BATTALIONS HOLD DRILLS TO DETERMINE COLOR CO.

Company B is Winner in First Battalion—Captain Butts Lectures Saturday.

The first of the series of competitive drills which the various battalions are holding, took place yesterday afternoon when the companies of the 1st Battalion drilled. Company B was declared the winner by the judge, Captain Rice, commandant at St. Thomas. Company A was given second place and Company C, third. This makes Company B the representative of the 1st battalion in the final drill on Saturday.

On Wednesday at the regular drill hour, the relative merits of the companies of the second and third battalions will be determined and the winner from each will compete with Company B, on Saturday for the colors.

On Friday at 1 o'clock, in the lecture room of the Physics building the examinations for promotion will be held. All Cadets may take this examination. To the non-commissioned officer writing the best paper will be awarded the Guild Medal.

Those who take the examination will be tried out in practical work in make-up drill during next week. On Monday and Friday make-up drill will begin at 1:10 P. M. On Wednesday at 4 P. M., and on Tuesday and Thursday at 1:45 P. M.

All cadets are ordered to assemble on the drill ground in full uniform as for inspection, on Saturday, May 21, to hear Captain Butts' lecture on "The Military Policy of the United States." Only those who take part in the competitive drill which follows will report with side arms and guns.

The drill for the Palace Medal will be held on Saturday also. Five of the best privates and four of the best non-com officers are chosen from each company to compete for the prizes. The best drilled private and non-com. in the entire corps each receives a medal.

There will be no drill by the first battalion on Thursday.

Captain Butts wishes to announce that all cadets must appear in inspection uniform during competitive drill.

Captain Rice, commandant of St. Thomas complains that one of the St. Thomas cadet's carbines was taken by one of the University cadets in the sham battle. Captain Butts urges that anyone knowing anything about this matter report to him.

SENIOR PROM TICKETS ON SALE TODAY IN LIBRARY.

Tickets for the Senior Prom will be on sale in the Library rotunda today. There will be but fifty-five tickets put on sale. For the first week the tickets will be sold to seniors alone. The ball will be given June 8, at the Plaza.

FRENCH PLAYS POSTPONED.

The two French plays, which were to have been given by the Cercle Universitaire today, have been postponed until Wednesday, May 25, owing to the illness of one member of the cast.

FORMER MINNESOTA GIRL ON TOUR FOR SUFFRAGE

Miss Elsa Ueland, '09, Plans to Travel Through West Advocating Votes for Women.

Miss Elsa Ueland, who graduated last year from the University of Minnesota, and a party of college friends are planning to take the stump for suffrage this summer. The girls intend to tour South Dakota in a prairie schooner. Miss Ueland announced her plans during the National suffrage convention in Washington. She got the idea from Miss Ray Costello who used this method of campaigning in England.

"We have not completed our plans for our Gypsy tour," Miss Ueland is credited with saying, "but some of us Minnesota graduates and other girl graduates now in New York, have determined to make the experiment. Our objective point is South Dakota at present, where one of the issues of the state campaign is votes for women."

"If it is necessary to have a chaperone, and I suppose it will be, I have a sister who has not been married long and she and her husband have promised to accompany us. We will live in the wagon or wagons and forage on the country as we go along. Should we find that we can accomplish anything by holding open meetings in towns we pass thru or by intimate campaigns among the wives of farmers and ranchmen, we will branch out into other states and make a regular business of wagon campaigning."

SCOTT'S PUPILS IN RECITAL

Original Work in Counterpoint Rendered by Prominent Students.

An interesting program of original songs and compositions was rendered in Chapel yesterday. Marie Elmquist showed herself to possess unusual ability as a composer in two violin selections—"A Gypsy Dance" and "Andante."

Frances Collier gave four selections, two of her own composition. The Euterpean quintette rendered a suite of songs by Marie Elmquist and Harriet Allen.

A feature of the entertainment was to have been a vocal solo with violin obligato, written by Marguerite Scott and sung by Ruth Jackson, but the manuscript was lost. The program closed with "Kathleen" written by Frances Collier and sung by Marguerite Scott.

SOMMERS WILL INVESTIGATE CAUSES OF CHEATING.

Charles L. Sommers, a member of the Board of Regents, has been appointed by the Board to investigate the cribbing conditions at the University. Mr. Sommers is a member of the class of '90 and has kept in close touch with University affairs since his graduation.

Professor Fletcher of the Law College, gave his class in Middle Law a final examination in "Conveyancing" yesterday.

FIRST HOUR CLASSES MAY START AT EIGHT FIFTEEN

Professors Ask for Forty-five Minutes for Chapel—Third Hour on Time.

Because so many professors have complained that chapel time has interfered with their third hours, the faculty has considered calling classes at quarter past eight next year. At the meeting of the Academic faculty the project was referred to the program committee who are working in conjunction with Professors White and Gray. This committee will confer with the faculties of the other colleges and with members of the Academic faculty. If the change is made, Chapel time will be extended to forty-five minutes, without infringing upon third hour.

The committee's idea is to afford ample time for distinguished visitors without using the time belonging to third hour classes.

GRANT M'S FOR BASKET BALL

Freshmen Numerals Awarded—Gold Watches Voted for Winners in Inter-scholastic.

At a meeting of the Athletic Board yesterday afternoon the following men were granted basketball "Ms": Christian Hanson, Frank Lawler, W. A. Walker, L. A. Wanless, Reuben Rosenwald, Oscar Anderson, George Giltinan, Charles Robilliard, Leonard Frank and Malcolm Grant.

Basketball numerals were also granted to the following members of the 1914 team. Robert McCoy, Richard Kaiser, Paul Whipperman, Clifford Sibs, Frank Wright, E. H. Lutz, Carl Nordstrom and Kenneth Salisbury.

In addition to other preparations for the inter-scholastic meet gold watches were voted for the winners of first places and medals for the next three men to finish.

Trips for the baseball team and one for the tennis team were also authorized.

MINNE-HA-HA SALE EXTENDED

One Hundred Extra Copies Ordered—Large Demand Among the Men Featured.

Owing to numerous demands for additional Minne-Ha-Has one hundred more have been struck off and will go on sale tomorrow. The sales last Friday, three times exceeded those of any other issue this year. The few remaining numbers were put on sale at the book stores and are almost gone.

It is stated that the men who are pictured on the middle page are partly responsible for the great demand for the magazines. Also those whose jokes appear in the ah' men corner are proudly buying and sending away copies of the Woman's Number to their relations.

The number will be sold only thru second and third hours.

COMMUNICATION.

Students of the University:—

Last February we were greatly agitated over the condition of the constitution of the Athletic Association. Every candidate pledged himself to support a revision of the constitution so that all who wished could know how the University athletics were managed.

Since the election all of the records of the association have been searched and the constitution of 1904 together with subsequent amendments compiled.

It remains for the president of the Association to call a special meeting at which a complete revision shall be made.

This of course, will only be a first step. The Board of Control should then proceed to get out an attractive booklet containing the constitution of the Association. The conditions for the securing of "M"s and such other information as the board may think appropriate.

At present much indifference exists on athletic issues simply because there is no real information upon which to base any argument for improvement. By the correction of the constitution and the publication of the other rules of the Association, the athletic situation will be made more real and interesting. We should all know how our athletics are run.

NO MORE LECTURES TO BE GIVEN ON JOURNALISM.

These lectures have been given to the class every Wednesday at 4 o'clock and have been attended by many students interested in journalism who were not members of the class. The course in newspaper writing is open only to juniors and sen-

SOCIETY.

Kappa Kappa Gamma sorority gave a musical in Shevlin Hall last evening for their families and alumnae. About one hundred and fifty invitations were sent out.

Among those who took part were: Ruth Jackson, who sang several songs, Winifred Lind and Ragnhild Hobe who gave a violin duet, Mercy Bowen and Hazel Edison who played some piano duets. Florence Robinson gave a solo dance. Most of the chapter took part in the one act play, "A Mere Man," which was given. Light refreshments were served at the close of the program.

WOMEN'S DORMITORY TO BE CALLED "SANFORD HALL."

"Sanford Hall" is to be the name of the new women's dormitory. Dean Comstock suggested the name at the meeting of the Board of Regents and they at once took action on it. It is indeed a fitting tribute to Professor Maria Sanford who spent so many years of active work among the University students and whose influence among them has been greater than that of any other woman. This is the testimony which has been given by many of the University alumni.

Elsie R. Leonard, '06, was made house director of the new dormitory and Miss Ruth Phelps, who has been appointed instructor in Spanish, Italian and French, will have charge of the social life of one of the wings of the Dormitory.

TEAM LEAVES FOR LINCOLN

Minnesota-Nebraska Meet Friday—Many Stars Unable to Represent University.

The track team leaves tonight, for Lincoln, where they meet the Nebraska team Friday afternoon.

The defeat by the Badgers last Saturday has not broken their spirit in the least and they promise to fight hard for a victory.

On account of the distance and the added expense the bunch will be much smaller than was taken to Madison.

The Kansas-Nebraska meet last Saturday gave the Gopher coach an excellent opportunity to place his men to the best advantage. The dope fiends already have Minnesota winning by a close margin. However, the dope on a track meet is always uncertain and the supporters can expect almost anything.

Harmon was so badly injured in the Wisconsin meet that he will be unable to compete Friday. Stubb and Wilcox will enter the high hurdles and promise to give the southerners a warm race in this event as well as in the low timbers.

Archie Strane left Sunday for Montana where he has accepted a position. Ostrand is at work on the Iron Range. The loss of these three men means a serious handicap and will give Nebraska an advantage in the field events.

Grant has been working hard on the hammer and will be hurling the ball close to 120 ft. mark by Friday. He is also improving in the shot and will surely beat the Nebraska competitors unless they show great improvement over their last performances.

Stubb is hitting his stride in the broad jump and will give the Missouri Valley boys a great run for their money.

In the track events it looks like a clean sweep for the Gophers, from start to finish. Nebraska will probably be able to cop a few seconds but aside from this it all "listens like Ski-U-Mah."

With the possibility of a few additions the men who leave will be: Hull, Hill, Halstad, Rathbun, Tydeman, Connolley, Frank, Stubb, Wilcox, Ostegren, Grant.

The team expects to return Saturday morning so as to be here in time to help run off the inter-scholastic and Iowa-Minnesota freshman meet, which comes off in the afternoon.

INTERSCHOLASTIC SCHEDULED FOR SATURDAY.

Saturday will be a big day for the high school athletes of the Northwest.

Over two hundred entries have been received for the fourth annual Minnesota inter-scholastic meet and everything points to record-breaking performances. Schools from Minnesota, Michigan, Wisconsin, Iowa, North and South Dakota will be here to compete for the valuable prizes offered by the Athletic Board.

Menominee carried off the first honors last year, but will have to hustle to keep their position this year.

The various meets about the state have brought out some remarkably good men and it is almost certain that with good weather conditions several records will be broken.

The Iowa-Minnesota freshman will be run off at the same time. This is the first big meet of the season.

ARMSTRONG WINS TENNIS

Wins From John Adams—Many Surprises in Tournament—Doubles to be Played.

In the all-University tennis tournament, Armstrong, Pierce, Stellwagen and Adams participated in the semi-finals. Armstrong beat Pierce; Adams won from Stellwagen. This left Armstrong and Adams for the finals which they played off Saturday, with the following scores: 2-6, 6-1, 6-1, 6-1. Armstrong taking the last three sets but losing the first.

It has been a number of years since the tennis lovers have seen such high grade playing. The surprise to all was that Pierce beat Bruchholz and Washburn of the Varsity team.

The all-University match in doubles was also played Saturday. Pierce and Poucher lost to Adams and Washburn.

Stellwagen and McEnry lost to Armstrong and Sischo. The winners of the semi-finals played until the score in the set was 19 all. The finals were then postponed until the Varsity team composed of Adams, Bruchholz, Washburn and Sischo, returned from Chicago.

The consolation matches will be pulled off this week, prizes being given to the winners.

The Varsity plays the University of North Dakota team on Northrop Field this afternoon.
