## DRAMATIC CLUB TO PLAY "THE GILDED FOOL" DEC. 1

Officers Chosen to Fill Vacancies—  
Play Will Be "Put on the Road"  
During Holidays.

### HOLT CHOSEN COACH.

At the meeting of the Dramatic Club, held last Friday, Elsa Ueland was elected to fill the office of vice-president, which was left vacant by the absence of Maybelle Snyder from college this year. Charles Hensel, tendered his resignation as president of the club because his work is too heavy to allow him to carry on any outside work. A committee composed of Rae Goodnow, Elsa Ueland, Will Simons, and Clarence Harter, were appointed to select the first play to be given by the club. The meeting then adjourned until Monday, at which time Will Simons was unanimously elected president. The committee reported that upon Dr. Burton's suggestion, they had decided upon "The Gilded Fool" as the play to be put on about December 1st, and taken on the road during the Christmas holidays.

Mr. Charles M. Holt was decided upon as coach of the Thespians.

### PETE GETS A BATH.

Operation Highly Successful—Only  
Male Popular in Shevlin Hall.

Puzzled who are the co-eds that have scratched hands? They are very reticent, and wear gloves.

Splash! Meow! was heard from the basement of Shevlin Hall. After an hour of excitement "Pete," the cat who has been "untouchably" dirty emerged from the bath tub a fluffy, snow white and pearl gray mass. "Pete," the only masculine element in the woman's building, is now petted and caressed by the girls.

## RECENT SOCIAL FUNCTIONS

Dancing Parties Galore at Fraternity  
and Sorority Houses—Catholic  
Men Will Also Entertain.

### EVERYBODY WAS HAPPY.

Hospitality reigned supreme after the football game Saturday. All of the fraternities kept open house, when their brothers and friends were made welcome.

Delta U entertained their friends Saturday evening after the game with a dancing party and later a operetta was given at the fraternity house.

Beta Theta Pi also gave a dancing party.

Sigma Alpha Epsilon will give a dancing party at their chapter house next Friday evening.

The Catholic young men of the University will give their second party of a series which is to be given throughout the year next Thursday evening in Mrs. Noble's Hall.

Gamma Phi Beta will give a dancing party in Shevlin Hall tomorrow evening.

Mr. Stout of St. Louis will speak on "Aerial Navigation" before the Engineering Club of Minneapolis Tuesday evening, Nov. 5th

## WESTERN CHAMPIONSHIP IS FAIRLY WON BY CHICAGO

"Stagg Proves That Forward Pass  
is the Greatest Single Play in  
Modern Football."

### NEW STYLE NEEDED.

Chicago 18, Minnesota 12.  
Chicago won the hardest fought game in her history. It was straight football on the part of Minnesota against the basket ball tactics of the Maroons.

Chicago played a fast game, but she could never have won it on "straight" football.

This, however, does not detract from the glory of Chicago. The forward pass on which she won her three touchdowns was worked so skillfully each time, that it could not be called a fake play.

Walter Eckersall declared after the game. "The forward pass is the greatest play in modern football, and Minnesota has got to learn it."

There is no doubt but what Minnesota will learn it. Carlisle is said to use the play better than any team in.

## JUNIOR TREASURY FILLED

Clinton Backus Finds Serious Draw-  
back in Attending Eastern  
Colleges.

### NO CO-EDS AT TRINITY.

A letter from Clinton Backus, the treasurer of the '09 class, was received at the Daily office yesterday.

Clinton is now at Trinity College, Hartford, Conn. Altho he admires the spirit of the eastern schools, he declares that there is one serious drawback. The trouble with eastern schools is, that there are no co-eds.

He also inclosed a statement of the finances of the class of '09. A favorable balance of 25 cents as received. This shows the prosperous condition of the junior class. It is expected that the financiers in the class will urge that the money be immediately expended, for it is well understood that a surplus is dangerous.

## PRESS CLUB ELECT MEMBERS

Decide to Reorganize at First Official  
Meeting—New Men Elected  
This Week.

### SEVEN LUCKY EDITORS.

Seven new members were elected by the Press Club at their first official meeting last Friday. They are as follows: J. E. Swan, James Beals, Clarence Harter, Yale Smiley, Eliakim Torrance, Robert Meech and John Ray.

These men, with the old members, will form the nucleus of the club for this year. Another meeting will be held at the beginning of this week to elect more members. Any student connected with a college publication, whether holding an editorial position or not, is eligible; consequently, there are a great number to be chosen from to form this smaller organization.

## GOVERNMENT ASSOCIATION'S FIRST BULLETIN ISSUED

"Cafeteria" Gives a Profit of \$100 in  
One Month—First Floor Will  
Be Furnished With Matting.

### IMMENSE DIVIDENDS.

The first monthly bulletin issued by the Student Government Association made its appearance yesterday morning. The object is to familiarize the members of the association with the details of administration in Shevlin Hall. It states the income and expenditures of the lunch room, give the members of the house committee for the month, announces the mass meetings which are to take place, and brings up other matters which may be of interest.

The receipts from the "cafeteria" last year amounted to nearly \$3,000, all of which was paid out in running expenses.

The receipts from the cafeteria for one month this year amounted to nearly \$950, of which a little over \$100 is profit. This money will be expended for matting and linoleum on the first floor.

## POSTOFFICE IMPROVEMENTS

Poucher Secured a New Clock for the  
Post Office—Everybody Can  
Use Telephone.

### REMARKABLE CHANGE.

A new clock graces the precincts of the post office, and Mr. Poucher wears a contented smile. He is very patient and lets everyone use the telephone, provided they do not use it too often, but when the little freshmen would run into the post office a dozen times a day and say timidly, "What time is it? Am I missing fourth hour?" Poucher began to look worried. It is hard enuf to take care of the mail, and see that the freshmen get "that letter from home" on time without being official time keeper. Everyone can use the clock, however, and set their watches by it free of charge.

## PROMOTIONS FOR CADETS

## "DAD" ELIOT WILL ASSIST Y. M. C. A. NOV. 8 TO 12

John Sinclair Will Boom Every De-  
partment of the Y. M. C. A. activ-  
ities During Next Week.

### "DAD" PLAYED FOOTBALL.

A. J. Elliott, for four years left end of Northwestern's eleven, and all western end in 1907, will be on the campus November 8 to 12. Popular "Dad," as he is called, will assist John Sinclair in the Y. M. C. A. work.

While at Northwestern University, Elliott made a remarkable record. Besides playing end for four years, making the all western team, he made the base ball team and was also captain of the track team in 1901. He made the hundred yards in ten and one-tenth seconds, and in the running broad jump made 21 feet 3 inches. He also took part in the shot put, the 220 yards dash and was on the relay team.

He was appointed to the oratorical contest from the School of Oratory, and was chosen class marshal by the faculty for the exercises of commencement work. He was vice-president of the student Y. M. C. A. during his Junior and Senior years.

The "Northwestern" of the 28th inst. says, in part:

"Everybody, with the possible exception of a few freshmen, must know 'Dad' Elliot. While he was here in school he made for himself, on the gridiron and on the diamond and in the class room and among the fellows, a name which is remembered after he is gone, and he comes back to us often enough to make his influence still keenly felt. It will be a matter of very great pleasure to the student body to have him with us again."

## CHAMPION TEAM ASSURED

Five "M" Men and Several Stars  
From Last Year's Freshmen  
Team Form Nucleus for Squad.

### WILL BEAT CHICAGO.

Prospects for a championship basket ball team are especially brilliant. There are five "M" men back from last year who are eligible—Woodrich, Pidgeon, Larson, Muier and Deering.

The freshmen of last year who are now eligible are Anderson, Lyford, Cahaley, Hanson, Capron, and others.

Chicago will be stronger than last year, as they have some new Chicago Y. M. C. A. men who are stars.

Wisconsin, Purdue and Illinois are about the same as last year.

Practice will probably start about the middle of November or a little later.

### CLASS OF '04 TO FEED.

The class of '04 will come together at Donaldson's on the night of the fifteenth—the night before the Carlisle game—to hold a "pre-Indian" celebration. The arrangements are in charge of a committee composed of Registrar E. B. Pierce, Alois F. Kovarik, and Miss Blanche Hull.

Delta Gamma will keep open house that same evening at their sorority house.

**THE ONE BLOT.**

The game is over and the best  
team won. The Minnesota team did  
its best and we are proud of it.  
One can learn by defeat as well as  
by victory. Dr. Williams now knows  
where the weak spots in the team are,  
and the men have had the experience  
of a big game. We cannot forget the  
past but we can profit by it. Let us  
take a rest for a week and then let us  
again take up the cry, "We must bea:  
Carlisle."

The Chigcao game showed not only  
the weak points in the team but  
also the weak points in the student  
body. No loyal Minnesotan read the  
following from the Sunday Journal  
without feeling as if he had been  
stabbed:

"Minnesota had a bad time if it all  
around. The rooters refused to work  
The team was not given any en-  
couragement at critical stages. The  
crowd helped only when Minnesota  
was piling up points. The best roo-  
ring came at the start when every-  
thing pointed to victory and glory."

It is a weak, cheap, picayune loyal-  
ty that cheers and supports its ob-  
ject only when it is victorious. A  
great many students kept up the  
cheering even when Minnesota was  
losing. They are made of the right  
kind of stuff. Those students who  
made it possible for the Journal to  
write the indictment above quoted,  
owe it to themselves to be heartily  
ashamed of each other.

How much better it would have  
been for the university if the Jour-  
nal could have written, "The Minne-  
sota lost, it was thru no fault of the  
students. They cheered the team to  
the bitter end, even yelling more  
vociferously when the team was los-  
ing than when it was winning. It  
was tremendous. Coach Stragg and  
alumni from eastern colleges said  
that they never saw or heard anything  
like it at any college university. No  
team could help but fight to the end  
with such encouragement and sup-  
port as that."

Wouldn't it have been great? It is  
not too late to redeem ourselves. No  
yell leader can get the students to  
yell at crises in a game unless the  
students feel that way. It is "up to"  
the students. What will they do  
about it?

**WHAT'S THE MATTER WITH  
HER BAND.**

Dear Mr. Editor:  
Like the outbursts of Everett  
True, my outburst must get loose  
The Journal of Sunday's issue roast-  
ed the rooting. Well, the rooting was  
poor, but how about the band? The  
band only played before the game  
and between the halves. Each time  
the prospects of victory were bright.  
Why didn't they follow the lead of  
the ten instrument band of Chicago  
across the field, and play when the  
team needed encouragement? Is the  
repertoire of the band limited to class-  
ical overtures? Don't they know any  
football tunes? If they do, why didn't

they play more of them. The rooters  
depend more or less upon the band  
for stimulating the rooting, but Sat-  
urday the band was dead.

mores captured all the candidates for

the country. Since we must beat Carlisle, we will learn the forward pass. But Minnesota played a great game. With Chicago on her one-yard line, she stubbornly held Chicago for downs.

Seven times did Minnesota bear the ball within striking distance of Chicago's goal posts. In spite of a high wind Capron netted three field goals from these trials.

The second goal was phenomenal. Such kicking has never been seen at Minnesota. Capron booted the ball over the goal posts from the fifty-yard line. It struck the cross bar with such force behind it, that the ball bounced over.

Chicago won the game, but Minnesota has not lost one iota of respect. The team did its best.

### FIVE DAY SYSTEM "RAPPED"

Five-Day System Agitation Causes Commotion Among Students and Faculty.

#### FACULTY STATE OPINION.

The five-day system is popular with the students, but not so much so with the faculty. Almost five hundred students have signed the petition in the Daily office for a reversion to the old system. This petition is reinforced by one from the Junior Dents, who head their list of names with "We don't want to work six days."

The faculty, however, are not so enthusiastic. Miss Peck of the English department maintains that the present system allows a student to arrange his work so that one subject interlocks another. "This," she declares, "would be impossible under the five-day system."

Prof. Hall, head of the geology department, said: "I am out of this clash regarding the five-day system. It is really immaterial to me but the present system of alternate days gives me a breathing spell."

Dean Comstock also does not favor a change. "It would disarrange our whole system," she said.

Mme. Bertin, on the other hand, wants the old system. She stated that at present students were unable to do a subject justice having it every other day. Now the students' brains go thru a regular course of gymnastics in jumping from one thing to another.

### "FRAT" FOOTBALL GAME

The Annual Football Game Between the Betas and the Chi Psis Was Pulled Off Yesterday.

#### BETAS DEFEAT CHI PSIS.

Beta Theta Phi downed Chi Psi on the parade ground in their annual football game yesterday afternoon. The score was 4 to 0.

The sidelines were crowded, and excitement reigned supreme. The game was long-heralded and the winners received a \$55 loving cup as a prize.

In the middle of the first half Dana Dutoit made a nice drop kick, netting the only score of the game. Forward passes were repeatedly used with varying success. Two or three made long gains and most of the others only netted penalties.

Webbrook, King and Barnard played the best game for the Chi Psis while Dutoit, Feagre, Joyce and Ray starred for the Betas. The game was exciting, the teams being very evenly matched.
