

# THE MINNESOTA DAILY

VOL. XI. NUMBER 69. THE UNIVERSITY OF MINNESOTA, SATURDAY, JANUARY 8, 1910 FIVE CENTS THE COPY.

## Varsity vs. Stout in First Game of Season

Wisconsin Training School Booked for Good Contest—Injuries Hampering Minnesota Squad Work.

Dopesters have it that in Stout, which comes to play Minnesota tonight, the 'varsity squad will strike a tartar. Stout is a small academy in Menominee, and this time the old query, "Can anything good come from Wisconsin," receives an emphatic affirmation. The Badger institution has always put a good team in the field, and has received an accession this year, of three players who have done stellar work in the well known Pennsylvania League. Dr. Cooke's cohorts are absorbing these rumors at their face value, and preparation for this game has been spirited and strenuous.

The injury "hoodoo," which worked such havoc with Minnesota football last season, is again on the trail of Dr. Cooke's most promising candidate athletes. Frank Lawler, one of dates, wrenched his ankle in practice, and will be out of the game for several days. "Big Bill" Walker has a game leg and is obliged to decorate the sidelines during practise sessions. Giltinan has a bad wrist which interferes with his passing, and "Wannie" Wanless has a set of brittle fingers which bother him considerably. Dr. Cooke hopes that the worst is over, but keeps the fingers of his fork-hand crossed in order to be sure.

Nothing is decided concerning tonight's line-up. Ten men, and probably more, will be used during the game, and the coach will make many shifts and changes in his efforts to find the lucky combination. All of the men who have shown any ability will have an opportunity to demonstrate what they can do in actual contest, and before an audience.

The game will be called at 8 o'clock and an admission of 25 cents will be charged. Bob Deering, former varsity player, and Machstanz, physical director at the agricultural college, will officiate.

## Fraternities Organize for Bowling Tournament

Greek Pin-Shooters Elect Perry Leonard President and Arrange Schedule for Year.

Bowling now occupies the central place in fraternity sporting circles. An inter-fraternity league has been formed with Perry Leonard as president of the organization. Delta Tau, Chi Psi, Deke, Psi U. Beta, A. T. O., and Delta U have entered the league.

Commencing Tuesday, January 11, a series of games will be played on Tuesday and Thursday afternoon of each week, the final game to be played on Tuesday, February 8th. All of the fraternities play one game on each of the days scheduled.

To the fraternity winning the tournament will go the silver loving cup, donated by the Northwestern Book Store five years ago, to be played for each year. The cup is now in the possession of the Delta Kappa Epsilon fraternity.

## Science Convocation Attended by Professors

Will Meet at Minnesota in 1910—Professor John Zeleny Elected Council Secretary.

The "Association for the Advancement of Science" met in Boston for its convocation week during the holidays and was attended by many University of Minnesota professors, among them Dr. Lee, Dr. Johpstone, Professor Washburn, Dean Frankforter, Professor Holway and Butters, Dr. Clements and Mrs. Clements.

The following officers were elected for next year: Professor Michaelson, the well known physicist of Chicago University, President; Dr. L. O. Howard, chief of bureau of entomology at Washington, permanent secretary; Dr. Clements of this university, general secretary; Professor John Zeleny secretary of council.

This association holds special interest for Minnesota people, as the meeting of 1910 will be held at the University of Minnesota, beginning Dec. 27th, 1910. The average attendance at these gatherings is about 2,000, the majority from universities and the best colleges.

The purpose of the association is to have the prominent scientists of the day present their own research work before the members. The president and vice-president each year give a popular lecture. The association has a membership of about 6,000.

## Agriculturists Listen to Governor on Conservation

Executive Will Address Agricultural Club in College Auditorium—State Congress Formed.

Governor Eberhart will address the Agricultural Club at the Auditorium of the Agricultural College, Friday, Jan. 14th. His subject will relate to the conservation of Minnesota resources.

The Governor is an enthusiast on this subject and has recently announced a committee to arrange for a meeting of men interested in it. On this committee are men prominent in economic circles thruout the state and they have decided to call the body "The Minnesota Conservation Congress."

## University Address by Dean John F. Downey

Professor John F. Downey, Dean of the College of Science, Literature and Arts, is to give the next address in the course of University addresses which are being delivered at the Andrew Presbyterian Church Vesper services during the course of the year. Dr. Downey will speak upon his acquaintance with the English and Scotch Cathedrals as places of worship. The elements of religious significance which are typified by the Gothic and Early English architecture, as these are represented by the finest specimens of Cathedrals remaining to the present day, will be presented by the speaker from personal observation.

Juniors Must Have Their Class Pictures Taken Now.

## Gyroscope Car Invented in Engineering College

Two University Professors Design Machine on Original Mechanical Principles.

A mono rail car to be operated by induced energy and later to generate enough power to make trips on a wire cable across the Mississippi river, is being constructed privately at the university shops by Professor William E. Brooke and Professor B. L. Newkirk of the engineering college. It may have its first public demonstration next summer.

The machinery, as explained by Professor Brooke today, includes one gyroscope instead of two as used by the English Brennan car.

When the car is completed the gyroscope will be set in motion for a trial trip on a cable across the Mississippi river if previous tests show that it is feasible. Later, it may be able to carry its own power.

The professors have employed expert mechanics to work under their direction and hope to obtain results in the near future.

## Sophomore Boys Banquet Class Basketball Girls

Banquet at Dayton's Shows Strong Class Spirit—Toasts Enthusiastic—Theatre Later.

Splendid class fellowship, loyalty, and enjoyment were shown last night at the entertainment given to the sophomore basket ball girls by the boys of the class.

At six-thirty the girls were banqueted at Dayton's tea rooms, where a private room, decorated with class colors, and livened with palms, was procured for the evening. The table was daintily decorated with ferns, and unique, hand-tinted place-cards in the shape of a red and white basket ball marked each place. Besides the team itself, Miss Crary, president of Pin afore, and Dr. and Mrs. Richard Grant were present.

Mr. Allan McBean acted as toastmaster, and responses to the following toasts were given:

"Enthusiasm", Thos. Crocker; "The Team", Ethel Chase; "The Girls", Gregg Sinclair; "The Class", Miss Crary.

After full justice had been done to the banquet, adjournment was made to the Orpheum theater, where a block of seats had been secured. It was an enjoyable evening, that carried out the tendency of the present sophomore class to "do things."

## Dean Shenehon Honored

Dean Francis C. Shenehon of the college of engineering has been retained as expert advisor to the government in the Chicago drainage canal suits.

The board of regents has given him permission to accept this work, which will not interfere with his present duties.

The Badgers are working hard for their first big basket-ball game of the year. Next Saturday night they will play Northwestern on the home floor. Joe Davies will wield the whistle.

## Freshmen Sophomores to Hold Annual Debate

Will Be Held Next Thursday, In Chapel—Gislason and Rarig Opposing Coaches.

The annual freshman-sophomore debate will be held next Thursday evening, January 13, in chapel. The old time rivalry between the two under-classes is as keen as ever and the contest promises to be a warm one. The freshmen are out to uphold the honor of the class and inasmuch as the sophomores were defeated in the cane rush, they will seek revenge.

Mr. Gislason has been coaching the first year team which is composed of Neil Beaton, Ben. Goldman, and Will Rodson. Mr. Rarig is directing the work of the sophomores, Harold Gillam, Warner Borst, and Eloi Bauers.

The time allowed each speaker will be twelve minutes for constructive argument and five minutes for rebuttal. The question is "Resolved, That the Labor Union Movement for Closed Shop should have the support of Public Opinion."

The judges have not as yet been decided upon but will probably be old inter-collegiate debaters.

## Minnesota Men at Columbia Organize

The seven Minnesota men at Columbia are organizing a "Minnesota Club" there which has for its purpose the preparation and distribution of information to all University of Minnesota men who wish to attend Columbia. The club wishes also to "boost the U. of M." in New York.

The Minnesota scholarship at Columbia this year is held by W. H. Heines. The man who receives the scholarship is nominated by the association of Columbia alumni of Minnesota. This association will hold its annual dinner at the Town and Country Club, St. Paul, Jan. 19th. Mr. T. B. Keppel, secretary of Columbia will address this meeting.

## Grant Assigns Handicaps for Races This Afternoon

Track Men Will Run Before Crowd at Military Hop—Experience for Squad Sought.

Dick Grant yesterday assigned handicaps to the runners who will compete in the races this afternoon on the running track in the balcony of the Armory, at the military hop. They are as follows:

Half Mile—  
Harold Hull, scratch man; Ted Anderson, 5 yards; Ben Ash, 10 yards; Ralph Ostegren, 10 yards; Claude Beddall, 12 yards.

Three Mile—  
Connelly, scratch; Tydeman, scratch; Shea, 5 yards; Beddall, 5 yards; Fieldman, 20 yards; Elliott, 40 yards; Kaplan, 50 yards; Hodapp, 60 yards.

Some of these men, with the number of yards start which they have, will make the scratch men have to fairly burn up the track to cross the tape first. A hot fight for the honors is bound to ensue between the

(Continued on Editorial page.)

**HARVARD'S PRESIDENT EXPRESSES HIS REGRETS**

Sorry Not to Have Spoken to Minnesota Students—Harvard Club Banquets Him.

President Lowell of Harvard expressed his sincere regrets at not being able to speak before the Minnesota students, at the banquet given him by the Harvard Club Thursday evening, in the Minnesota Club rooms in St. Paul. President Lowell had expected to address the students in chapel on Thursday morning, but owing to the eight hours delay of his train he was not able to get here.

At the banquet in his honor in the evening his address was the feature. He spoke of the recent changes in the elective system at Harvard, by which every student will be compelled to make up his courses for the remaining three years, at the end of his freshman year. Henceforth sixteen year courses will be required each year—six courses in one field, six courses under the direction of the adviser in the important field of education, and four courses open to choice. He also compared the problems of the eastern with the western universities.

As a matter of note it is said of President Lowell, who is also a multi-millionaire, that he knows more of crowned heads and persons of authority in Europe than any other living American.

(Continued from page 1.)  
rival contestants.  
the half mile will start, at 3:30 and the three will commence at about 4:15. All track men are urged by Coach Grant to come out to compete, as more or less experience will accrue to those who run on such a crowded track as to-morrow's will probably be.

**GERMAN CLUB.**  
There will be a meeting of "Verein Gemuetlichkeit" on Monday evening, Jan. 10, in Room 204 Folwell. As there is important business to transact, all members are urgently requested to be present.

Prof. Davis of the history department, will continue his course in Bible History at the First Congregation Church. The class will meet at 12.

**SENIORS TAKE NOTE.**  
Seniors who wish to teach next year are requested to fill out applications, which may be had from Mr. Wilson in the office of the College of Education, Folwell 125.

## MINNE-HA-HA PICTURES WOE STRICKEN STUDES IN EXAMS

Vultures on the Trail of Unlucky Students Portrayed—On Sale Before Exams.

Vultures on the trail of the unlucky student are pictured on the cover of the next Minne-Ha-Ha! South American condors are drawn wearing glasses and carrying glass books beneath their wings. In the books are the cons. The color scheme is in red and blue with the snowy campus as a back ground. Charles Beckel is the artist who has portrayed the danger of the students.

The middle page will be drawn by Victor Rochrich who will also show the sorrow-stricken students struggling with mid-year exams. George Nasson will contribute some of his clever work which has been so popular and "Dunnie" will illustrate some jokes.

Addison Lewis has written some clever dope and other material will be contributed by some of the favorite joke writers of the campus. Clarice its joke writers of the campus. Choice selections from material submitted in the contest for the girls' number will also appear. The magazine will go on sale just before final examinations.

DATE FOR GROUP SITTINGS MADE AT GOPHER HOLE.

Special arrangements have been made by the Gopher Board with Lee Brothers, the Gopher photographers, to make appointments for the society sittings at the Gopher office. This was done with the view of accommodating the college public and so facilitate matters in getting the groupe pictures taken.

## MINNESOTA MAG WILL CLOSE BLOOD AND THUNDER SERIAL

Fredrich V. Calhoun Will Write Next Installment—Comment on Other Magazines.

One more installment of the continued melodramatic story now running in the Minnesota Magazine will appear after the January number. Miss Esther Chapman will close the tale and Frederick Calhoun will write the next installment. The complete short story will then have its opportunity.

Besides the chapter of "Blood and Thunder", the January issue will contain another story and also some interesting poetry. Editorials on some of the prominent questions of college life and a critical comment on the literary magazines of other colleges will be included in this number. The magazine will be on sale the middle of the week before finals.

## TRACK CARD SYSTEM WORKS

Tabulation Made Showing Each Man's Speed and Condition—With the Improvement Made.

Track coach Grant's new card index system is proving a boon to the horde of material which works out on the indoor track each day. Each man is given a card on which a careful record is kept each day of the number of laps run and the speed. Thus each man can see what improvement he makes from day to day, and also has the incentive to increase his former speed records.

This plan is an innovation to American colleges, and should make a great hit among up to date coaches, because it gives the coach at a glance an insight into the physical condition of his man and the speed which he is capable of making.

## OTHER COLLEGE ATHLETICS.

The Joy Miller fiasco at Michigan will necessitate the election of a new football captain for 1910. Magdisohn, the star half-back, and Benbrook, the giant guard, are the favorites for the position. It is probable that the latter, because of his greater experience, will be chosen.

Chicago has, in Miss Shepard, a feminine basket-ball player who 2—Daily 1-7-10 1 AGL promises to eclipse the famous John Schommers. The Daily Maroon tells of an incident that happened in a game between the varsity and the alumnae the other day. The ball was

teetering on the edge of the basket, and for a moment it might have rolled in or out. Miss Shepard reached up and pushed the ball back into the basket, not even standing on her toes to do so.

The Purdue basket-ball team has lost a splendid player in Westover, who has been declared ineligible because of summer base-ball. Charters, McVaugh, Creed and Stockton, four veterans, are still in the game, however, and the Boilermakers are confident of having a whirlwind quint.

Wrestling is gaining great popularity at Columbia. Over forty men are trying out for the varsity mat team.

All Gopher Groups Must Be Taken Now.

## DAILY

To the LOYAL Minnesota students who have not yet subscribed, we offer the Daily for the balance of the year for \$1.25

To those who have not yet PAID for their subscription we respectfully request them to do so before vacation.

The DAILY must pay its bills promptly, and why should not you do the same?

# JUNIORS

**Your Gopher pictures must be taken NOW.**  
**At Lee Brothers, 6th @ 1st Ave.**  
**Absolutely no pictures can be taken after Feb. 1**  
 Societies may make dates for their group settings at The Gopher Hole.

## SENIORS TOAST ANIMALS

**Cap and Gown Girls Eat Again and Will Speak of Natural History on Campus.**

Natural History on the campus will be the feature of the toasts at the Cap and Gown spread Monday evening. Agnes Maloy will toast the Shark—late honor-bound to help no more; Olivia Trautman, The Sponge—pledged to thirst unwatered; Frances Lloyd, the Bird of Paradise—nifty plumage straight from Thoen's; Marian Lawrence, the Cat—the variety which wears needles in the tongue; Isabelle Chenery, The Kitten—beloved for adorable prettiness.

The regular spread will be followed by a program of stunts all performed by senior talent.

### U. C. A. MEETS.

The regular meeting of the University Catholic Association will be held Sunday at 4:15 P. M., in the Y. M. C. A. building. Father Byrne will speak.

The Michigan Glee and Mandolin Clubs made a 2500 mile trip during the holidays, incurring an expenditure of \$3,000. At Milwaukee a joint concert was given with the Wisconsin Glee Club.

## NOTICE.

Applications for extra or irregular work must be presented to the committees on students' work not later than Monday, January 10th. Applications for this purpose have been distributed to those students who have Post Office boxes. Students who have no Post Office boxes or those who do not receive the blanks may get them if they desire at the Registrar's Office. The students' work committees will meet January 10th, 11th and 12th.

E. B. Pierce.

Professor F. F. Groun was inadvertently omitted yesterday from the list of active members of Alpha Chi Sigma, the chemistry fraternity, given in yesterday's Daily.

## NOTICE.

Mr. Gislason says that all orations for the freshman-sophomore oratorical contest must be handed in to him not later than Friday.

Professor Rowland Haynes, of the department of Philosophy, will speak Sunday A. M., Jan. 9, at the regular morning service of the First Congregational Church, Cor. 8th Ave. and 5th St. S. E.

The young people of the First Congregational Church, Cor. 8th Ave. and 5th St. S. E., will combine their Sunday evening services, beginning at seven o'clock. Miss Frances Collier will render "Le Charmer" on the Violin.

The marriage of Gale Montgomery, ex '10, and Florence Cobb, ex '10, was solemnized last evening at Wesley church. Mr. Montgomery was a member of the Delta Tau Delta fraternity, while in college, and Miss Cobb was a member of the Alpha Phi sorority.

Members of Dr. Burton's class in Shakespeare will have the opportunity of having President Northrop with them this morning. He will give them one of his well known Shakespeare lectures.

## NOTICES

Nicely furnished room for rent in steam heated flat. Gentlemen preferred. Communicate with box 2115. d554
