DULUTH--Registration for winter quarter, 1961, at UMD will take place Friday morning, December 30, at Kirby Student Center ballroom, Havard W. Archerd, supervisor of the Office of Admissions and records, announced today.

All prospective students should furnish Archerd's office with the necessary credentials for admission by December 14 in order to allow time to process the materials and forward necessary admission forms.

Previously registered students who did not attend UMD during the fall quarter should notify the Admissions office of their intent to return to UMD for winter quarter.

Students transferring from other colleges must furnish official transcripts of previous college work along with admission applications.

New freshmen should make application for admission through their high school offices, Archerd said.

Any student who has an admission or registration problem should contact the Admissions office for assistance.
