The Board of Governors of the Minnesota Union wish to present, under the auspices of the University Department of Music, the University Concert Band Orchestra in a series of complimentary musical entertainments each Friday noon in the West room of the Minnesota Union. Dr. Joe O. Fournier, '12, will be soloist.

SPRING QUARTER FEES

1. Spring Quarter fee statements have been mailed to all students now registered at the University. March 24 is the last date on which payment will be accepted without penalty. The penalty for late payment is \$2.00 until April 4, and on that date increases at the rate of \$1.00 per day until fees are paid. Students who must write home for money or make loans are urged to complete such arrangements within the specified time.

2. Fees may be paid in person at the Bursar's Window, or by mail. If by mail, the return envelope received with fee statement should be used. The Bursar's Office is open each week day from 8:30 a.m. to 12 m. and 1:00 to 5:00 p.m., except Saturdays. On Saturdays the office closes at noon. Remittances made after Saturday noon, March 24, should be by mail.

3. All checks, drafts and money orders should be made

payable to The University of Minnesota, and should be accompanied by all three sections of the fee statement.

4. Remittances must be for the exact amount of the fee statement. The Bursar cannot accept checks, drafts or money orders for amounts in excess of the fee statement. Insufficient remittances will be returned to the student at his own risk. The student's registration will remain incomplete until his fees are paid in full.

5. Failure to receive a fee statement cannot be accepted as sufficient reason for late payment or non-payment of fees. Any student who does not receive a fee statement in his University post-office box within a reasonable time may secure a duplicate fee statement at the Registrar's Office. Students whose work takes them from the campus must inform the Registrar's Office promptly of change of address.

6. Students using "War Service" tuition, trainees of the U. S. Veterans' Bureau, of the State Division of Re-Education, Foreign Government students, and beneficiaries of the scholarship funds of miscellaneous war-time agencies must secure the written approval of the Assistant Registrar on their fee statements and present them to the Bursar within the above time limit in order to avoid penalty for late payment.
