Mary Woodruff

SUNDAY AFTERNOON LECTURE AT ZOOLOGICAL MUSEUM

The lecture next Sunday, February 12, will be on the "Ancient Land and Fresh Water Animals of North America" by Professor C. R. Stauffer of the Geology Department. The lecture will be illustrated by a fine series of lantern slides loaned by the American Museum of Natural History, New York City, and two reels of motion pictures. Place, third floor Animal Biology Building. Time, 3:30.

UNIVERSITY CHAMBER MUSIC COURSE—1922-1923

Third Concert, Tuesday evening, Feb. 14. London String Quartet, University Armory, 8:15 p.m. Ushers please report promptly at 7:15.

NOTICE TO INSTRUCTORS

College of S., L., & A., and College of Education

Mid-quarter delinquent reports of students whose grades are D or below are due in the Registrar's office February 11. Class cards received at the opening of the quarter should be used in making this report. Instructors who may not have retained the class cards may secure delinquent report cards from this office upon request.

School of Business

Mid-quarter delinquent reports for students registered in the School of Business are due as indicated above, but should be forwarded to the office of the Dean.

R. M. West, Registrar

STUDENTS' HEALTH SERVICE

Health is the greatest of all possessions. A hale cobbler is better than a sick king.—Bickerstaff.

COLLEGE SCIENCE, LITERATURE, AND THE ARTS Condition Examinations

Condition examinations in the College of Science, Literature, and the Arts, will be held Saturday afternoon, February twenty-fifth, and Saturday afternoon, March fourth. A list of the examinations will be published on February 21.

Spring Quarter Registration

Freshmen and Sophomores who have not registered for the spring quarter must register between February 15 and March 11. Necessary changes in registration by those who have already registered must be made during the same period. Registration and change of registration will be by appointment only. Appointments may be made beginning Monday, February 13, in Room 106, Folwell Hall. Appointments should be made early. Those who delay may find courses for which they wish to register filled to capacity.

R. M. West, Registrar

English Lectures

On account of the official holiday on Monday, there will be no lecture in English Bw on that day. Wherever possible, members of the Monday lecture section should attend the fourth or the sixth hour lecture on Tuesday in the Chemistry Auditorium.
J. M. Thomas

SCHOOL OF CHEMISTRY

Mid-quarter reports of all students in the School of Chemistry are due in the Dean's office before noon on Saturday, February 11.
O. M. Leland, Dean

COLLEGE OF ENGINEERING AND ARCHITECTURE

Condition examinations in the following subjects will be held at 1:30 p.m. on the following dates:
Saturday, February 25—
Saturday, March 4—

Chemistry
Physics
Rhetoric
Drawing
Economics
Mathematics
Civil, Electrical, Mechanical
Engineering and Architecture

Conditions in subjects not included in the above list must be removed in such manner and at such times as the rules of these colleges or departments may provide. In such courses the necessary arrangements should be made with individual instructors.

Students who intend to take the examination must call at Window 10, Registrar's Office, secure a fee statement and remit the fee to the Bursar not later than February 16.

O. M. Leland, Dean

(OVER)
