNOON.

Professor Joseph Beach, of the English department will address the students at 1:10 o'clock this afternoon at the Y. M. C. A. The quartet will also render several new and pleasing selections. As large an attendance as possible is desired.

Mrs. Jeannette Baier Ward, '06, has been appointed special agent of the department of Commerce and labor to investigate and report upon the cotton mills of the south. Mrs. Ward has been at work in South Carolina and is soon to go to Georgia for the same purpose.

SENIOR NIGHT LAW COMMITTEES CHOSEN

Appointments Made in Preparation For Commencement--Union Representative Chosen.

W. C. Smiley, President of the Senior Night Law class yesterday announced that he has appointed the following men on the several class committees:

Entertainment-- Francis Dolan, chairman, Wm. H. Gurnee, H. A. Luxton.

Invitation--Geo. Gavier, chairman, H. A. Brown, S. B. Houck.

Cap and Gown--F. T. Everhard, chairman, K. A. Machatzanz, R. E. Edquist.

Picture--C. E. Gates, Chairman, F. M. Hinch, W. K. Foster.

S. B. Houck was elected to represent the Senior Night Laws on the new Men's Building Committee.

PHI BETA KAPPA CANDIDATES SELECTED.

A committee of Phi Beta Kappa met Wednesday night and decided on the list of eligible candidates. There was found to be nineteen candidates eligible. The elections will take place next Tuesday, March 10th.

REGENTS FINISH WORK

Buildings On New Property To Be Sold--Salary of Prof. McDermott To Continue Rest of Year.

The supreme court of the state has decided that the railroad grade crossing on Oak street must be changed. Either the tracks must run under or above the street level. The railroads claim that this will necessitate the building of another railroad bridge across the Mississippi river. The matter was referred to Regents Wilson and Butler along with the committee on Buildings and Grounds.

The buildings on the newly acquired property are to be disposed of by the executive committee of which Mr. B. F. Nelson is chairman.

The matter of giving instruction in embalming, in the medical department, was referred to Dean Westbrook.

It was voted to pay the salary of Professor McDermott for the rest of the college year to his widow as the bulk of the work in debate and oratory for the year is already done.

PILLSBURY TRIALS TONIGHT.

The preliminaries for the Pillsbury Oratorical Contest will be held to-night in chapel at 7:45.

PERSONALS.

Sarah Reed, '04, now teaching school at Red Wing was visiting at the University this week.

Frederic D. Calhoun, '07, who has been in mercantile business in Seattle, Wash., has gone to California to do work as an illustrator and designer.

Katharine De Veau, '07, is visiting in San Antonio, Texas.

Cornell is to have a new fire station erected on the campus.

PRESIDENT NORTHROP DENOUNCES THIEVERY

In Address Yesterday He Scores College Thieves--Depredation in Folwell Hall Alone Is Appalling.

President Northrop in chapel yesterday emphatically denounced the petty college theiving which has lately become so prevalent. He said in part: "It is this petty theiving that leads to worse acts; the seeds we sow now will surely develop and we shall find that the foundation upon which we have built our character is manikr onpugeth... is'5r 7au o marking upon the removal of the study-room signs he said." I leave for the South Friday night and if the persons who took the signs from the study rooms will return them before then I shall go on my journey happier. They will at the same time have done a great favor to the faculty, cleared the standing of the student body, and removed the disgrace of the university."

Within the past week reports of stolen articles have become more noticeable than ever before. To what extent some students have gone is shown by the following list of articles stolen from Folwell Hall alone:--

7 heavy chairs; 1 wooden waste basket; 2 thermostats that were screwed to the wall; 8 study-room signs that were screwed to the wall; many cakes of soap and several towels from the wash rooms--in fact it is impossible to keep the wash-rooms supplied with soap. In addition to the above university property, a student's purse containing about \$25 and dozens of text-books have been stolen.

Steps are being taken to ferret out the guilty parties.

ENGINEERS MAKE PLANS

Contractors Make Bids For New Building--Faculty Preparing A Five Year Course.

Plans for the new \$250,000 Engineering Building are now under way and competition is rife among contractors and architects who are bidding for the big contract.

The engineering faculty is busy preparing the schedule and completing arrangements for the new five-year course which will become operative next September. This however, will not affect students already entered in the engineering college.

PNEUMONIA CLAIMS ANOTHER VICTIM.

Thomas W. Rafferty, a freshman dentist, died Monday night of Typhoid pneumonia at St. Luke's hospital, St. Paul. Rafferty was at the University last year taking electrical engineering course. His home was in Lanesboro.

DISGRACED.

Every honest, serious-minded student at Minnesota, with respect for Minnesota traditions in his heart, who reads the long list of articles which have been deliberately stolen from the beautiful new main building, must feel a blush of shame mount to his cheek. Nor is Folwell Hall the only building to suffer.
Our forensic and athletic teams build for us a noble reputation for scholarship and athletics. High-minded graduates go out and we are given a fair name the country over. But there are those among us who not only commit a crime against the law, but slyly and treacherously do their assiduous best to nullify all the good work thus done.
Seven large heavy chairs were stolen. We hope it was not done by students. Men have been sent to the penitentiary for less.
Forums meet in west Locker room in Armory at five o'clock sharp today.
"College hour" may be established at the University of Washington. One hour a week is to be set aside and the different classes alternate in conducting the program and creating good fellowship between the faculty and students.

In Memoriam

"In the midst of life, there is death."

Whereas, Our Almighty God has in His infinite wisdom seen fit to take, from this world into His, our dearly beloved classmate, Thomas W. Rafferty; and whereas, the visit of the Angel of Death has been an unusually sad one; be it

Resolved, That We, the Class of 1910, Dental College, U. of M., do hereby extend to his bereaved relatives our sincere and heartfelt sympathy; and

Resolved, That the sudden removal of such a life from among our midst, leaves a vacancy and a shadow that will be deeply realized by all the members of our class; and be it further

Resolved, That a copy of these resolutions be spread upon the class records, a copy forwarded to his mother, Mrs. Rafferty and a copy published in the Minnesota Daily.

CO-EDS OPEN LENT

A group of twenty fair freshman co-eds have secured Shevlin Hall for this evening and have invited a number,— supposedly twenty,—of youthful swains to a leap year party. Elaborate arrangements have been made; the hall will be artistically decorated and something unique, and surprising, is promised in the way of programs—especially as the young ladies, not being versed in such matters, made out the programs before the invitations had been sent out. It is hoped all the forthcoming surprises will be agreeable.

Emerson Hough, L. A. Iowa '80, the noted author, newspaper man and lecturer, will be initiated into the S. U. I. chapter of Phi Beta Kappa on March 13.

METROPOLITAN.

The Italian Grand Opera Company is back at the Metropolitan for a return engagement. The following will be presented: Thursday, La Traviata; Friday, Il Trovatore; Sat. Matinee, Lucia Di Lammermoor; Sat. Night, Otello.

LYCEUM

"At Piney Ridge," the offering at the Lyceum this week, is sure to please the patrons of that house. It is a melodrama with a semblance of plausibility, with some real characters, cleverly drawn; and with some stirring situations, cleverly conceived and well carried out. The play is put on in a commendable fashion by the stock company.

ORPHEUM.

The Orpheum has a bill this week which is entertaining from overture to Kinodrome. Gallagher and Barrett in a military travesty are a scream; the juggling Normans are immensely clever club manipulators; in fact, each and every act scores heavily and is praiseworthy.

Next week the celebrated Orpheum Road Show will come to the Orpheum. This show is a travelling aggregation of vaudeville acts selected and arranged by Martin Beck, general manager of the Orpheum Circuit. It contains the cream of the season's offerings. At the head of the bill is Edward Connelly in a George Ade Sketch entitled "Marse Covington." The remainder of the bill will be as follows: Rosina Caselli's performing Mexican midget dogs; La Gardinia, Spanish dancer; "Coram," English ventriloquist; Kelly and Kent, singing and dancing; Tom Jack, Trio European novelty musical act; Keno and D'Arville, acrobatic dancers.

BIJOU.

"Convict 999" is at the Bijou this week. The management calls it "the Hippodrome of melodramas." Enuf said.

"At Yale" Jules Murry's big College play will be seen at the Bijou next week.

Several more would-be varsity men have been added to the long list of those who found work at the University too tedious. The number has now reached 50.

Michigenda, the musical comedy given by the Michigan Union, netted over \$2,000, from four performances.

HARRY MITCHELL'S EDITORIAL

"HARRY MITCHELL DAY" The 7th of March.

That's next Saturday—it will be a "Harry Mitchell Day" for sure. The worst possible for the high-priced tailors and ready-made stores—just the kind of a day I delight in making the high-priced tailors' prices look like a hold-up and twist the ready-made stores' prices all out of shape.

The greatest sale of fine tailoring ever held in America is billed to open on that day. Don't buy a stitch of clothes, whether tailor-made or ready-made, at any price until you see my goods and prices on Saturday.

I am heavily overstocked with Spring goods, and have to admit I am nervous. Owing to the peculiarities of the season, I have decided to unload at the beginning of the season—in fact, got out from under as quick as I can—and to walk. As I look over my shelves and stock, I realize that, as the saying goes, I "bought goods until I got black in the face"—it makes me dizzy to figure the thousands of suit lengths there are.

Even if I lose in March, I believe it is a good move from my point of view.

While I've got too much stock, my regiment of tailors are badly in need of work. I can't give everybody work, but this sale will help some—there ought to be plenty of work for all.

My \$20 Suits I'll mark down to \$13-50, with red tags—they are worth of any other tailor from \$25 to \$30.

My \$25 Suits, \$16.50, with yellow tags—they are worth \$35 at any other tailor's.

My \$30 Suits at \$21, with green tags—you can't match them at any other tailor's under \$35 and \$40.

I guarantee you absolute satisfaction, a perfect fit—the best I know how to give, no matter what you pay.

Now, don't fail to be on hand Saturday, the 7th of March; it will be well worth while.

Yours truly,
HARRY MITCHELL
