

STAFF DIRECTORY

The Staff Directory contains listings for academic personnel, full-time civil service personnel, and part-time civil service personnel who are regularly employed. It includes names of those staff members on all campuses of the University who have turned in staff directory cards.

University telephone numbers of Twin Cities campus staff members are designated by a "373" or "376" prefix. Campus designations are included for staff members on the coordinate campuses.

Updated information received after publication of the Directory is on file and on computer at Central Mail List Services, 190 P&GA, 373-2358. Any corrections or new listings should be sent to this office.

Each listing reads in this order: Name, position (name of department, division, office, etc.) office address (office telephone), residential address, residential telephone.
