

Campus Climate Change Team

Agenda: September 23, 2014 - 9:00 in KSC 268

1. Welcome and Introductions
2. Reminder of our Guiding Principles
3. Reminder of our [Charge](#) and Responsibilities
4. Could we discuss how other collegiate units are marketing campus wide events and programming to their student bodies? We would love to find out what works in other units.
5. Brown Bag lunches on related events. Have other colleges tried a "series" concept? What worked well and any issues that could assist LSBE Team.
6. Any interest in CCT presence in the Homecoming Parade? Truck or marching
7. Changes and updates to CCT website
8. UCT grants available (see attached)
9. Report on mapping action items
10. Assessment plan for 2014-15
11. Review CCT membership/UCTeams and representatives

Summary

Dr. Pederson and Susana Pelayo Wooderd welcome new and returning members. The Guiding principles were reviewed. Discussed the Campus Climate Change Team charge from Chancellor Black. Members shared what activities and events have been successful in their units. CCCT will participate at the Homecoming Parade this October 16, 2014. Susana Pelayo-Woodward shared that the 2013-2014 CCCT Unit Annual Reports are on the Campus Climate website. UCT grants are available for the academic year. Unit Change teams action items have been mapped to Goal 2, the report will be shared at the next meeting. Members and contact information was reviewed and updated.
